The certificate must list Boyd Lake State Park / Colorado State Parks as an additional insured party.

PROOF OF INSURANCE IS DUE PRIOR TO EVENT APPROVAL

DISCLOSURE INFORMATION

1. Will other State Parks be used? NO If so, please list: _____
2. Will items be sold at this event? NO If so, please attach additional page(s) providing vendor names, phone numbers and items to be sold.
3. Will a fee or donation be collected? NO If so, please attach additional page(s) providing additional information on amounts to be collected and how the proceeds will be disbursed.
4. Will this event be publicized on radio, television, or in print media? NO Any advertising that identifies Boyd Lake State Park or Colorado State Parks must receive prior approval from park management.

CONDITIONS AND ADDITIONAL INFORMATION

1. No implied rights or reservations are granted as to camping or parking spaces. Park admission is on a first come, first served basis. A valid park pass is required on all vehicles unless arrangements for alternative fees have been approved. Entry to the park may be prohibited when the park is at capacity. Exceptions are not made for special events.
2. All participants in the event agree to abide by and obey all Colorado State Parks rules and regulations, and any other regulations that may apply. Contact the Special Activity Coordinator for more information.
3. All temporary signs, banners, buoys, and markers are to be placed only with the permission of park management and must be approved at least two weeks prior to the event. All temporary signs must be removed at the conclusion of the event.
4. Approval of this event does not imply that extra services will be provided, nor does it place any additional liabilities upon Colorado State Parks or Boyd Lake State Park.
5. The permittee agrees to provide public notification of the event should park staff determine it is necessary to minimize use conflicts.
6. The permittee agrees to hold harmless Colorado State Parks, Boyd Lake State Park, and park staff from any death, injury, or property damage occurring as a result of the event.
7. The permittee shall supply all necessary personnel and equipment to safely conduct this event. The permittee shall be responsible for any and all damage to park resources and/or facilities that result from this event.
8. All beverages with an alcohol content greater than 3.2% are prohibited by law.
9. Colorado State Parks maintains the right and authority to amend or cancel this permit at any time should the permittee fail to abide by conditions agreed to or if public health, safety and welfare so dictate.
10. The permittee may be assessed additional fees for the event. Payment, if required, is due upon notification unless other arrangements have been approved

APPENDIX A

Unless otherwise approved all Dunk tanks, Inflatable water slides and Inflatable bounce houses will adhere to the following rules:

DUNK TANK:

- Dunk tanks will be charged \$1 per 10 gallons of capacity: 300 gallons=\$30 500 gallons =\$50
- 300 gallon dunk tanks may be setup on concrete around the picnic shelter or in the parking lot
- 500 gallon dunk tanks will only be permitted in the parking lot, must be coned off from traffic and not blocking the lanes of travel
- Dunk tank will be continuously monitored by an adult
- DUNK TANK SIZE FOR THIS PERMIT _____

INFLATABLE water slides and Bounce houses (*Please check which type inflatable or both*):

- Waterslides will be charged \$50 per day in addition to GPA reservation.
- Inflatable bounce houses will be charged a \$30 per day in addition to GPA reservation.
- Inflatable bounce houses and water slides may be setup on non-irrigated grass near the volleyball pit, on the concrete around the picnic shelter, or on the grass south of the pavilion. Vehicles may not drive beyond the parking lot, even for drop off/pickup.
- 110V Outlets and water hydrant (for garden hoses) are provided at the GPA facility.
- Applicant will provide extension cords and hoses. If a generator is used it will not exceed the parks regulation 86 dB noise limit.
 - Distance to non-irrigated grass for electric cords is approx. 150' - 300'
 - Distance to non-irrigated grass for a water hose is approx. 60' – 150'
 - Distance to concrete around shelter for electric cords is approx. 25'-100'
 - Distance to concrete around shelter for a water hose is approx. 50' – 200'
 - Distance to irrigated grass area south/west of shelter for electric cords is approx. 50'-100'
 - Distance to irrigated grass area south/west of shelter for water hose is approx. 100' – 250'.
- Inflatable bounce houses and water slides will be secured with weight (such as sand bags) NOT with stakes driven into the ground.
- Inflatable toys may come with a manufacturer's recommendation on maximum wind speed in which it is safe to use. Knowing this recommendation, monitoring wind and ceasing activity in the bounce house if that speed is exceeded is the responsibility of the Applicant listed on page 1.
- Insurance will be required in the amounts specified on Page 1.
- If a vendor comes into the park to drop off, set up, or pick up the equipment they will need a park pass on the vehicle that comes in, but will not be charged a commercial activity fee.
- This special activity permit is only valid with a paid group picnic reservation. In the event of a GPA cancellation the inflatable equipment fees may be refundable, but the \$20 application fee is non-refundable.
