**POSITION DESCRIPTION:**

Colorado Parks and Wildlife (CPW) is hiring a temporary position within the Colorado Natural Areas Program (CNAP). CNAP is a statewide conservation program focused on the recognition and protection of areas with significant natural features including rare plants, plant communities, wildlife, insects, geologic features, and fossils. CNAP has a strong emphasis on rare plants and rare plant conservation. The program has a small staff, but a large volunteer program of over 50 volunteer stewards, as well as a 7 member Governor-appointed advisory council. More information on CNAP can be found here: https://cpw.state.co.us/aboutus/Pages/CNAP.aspx.

The Natural Areas Outreach and Volunteer Program Assistant will be responsible for:

- Managing volunteer database and coordinating with CNAP and CPW volunteer team
- Coordinating with individual volunteers, providing regular communications, providing training when needed, helping with volunteer onboarding, and processing volunteer field reports
- Creating and disseminating outreach materials related to state natural areas, volunteer steward program, and rare plant conservation. Outreach may include newsletters, website updates, story maps, dashboards, videos, etc.
- Assisting with writing and design of annual reports and newsletters
- Assisting with statewide natural areas monitoring field work as needed (some overnight travel required)
- Assisting with meetings, presentations, webinars, trainings, and other events that may further CNAP’s outreach goals
- Ensuring outreach and volunteer program materials are accessible and inclusive
- Assisting with other various tasks as needed
MINIMUM REQUIREMENTS:

- Valid driver’s license required for operating a state vehicle
- Able to occasionally travel statewide (Mon-Fri) and hike outdoors under variable weather conditions and over uneven terrain
- High proficiency in Microsoft Office (Word, Excel, PowerPoint) and Google applications (Gmail, Drive, Docs, Sheets, Forms)
- Background in natural resources, science communication, environmental education, conservation, ecology, botany, and/or other closely related fields
- Strong writing skills with an emphasis on engaging writing for diverse audiences
- Excellent organization, time-management, collaboration, and communication skills
- Self-motivated, proactive, attentive to detail, and able to work efficiently independently, in a small team, and with diverse partners and landowners

PREFERRED QUALIFICATIONS:

- Experience working with, managing and training volunteers
- Experience with graphic design and creating various forms of media including but not limited to electronic newsletters, news stories, social media, story maps, dashboards
- Knowledgeable about Colorado’s flora, fauna, and other natural features
- Able to hike over rough terrain and camp in remote areas across the state
- Proficient in ESRI applications including ArcMap, Collector/Field Maps, Storymaps, and Dashboards
- Photography/Videography skills

HOW TO APPLY: Email a cover letter, resume, and three references to raquel.wertsbaugh@state.co.us with “CNAP Outreach & Volunteer Program Assistant” in the subject line. Work, education, volunteer and lived experiences are all considered. Additionally, please include an attachment answering the following supplemental questions (max 2 pages):

1) Describe your experience working with and/or managing volunteers. What do you enjoy most about working with volunteers?
2) Describe your experience developing and disseminating science-based or other communication materials. Is there a specific media format you enjoy using the most or are most competent in?
