RE: Chapter W-9 Final Regulations for the April 30, 2020 Parks and Wildlife Commission Meeting
DATE: April 17, 2020

Final regulatory changes for Chapter W-9 - "Wildlife Properties" 2 CCR 406-9 related to agenda item 10 are summarized below. If there are questions about the agenda item below, or if additional information is needed, please feel free to contact me at 303-866-3203 x4609.

Agenda Item 10: Chapter W-9 - "Wildlife Properties" 2 CCR 406-9

Requiring a valid hunting or fishing license if 18 years of age and older to access all State Wildlife Areas and State Trust Lands leased by the Division

While many State Wildlife Areas (SWAs) and State Trust Lands (STLs) leased by the Division have specific regulations governing access, timing, and type of use, previously these properties were open to the public for access and use with no remuneration required. Field staff across the state have grown increasingly concerned with the shift in use of many of these properties in recent years to free camping and hiking destinations as primary activities rather than as use incidental to wildlife-related recreation. To protect the integrity of these properties for their intended use—the perpetuation and conservation of wildlife and wildlife recreation—regulation #900.C.1 has been added to require all persons 18 years of age or older hold a valid hunting or fishing license to access any SWA. Similarly, regulation #902.B.5 was added prohibiting access to STLs leased by the Division to all persons 18 years of age and older who do not hold a valid hunting or fishing license. Additionally, property-specific regulations were modified accordingly, including removing the annual access permit requirement for Jumbo Reservoir SWA (901.B.119(a)), Lake Deweese SWA (901.B.130(a)), Prewitt Reservoir SWA (901.B.173(a)), and San Luis Lakes SWA (901.B.203(a)).

B. Public Access to State Wildlife Areas

1. Only properties listed in this chapter are open for public access. The Director may open newly acquired properties for public access for a period not to exceed nine (9) months pending adoption of permanent regulations. In addition, the Director may establish and post restrictions based upon consideration of the following criteria:
 - a. The location and size of the area.
 - b. The location, type and condition of roads, vehicle parking areas and the number and type of sanitary facilities available.
 - c. The number of users and vehicles the area will tolerate without significant degradation to wildlife resources, and public or private property.
 - d. Opportunity to assure public safety, health and welfare.
2. If a property is opened for public access pursuant to this provision, the property shall be posted with a list of applicable access restrictions. It shall be unlawful for any person or vehicle to enter any such property, except in accordance with its posting and the applicable restrictions.

C. Prohibited Activities

Except as specifically authorized by contractual agreement, official document, public notice, permit or by posted sign, the following activities are prohibited on all lands, waters, the frozen surface of waters, rights-of-way, buildings, and other structures or devices owned, operated, or under the administrative control of Colorado Parks and Wildlife:

1. To enter, use or occupy any State Wildlife Area or portion thereof for all persons 18 years of age and older without a proper and valid hunting or fishing license except as otherwise provided in these regulations. One- or five-day licenses are only valid for the date(s) on the license.

~~4.2.~~ To enter, use, or occupy any area or portion thereof for any purpose when posted against such entry, use, or occupancy.

Any other portable blind or tree stand used for any other purpose must be removed at the end of the day in which they are used. The Customer Identification Number of the owner and the date(s) to be used must be displayed on the outside of all portable blinds and on the underside of all tree stands in a readily visible area. All such blinds and tree stands remain available for use to the general public on a first come, first-served basis.
- ~~7.8.~~ To remove, modify, adjust, deface, destroy, or mutilate any building, structure, water control device, fence, gate, poster, notice, sign, survey or section marker, tree, shrub or other vegetation or any object of archaeological, geological, or historical value or interest.

Basis and Purpose:

Requiring a valid hunting or fishing license if 18 years of age and older to access all State Wildlife Areas and State Trust Lands leased by the Division

While many State Wildlife Areas (SWAs) and State Trust Lands (STLs) leased by the Division have specific regulations governing access, timing, and type of use, previously these properties were open to the public for access and use with no remuneration required. Field staff across the state have grown increasingly concerned with the shift in use of many of these properties in recent years to free camping and hiking destinations as primary activities rather than as use incidental to wildlife-related recreation. To protect the integrity of these properties for their intended use—the perpetuation and conservation of wildlife and wildlife recreation—regulation #900.C.1 has been added to require all persons 18 years of age or older hold a valid hunting or fishing license to access any SWA. Similarly, regulation #902.B.5 was added prohibiting access to STLs leased by the Division to all persons 18 years of age and older who do not hold a valid hunting or fishing license. Additionally, property-specific regulations were modified accordingly, including removing the annual access permit requirement for Jumbo Reservoir SWA (901.B.119(a)), Lake Deweese SWA (901.B.130(a)), Prewitt Reservoir SWA (901.B.173(a)), and San Luis Lakes SWA (901.B.203(a)).

The statements of basis and purpose for these regulations can be obtained from the Colorado Division of Parks and Wildlife, Office of the Regulations Manager by emailing Krista Heiner at krista.heiner@state.co.us. The statements of basis and purpose are not available at the Division of Parks and Wildlife headquarters due to the closure of these facilities to the public in light of the COVID-19 pandemic and Executive Order D 2020 017.

The primary statutory authority for these regulations can be found in § 24-4-103, C.R.S., and the state Wildlife Act, §§ 33-1-101 to 33-6-209, C.R.S., specifically including, but not limited to: §§ 33-1-106 and 33-1-107, C.R.S.

EFFECTIVE DATE - THESE REGULATIONS SHALL BECOME EFFECTIVE JUNE 30, 2020 AND SHALL REMAIN IN FULL FORCE AND EFFECT UNTIL REPEALED, AMENDED OR SUPERSEDED.

APPROVED AND ADOPTED BY THE PARKS AND WILDLIFE COMMISSION OF THE STATE OF COLORADO THIS 30TH DAY OF APRIL, 2020.
