TO: Members of the Colorado Parks and Wildlife Commission  
FROM: Krista Heiner, Regulations Manager  
RE: Chapter W-0 Final Regulations, January 2020 Parks and Wildlife Commission Meeting  
DATE: January 3, 2020

Final regulatory changes for Chapter W-0 - "General Provisions" 2 CCR 406-0, and those related provisions of Chapter W-3, Chapter W-5 and Chapter W-2 - are summarized below. If there are questions about any of the agenda items below, or if additional information is needed, please feel free to contact me at 303-866-3203 x4609.

**Agenda Item 11: Chapter W-0 - "General Provisions" 2 CCR 406-0 and those related provisions of Chapter W-3 ("Furbearers and Small Game, except Migratory Birds" 2 CCR 406-3), Chapter W-5 ("Small Game - Migratory Birds" 2 CCR 406-5) and Chapter W-2 ("Big Game" 2 CCR 406-2) necessary to accommodate changes to, or ensure consistency with, Chapter W-0 (Step 2 of 2)**

### Creation of a senior combination fishing and small game hunting license

Previously, residents younger than age 65 could purchase a small game and fishing combination license at a discounted price, but after age 65 they had to purchase two separate licenses. In response to a citizen petition, a senior (age 65 and older) small game and fishing combination license has been created. The Commission has the statutory authority to offer discounted combination licenses (C.R.S. 33-4-102 (1.6)(l)).

### Modifying the definition of license to include electronic licenses

The Parks and Wildlife Commission has instructed staff to examine utilizing electronic licenses (e-licenses) through an app or other mechanism. To allow for this, the definition of "license" has been updated to include electronic licenses. This change sets the stage for further regulatory changes, as new electronic license types are developed.

### Adding the letter "X" to the list of hunt code manners of take to denote season choice licenses

Previously, CPW listed Season Choice licenses, which allow hunters to hunt any or all of the major archery, muzzleloader and regular rifle seasons until the license is filled, using hunt codes ending with the letter "R" for the manner of take, but this has been confusing for some hunters. To better differentiate these Season Choice licenses from regular rifle hunts, the letter "X" has been added to the list of manners of take in regulation #001(A)(5) and the corresponding hunt codes have been updated.

### Allowing the use of a TAN (Temporary Authorization Number) as valid documentation of Colorado Waterfowl and Federal Duck Stamp purchase for up to 14 days from the date of purchase

In 2008, the Commission approved using an electronic stamp and a unique code as proof of purchase of the Federal Duck Stamp for up to 45 days before receiving the physical copy in the mail. In 2017, the Commission approved allowing a TAN be issued for all telephone or internet sales, except for state or federal waterfowl stamps or licenses that require a carcass tag, which allows the license holder to use the license prior to receiving it in the mail. These two regulations were confusing and inconvenient for waterfowl hunters, who previously either had to purchase the Waterfowl stamp early and wait for a physical copy to be delivered or went to a CPW license agent to buy it. Regulations W-0 002.C and related regulations in W-5 503.B have been changed to allow a TAN to be used for both Colorado Waterfowl and Federal Duck Stamps for up to 14 days from the date of purchase, until the purchaser

receives the physical license.

**Updating the counties listed for the boundary description of GMUs 20 and 521**

Regulations in W-0 024.B list which counties are associated with each GMU. A recent review revealed the need to add Weld County to Unit 20 and the need to delete Saguache County and add Delta County to Unit 521.

**Modifying the GMU boundaries for S-11, S-13, S-17 and S-26 to follow roads and trails instead of river drainages**

Previously GMU boundaries in this area differed slightly between bighorn sheep (rivers/streams) and mountain goats (trails/roads). To make the boundaries consistent, the bighorn sheep boundaries in S-11, S-13, S-17 and S-26 have been modified to follow the mountain goat boundaries (trails/roads).

**Combining mountain goat units G-3 and G-13 into a single GMU that matches the current boundary for sheep unit S-11 and updating the related hunt codes**

Over the last 10 years, the number of goats in G-3 has been declining and the number of goats in G-13 has been stable or increasing. Given no biological reason the units should be separated, these units have been combined into a single unit (G-3) that overlaps the bighorn sheep unit S-11 and the corresponding hunt codes have been updated.

## FINAL REGULATIONS - CHAPTER W-0 - GENERAL PROVISIONS

## ARTICLE I - DEFINITIONS

#000 – The following definitions supplement the statutory definitions found in the Wildlife Act including, but not limited to, those definitions found in section 33-1-102, C.R.S.

## A. General Definitions Including Manner of Take Definitions

1. **"Aggregate"** when applied to bag and possession limits, means the total number of species which are covered by such bag and possession limits. Any combination of the species may be possessed up to the total number established as the aggregate bag and possession limits.
2. **"Air gun"** means any rifle or handgun .177 caliber or larger firing pellets, slugs, or round ball ammunition powered by high pressure air or compressed inert gas. This includes devices referred to as pellet guns or pneumatic weapons.
3. **"Archery"** means the use of a hand-held bow.
4. **"Bag Limit"** means the maximum number of wildlife which may be taken in a single day during an established open season. This includes any wildlife which are consumed or donated during the same day they were legally taken. The terms "bag limit," "daily bag" and "bag" are considered to have the same meaning.
5. **"Baiting"** means the placing, exposing, depositing, distributing, or scattering of any salt, mineral, grain, or other feed so as to constitute a lure, attraction or enticement for wildlife.
6. **"Crossbow"** means a bow which is attached at a right angle to a stock with a mechanical mechanism for holding the bow string in a cocked position and fired from the shoulder.
7. **"Feral Hog"** means any species or hybrid of species from the family *Suidae* (European boar, Eurasian boar, Russian boar, feral hog) or the family *Tayassuidae* (Javelina and peccary), which possesses one or more morphological characteristic distinguishing it from domestic swine including, but not limited to, an elongated snout, visible tusks, muscular shoulders with small hams and short loins, coarse hair, or a predominant ridge of hair along its back. For the purposes of these regulations, any swine running at large which possesses one or more of the above characteristics, may be presumed to be a feral hog, unless a person has received actual notice that the swine has escaped containment and its return is actively sought, in which case the person should report its location to the owner, if known, and the Division and the Department of Agriculture.
8. **"Handgun"** means any pistol or revolver having no shoulder stock or attachment.
9. **"Hand-held bow"** means a long bow, recurved bow, or compound bow on which the string is not drawn mechanically or held mechanically under tension. String releases or mechanical releases which are hand-drawn and hand-held with no other attachment or connection to the bow other than to the bowstring are lawful devices.
10. **Licenses**
  - a. **"Leftover license"** means a limited license, including an electronic limited license, which is leftover after the primary application and drawing process.

- b. **"Limited license"** means any license, including an electronic license, which is limited in number by regulation and which is issued through the drawing process.
  - c. **"Over the counter license"** means a license, including an electronic license, that may be purchased at a license agent. Most over the counter licenses are unlimited in number, but some may have an established cap.
  - d. **"Private Land Only license"** means a limited license, including an electronic limited license, valid only for use on private land and State Trust Lands not leased by the Division, excluding those limited licenses issued as part of the Ranching for Wildlife program. Contact the State Land Board for access restrictions.
  - e. **"Unlimited license"** means a hunting license, including an electronic license, and carcass tag when appropriate which is not restricted in quantity and which is sold by license agents throughout the state and is not valid in any unit where licenses are available only through application and computer or hand drawn selection.
11. **"Mentor"** means a person eighteen years of age or older who holds a valid hunter education certificate or who was born before January 1, 1949, and accompanies a youth or apprentice while hunting. A person whose hunting and fishing license privileges are suspended can not be a mentor.
12. **"Muzzle-loading rifle or musket"** means a firearm fired from the shoulder, with a single barrel which fires a single patched round ball or bullet.
13. **"Pre-charged pneumatic air gun"** means an air gun that is charged from an external high compression source such as an air compressor, air tank, or external hand pump.
14. **"Private use"** means the possession of wildlife only for private enjoyment and not intended to be sold, traded, bartered, or entered into commerce.
15. **"Privately-owned game birds"** means game birds held in private ownership and otherwise acquired in accordance with Commission regulations.
16. **"Processed meat"** means those edible parts of wildlife which have been cut into normal portions and wrapped for storage. It does not include game meat that is whole, has been quartered, or has not been packaged into normally accepted butcher's portions including but not limited to steaks, roasts, loins, chops, and ground meat.
17. **"Rifle"** means a firearm fired from the shoulder, with a rifled bore, having a barrel length of sixteen (16) inches or more and a minimum overall length of twenty-six (26) inches.
18. **"Shotgun"** means a firearm fired from the shoulder with a smooth bore, having a barrel length of eighteen (18) inches or more and a minimum overall length of twenty-six (26) inches.
19. **"Slingbow"** means a hand-held device, not drawn or held mechanically, with the arms or attachment points to which an elastic band is attached for propelling an arrow. The term also includes string releases or mechanical releases which are hand-drawn and hand-held with no other attachment or connection to the slingbow other than to the bowstring. Wrist-brace attachments are considered normal components of a slingbow.
20. **"Slingshot"** means a hand-held device, not drawn or held mechanically, with the arms or attachment points to which an elastic band is attached for propelling small stones or metal projectiles. Wrist-brace attachments and non-elastic projectile pouches are considered normal components of a slingshot.

21. **“State Trust Lands”** means those lands owned or under the control of the State Board of Land Commissioners.

## B. Definitions related to Aquatic Species or Fish Health

1. **“Aquatic Nuisance Species” (ANS)** means exotic or nonnative aquatic wildlife or any plant species that have been determined by the Commission to pose a significant threat to the aquatic resources or water infrastructure of the state.
2. **“Best management practices”** means the most effective, practicable (including technological, economic, constructible, and institutional considerations) means of preventing or minimizing the presence or spread of ANS, parasites, or diseases in a fish production facility.
3. **“Certification”** means a document issued by the Division certifying that the facility and the fish located thereon, have been tested for regulated fish pathogens in the numbers and by methods meeting the minimum standards established by these regulations, or any analogous document issued by a qualified fish health official from a recognized state, federal, or foreign fish and wildlife agency.
4. **“Coldwater stream”**- means a segment or reach of a creek, stream, or river that has water temperatures that do not exceed 68 degrees F for 24 consecutive hours.
5. **“Critical Habitat”**- means the following river reaches and their 100 year floodplains: the Gunnison River downstream of the Uncompahgre River confluence, the Colorado River downstream of the exit 90 north bridge from I-70, the White River downstream of Rio Blanco Dam, the Green River downstream of the Yampa River confluence, and the Yampa River downstream of the Colo 394 bridge.
6. **“Direct connection”** means waters in the Upper Colorado River Basin that flow directly into critical habitat. This does not include reservoirs, and waters above such reservoirs, where fish escapement has been addressed according to a management plan approved by the Division.
7. **“Drainages”**- means sub-sets of the USGS hydrologic code system as set forth in the Hydrologic Unit Maps (U.S. Geological Survey Water Supply Paper 2294, U.S. Dept. of Interior U.S. Geological Survey, 1974, State of Colorado section reprinted 1992). This document, but not later amendments or editions, have been incorporated by reference and can be viewed and copies obtained at the Division as set forth in the “Incorporated References” section of Chapter 0 of these regulations.
8. **“Food Production Facility”** – means any operation which raises or produces fish or crustacean for the purpose of human consumption that the Division, after consultation with the Colorado Fish Health Board, has determined possesses a biosecurity plan and ensures that such fish or crustacean never escapes the facility live.
9. **“Gametes”**- means eggs or sperm.
10. **“Inlets”** - means the bay or recess at the confluence of a stream with the surface of a lake or reservoir.
11. **“Isolated Water”**- means ponds, lakes, or reservoirs that have no outlet.
12. **“Myxobolus cerebralis intensity”** means average spore levels in salmonid fish as determined by standardized testing in accordance with the provisions of #014 Aquatic Wildlife Health Management.

13. **"Myxobolus cerebralis negative salmonid fish production facility"** means a facility in which *Myxobolus cerebralis* has never been found or in which *Myxobolus cerebralis* has been eliminated in accordance with the provisions of #014 Aquatic Wildlife Health Management.
14. **"Myxobolus cerebralis negative water"** means a lake, pond or coldwater stream segment sampled for a statistically valid number of fish that do not test positive for *Myxobolus cerebralis*, or a water that has not been tested and has not been stocked with salmonid fish from a *Myxobolus cerebralis* positive facility.
15. **"Myxobolus cerebralis positive water"** means a lake, pond or coldwater stream segment sampled and found to have salmonids that test positive for *Myxobolus cerebralis*, or which has been stocked with salmonid fish from a *Myxobolus cerebralis* positive facility.
16. **"Myxospore (spore)"** means the stage of *Myxobolus cerebralis* formed in the cartilage of infected fish which re-infects the alternate host, the *Tubifex tubifex* worm.
17. **"Nonsalmonid fish"** - means all species of fish and their hybrids that are not in the family Salmonidae.
18. **"Ordinary high water line"** – means the point where perennial, hydrophytic plant life converges with bare substrate (rock, gravel, sand, fines) or with substrate interspersed with annual vegetation.
19. **"Prevalence"** is the percentage of individuals in a population found to be infected with a pathogen as determined by standardized testing in accordance with the provisions of #014 Aquatic Wildlife Health Management.
20. **"Qualified fish pathologist"** means an individual who meets professional standards as set forth by the CPW and who conducts inspections as set forth in #014 Aquatic Wildlife Health Management.
21. **"Salmonid fish"** - means all species of fish and their hybrids in the family Salmonidae, including but not limited to trout, salmon, char, whitefish, and grayling
22. **"Salmonid fish production facility"** - means one or more lakes, ponds, raceways, tanks or other containers in a single location and under the same ownership and management in which salmonid fish are reared for eventual live shipment or release.
23. **"Salmonid habitat"** means any water that supports, is capable of supporting, or is upstream of a water that supports a self-sustaining population of trout, salmon, char, whitefish, or grayling; and includes the drainages listed in Appendix D.
24. **"Spore concentration technique (SCT)"** means tests conducted according to:
  - a. *"Myxosoma cerebralis: Isolation and Concentration from Fish Skeletal Element – Sequential Enzymatic Digestion and Purification by Differential Centrifugation"*, Maria E. Markiw and Ken Wolf, Journal Fisheries Research Board of Canada, Volume 31, No. 1, 1974., or
  - b. *"Whirling Disease Myxobolus cerebralis Spore Concentration using the Continuous Plankton Centrifuge"*, Joseph J. O'Grodnick, Journal of Wildlife Diseases Volume 11 pp 54-57, 1975.

These documents, but not later amendments or editions, have been incorporated by reference and can be viewed and copies obtained as set forth in the "Incorporated References" section of Chapter 0 of these regulations.

25. "**Triactinomyxons (TAMS)**" are a stage of *Myxobolus cerebralis* formed in the gut lining of the *Tubifex tubifex* (tubifex) worm, and which are then released into the water column and re-infect fish with *Myxobolus cerebralis*.
26. "**Upper Colorado River Basin**" - means that portion of the Colorado River drainage that lies within the boundaries of the State of Colorado. This includes all waters in the Yampa, White, Gunnison, Dolores, San Juan, and Colorado River basins.
27. "**100-year floodplain**"- for the upper Colorado River Basin means river floodplain 5.5 vertical feet above the ordinary high water line (OHWL).

**C. Definitions related to Terrestrial Species or Wildlife Health**

1. "**Pelt**" means the skin of a furbearer with pelage intact on the skin.

**ARTICLE II - LICENSE TYPES AND REQUIREMENTS**

**#001 - Hunt Codes**

- A. Hunt Codes are a series of eight sequential letters and numbers which denote the species, sex of animal, unit number, season, and hunt type for each choice shown on the application:
  1. Species - The first character of the hunt code is a letter denoting species:
    - A for pronghorn
    - B for black bear
    - C for desert bighorn sheep
    - D for deer
    - E for elk
    - G for mountain goat
    - H for small game or furbearer
    - L for mountain lion
    - M for moose
    - P for greater prairie-chicken
    - S for rocky mountain bighorn sheep
    - T for wild turkey
  2. Sex of Animal - The second character of the hunt code is a letter denoting the sex of the animal for which the license is valid:
    - E for either-sex (antlerless or antlered) of animal, as defined in #200
    - F for antlerless or doe animals, as defined in #200
    - M for antlered or buck animals, as defined in #200
  3. Unit Number - The third through fifth characters are numbers denoting the unit or group of units in which the license is valid. Units are numbered sequentially beginning with the number 1. Zeros appear before the unit number when it is less than three characters in length, i.e. 001, 023, etc. Where the license is valid in more than one unit, the lowest numbered complete unit in the group is used, and the season table shows the complete list of valid units or portions thereof. When the limited license is valid statewide, the unit number is 000. In the case of sheep and goat, the three characters are a letter denoting the species (C, S, or G) followed by the two digit unit number.
  4. Season Dates or Type - The sixth and seventh characters are a letter and number (0 and up) or two numbers (1 and up) denoting the season and hunt number within the season type (chronologically):

A	for auction season/licenses + number
---	--------------------------------------

C	for private (match for public) combined ranches Ranching for Wildlife licenses + number, Novice Adult Hunter Outreach licenses on Ranching for Wildlife ranches + number
D	for game damage or distribution management hunts + number
E	for early seasons + number
F	for East of I-25 Family Only Landowner Pilot seasons + number, for replacement license for CWD positive animals + number
H	for seasons for hunters with mobility impairments /licenses + number
J	for public combined ranches Ranching for Wildlife licenses + number
K	for youth only season/licenses + number
L	for late seasons + number
M	for private (match for public) Ranching for Wildlife licenses + number or for private Bighorn Sheep Access Program licenses
N	for private (match for public) special population Ranching for Wildlife licenses + number
O	for combined or regular seasons + number
P	for private land only (PLO) seasons + number (when simultaneous with a regular season, uses the same number as the regular season)
R	for Raffle season/licenses + number, or TIPs license + number, or Novice Adult Hunter Outreach licenses + number
S	for split seasons (either by time, location, or other listed criteria) + number
T	for trapping season/licenses + number
U	for over the counter licenses
W	for public Ranching for Wildlife licenses or for public Bighorn Sheep Access Program licenses
X	for public special population Ranching for Wildlife licenses + number
Y	for experimental seasons + number
Z	for disease management hunts + number

5. Manner of Take - The eighth character is a letter denoting the manner of take:

A for archery only

F for hawking only

M for muzzle-loading only

R for rifle and associated methods (all legal methods)

X for Season Choice licenses, applicable manner of take restrictions apply

6. Preference Point Only Hunt Codes - When applicants wish to apply for a preference point only, the hunt codes are: Deer (DP99999P), Elk (EP99999P), Pronghorn (AP99999P), Mountain Goat (GP99999P), Rocky Mountain Bighorn Sheep (SP99999P), Moose (MP99999P), Spring Wild Turkey (TM99999P), Fall Wild Turkey (TE99999P) or Bear (BP99999P).

**#002 - License Requirements**

A. Except as otherwise provided by these regulations any person who takes or possesses any wildlife shall have in possession the appropriate and valid Colorado resident or non-resident license as provided in §33-4-102, C.R.S. and shall only take wildlife of the species and type as indicated on the license. In addition to the required license, the taking of some species may also require a permit.

B. Except as otherwise provided, any person who hunts or fishes in Colorado shall have in possession the appropriate and valid Colorado resident or nonresident hunting, fishing or furbearer license including a customer identification number.

A customer identification number is not required for the following license categories:

1. Senior Lifetime licenses issued prior to 1990.
  2. Senior Lifetime Low-Income licenses issued prior to 1994.
- C. Except for ~~state or federal waterfowl stamps or~~ licenses that require a carcass tag, all other telephone or internet license sales where a physical license is requested to be mailed or picked up at an agent by the customer will be issued a Temporary Authorization Number (TAN). This number allows the license holder to exercise the benefits of that license prior to receiving ~~or picking up the~~ physical license ~~in the mail, but not to exceed 14 days from the date of purchase~~. Any person who purchases a 1 or 5 day license by phone or internet will not ~~be issued receive~~ a physical license ~~in the mail~~ unless the valid dates for the license are more than fourteen days out from the date of purchase.
- D. All annual resident and nonresident licenses authorized in 33-4-102 (1.4), C.R.S., including fishing, small game hunting, furbearer, and combination fishing and small game hunting shall be valid and otherwise in effect from March 1st to March 31st of the following year.
- ~~a.~~ 1. The Colorado wildlife habitat stamp shall be valid and otherwise in effect for the same license year as the license to which it was originally associated. If purchased independently of a license, the Colorado wildlife habitat stamp shall be valid and otherwise in effect from March 1<sup>st</sup> to March 31<sup>st</sup> of the following year.
- E. Except as otherwise provided in these regulations, any person who hunts or fishes in Colorado shall be physically present in the immediate vicinity of the activity. Internet or other computer-assisted remote hunting or fishing is prohibited.
- F. Any person who hunts big game or turkey in a game management unit, or portions thereof, for which the Wildlife Commission has established limited license quotas must have a limited license valid for that unit. General season, over-the-counter licenses may not be used in a limited license unit unless validated by the Division.
- G. Any person possessing a license or permit restricted to a specific game management unit or portions thereof, may only hunt that unit or area for which his license or permit is issued.
- H. Duplicate small game, fishing, furbearers, senior citizen lifetime licenses and combination small game licenses may be obtained from the Division by submitting an affidavit on forms provided by the Division and payment of a \$5.00 fee. All other license duplicates may be obtained from the Division by submitting an affidavit on forms provided by the Division and payment of a fee of fifty percent of the cost of the original license, not to exceed \$25.00.
- I. All license exchanges will be charged a fee of fifty percent of the cost of the original license, not to exceed \$25.00.
- J. Any person who is authorized to hunt, fish or trap wildlife in Colorado pursuant to a permit issued by the Division shall comply with all of the terms and conditions of that permit.
- K. The Director is hereby authorized to issue the following licenses.
1. Licenses for law enforcement investigative purposes to District Wildlife Managers, U.S. Fish & Wildlife (USFWS) Service Special Agents, or other persons cooperating with them or otherwise participating in a wildlife-related law enforcement activity authorizing them to hunt or fish as an appropriate element of an investigation of violation of Articles 1 through 6 of Title 33 of the Colorado Revised Statutes, regulations issued pursuant thereto, or federal wildlife laws; provided however, that no wildlife shall be taken with such a license if the taking would jeopardize the maintenance of populations at viable self-sustaining levels.

A written report shall be provided by the Director to the Wildlife Commission annually

specifying the total number of licenses issued under this authority during the previous calendar year.

#### **L. Turning In Poachers (TIPS) Reward Program**

1. The Director is authorized to award licenses and preference points in accordance with this regulation to otherwise eligible persons that report the illegal take or possession or willful destruction of big game or turkey in Colorado to the Division.
2. Any person who voluntarily provides information that results in a person being charged with the illegal take or possession of big game or turkey may be awarded a preference point for the wildlife species of their choice or an over-the-counter license for the same species reported. As an alternative to the above reward options, and except as provided below, any person who voluntarily provides information that results in a person being charged with willful destruction of big game or turkey or assessment of a § 33-6-109(3.4), C.R.S., penalty may be awarded a limited license for the same species and unit reported.
  - a. In limited license units where less than 10 licenses (total) are allocated annually for all manners of take, only one reward license can be issued in any three year period.
  - b. In limited license units where less than 20 licenses (total) are allocated annually for all methods of take, only one reward license may be issued per year.
  - c. In limited license units where the reward license has already been issued the person may:
    1. wait until the next reward license in that unit is available, or
    2. select another limited license unit for which a reward license is available.
  - d. If the violation(s) reported occurred within a game management unit, which is closed to hunting the species reported, the person may select another limited license unit for which a reward license is available.
3. Limited licenses awarded as part of the TIPS Reward Program shall be in addition to the number of licenses generally available through or allocated as part of the Division's limited license draw.
4. Licenses for use on properties participating in the Division's Ranching for Wildlife program are not available as part of the TIPS Reward Program.
5. Licenses awarded as part of the TIPS Reward Program do not confer or otherwise guarantee access to any property for the purpose of exercising the benefits of the license. Securing such access is the responsibility of the license holder.
6. Except as provided in 2(c)(1), all licenses awarded as part of the TIPS Reward Program must be for a season occurring within 18 months of the final judicial disposition of the charges.
7. Licenses and preference points issued as part of the TIPS Reward Program are nontransferable.
8. For the purposes of the TIPS Reward Program, "charging" means the issuance of a penalty assessment or summons and complaint and such charging decision is at the sole discretion of the investigating officer or District Attorney.

9. While conviction is not necessary to support the awarding of a preference point or license, no applications for TIPs rewards will be accepted and no such rewards will be issued until final judicial disposition of the charges.
10. Only one TIPs reward will be issued per poaching incident, no matter how many animals are illegally taken. Further, if more than one person reports the violation(s) and files an application, the TIPS reward will be awarded to the person the Director finds to have provided the most pertinent information regarding the violation.
11. Applications for TIPs rewards must be made on forms provided by the Division, must be filed within 90 days of the judicial disposition of the charges and all applicants are subject to the following eligibility requirements:
  - a. To be eligible for a TIPs reward, a person must voluntarily come forward and report the violation, and must be willing to testify, and testify if requested, in any subsequent criminal prosecution. Information obtained through criminal investigation or court process is not considered "voluntary" for the purposes of the TIPs Reward Program.
  - b. A person is eligible for only one TIPs reward per year.
  - c. A person is ineligible to receive a TIPs reward if they have received any other reward for reporting the violation(s), including but not limited to a monetary payment under the Operation Game Thief program.
  - d. A person must be eligible to apply for, possess or exercise the benefits of any license or preference point conferred through the TIPs Reward Program and must otherwise comply with all other generally applicable hunting requirements and restrictions.
  - e. All Division employees, and peace officers that report violation(s) to the Division as part of their law enforcement duties, are ineligible for the TIPs Reward Program.

#### **M. Terrestrial Invasive Species**

1. The following terrestrial invasive species are hereby declared to be detrimental to Colorado's wildlife and habitat. They may be seized, captured or destroyed by the Division or its authorized agents whenever and wherever found.
  - a. Feral hog
  - b. Eurasian collared-dove
  - c. European starling
  - d. House (English) sparrow
2. No license is required for a person to hunt or take terrestrial invasive species. However, commercial hunting or taking of terrestrial invasive species is prohibited. No person shall receive compensation or attempt to receive compensation from the hunting of terrestrial invasive species in Colorado. Terrestrial invasive species may be taken year-round in any number by any method allowed for the take of big or small game. In addition, terrestrial invasive species may be taken at night with the use of artificial light and night vision equipment.
  - a. Except when counted as part of the bag and possession limit for doves in #508 of these regulations, while in the field and during transport all Eurasian collared-doves shall be fully feathered.
3. Except as authorized in writing by the Director when such release is determined to be biologically non-detrimental to Colorado's wildlife and habitats, no person shall release terrestrial invasive species or hybrids of terrestrial invasive species in

Colorado for the purpose of allowing them to run at large or otherwise facilitate the distribution or abundance of these species in Colorado.

#### N. Hunter Education

1. For the purpose of this regulatory provision, the following terms have the following definitions:
  - a. **“Active Duty”** means a person who is a full time employee of a U.S. military service branch under the Department of Defense and can be deployed at any time.
  - b. **“National Guard”** means the Army National Guard or Air National Guard that is part of an organized militia of any state within the United States of America. National Guard members are not considered active duty military personnel.
  - c. **“Reserve Duty”** means a person who is trained and qualified by a U.S. military Reserve Component to be available for active duty in the armed forces when needed. Reserve members are not considered active duty military personnel.
  - d. **“Veteran”** means a person who served in the Active Duty or Reserve Duty military or the National Guard and who was discharged or released from such service under conditions other than dishonorable.
2. As authorized and in accordance with §33-6-107(8) and §33-6-107(10) C.R.S, these regulations establish requirements for Colorado’s hunter education certification program. Hunter education classes within this state must include a minimum of 10 hours of instruction, including, but not limited to, the topics of wildlife management, wildlife identification, firearms safety, ethics, and laws and regulations. A portion of the course curriculum must also include hands-on activities where students demonstrate, at a minimum, safe firearms handling and a live fire exercise. Students must also pass a written test to successfully complete the course. Except as provided in regulation #002(N)(3) below, any person born on or after January 1, 1949, must have a valid hunter education certificate prior to hunting, trapping, or purchasing any hunting license in accordance with §33-6-107(8) and §33-6-107(10) C.R.S.
3. Allowable hunter education course delivery options and methods are as follows:
  - a. Traditional class- 10 hours, minimum, in a standard classroom setting that includes hands-on learning activities. Additional time beyond the 10 hour requirement is also necessary to complete the written test and live fire exercise.
  - b. Internet course with conclusion class- The internet portion of the class is credited with 6 hours of study. A 4-6 hour, in-person, conclusion class is required and will cover laws and regulations, wildlife identification, and hands-on firearms activities. Additional time beyond the 4-6 hour requirement is also necessary to complete the written test and live fire exercise.
  - c. A person age 50 and older may complete a one-time test-out of the hunter education certification requirements by passing a timed hunter education test online with a score of 90% or above. This online test can only be taken once.
  - d. U.S. military veterans, active duty, reserve duty and National Guard members may complete a one-time test-out of the hunter education certification requirements by passing a timed hunter education test online with a score of 90% or above. This online test can only be taken once. Military personnel must bring test certificate and military identification to a CPW office to verify military status and obtain a hunter education certificate. To qualify, a veteran must be discharged under conditions other than dishonorable. Acceptable forms of military identification include:
    - i. DD 214;

- ii. DD Form 2;
  - iii. DD Form 2765;
  - iv. Active, retired, veteran military identification card;
  - v. A current Colorado Drivers License or state issued identification card with the word “veteran” printed on it as specified in 42-2-303(5)(a) C.R.S.;
  - vi. VA medical card.
4. Exceptions to the hunter education certification requirements are as follows:
- a. A person 10 years of age or older who obtains an apprentice certificate. An apprentice certificate can only be obtained once and is valid for a one year period, identified as April 1-March 31 annually. Apprentice certificate holders must be personally accompanied by, and in voice and visual contact with a mentor while hunting. A mentor may oversee no more than 2 apprentices at a time and must carry proof of hunter education and age while in the field.

## O. Antler and Horn Collection

These regulations govern the collection of shed antlers, shed horns, or antlers or horns naturally attached to skull plates.

1. On any lands east of I-25, any person may, with lawful access, collect shed antlers or horns at any time. On private lands west of I-25, any person may, with lawful access, collect shed antlers or horns at any time. Public lands west of I-25 are closed to collection from January 1 through April 30, annually. On public lands west of I-25, any person may collect shed antlers or horns from May 1 through December 31, annually, except in GMUs 54, 55, 66, 67, and 551 where the collection of shed antlers or horns shall further be prohibited between legal sunset and 10:00 AM from May 1 through May 15 annually.
2. Possession of antlers or horns on public lands west of I-25 from January 1 through April 30 is prohibited. Possession of antlers or horns on public lands in GMUs 54, 55, 66, 67, and 551 between legal sunset and 10:00 AM from May 1 through May 15 annually is prohibited. Possession of antlers or horns on private property without lawful access is prohibited. Each antler or horn will be treated singularly for the purpose of this regulation, unless naturally attached together on a skull plate.
3. For the purpose of this regulatory provision, the following terms have the following definitions:
  - a. “**Antlers**” means the bony, deciduous appendages protruding from the heads of members of the deer family (Cervidae), including deer, elk, and moose.
  - b. “**Collect**” means to search for, locate, stockpile, or possess shed antlers, shed horns, or antlers or horns naturally attached to skull plates of big game animals on public land or attempt to search for, locate, stockpile, or possess shed antlers, shed horns, or antlers or horns naturally attached to skull plates of big game animals on public land.
  - c. “**Horns**” means the hard, permanent or deciduous appendages protruding from the heads of bighorn sheep, mountain goats, or pronghorn.
  - d. “**Public land(s)**” means federal lands and lands owned or administered by the Division.
  - e. “**Shed antler**” or “**shed horn**” means one or more antlers and/or horns having become naturally separated from the skull.

## P. Wildlife License Prices

Upon the effectiveness of SB 18-143, wildlife license prices will remain at the price provided in Appendix F, until further amended by regulation.

## Q. Lifetime Resident Licenses

1. **Veterans Resident Lifetime License** - Any resident of the state who has received a purple heart for service in the United States armed forces or who is a disabled veteran as defined in state statute 33-4-104 (3) (b) may obtain, free of charge, a veterans resident lifetime combination small game hunting and fishing license, pursuant to 33-4-104 (3), C.R.S. The lifetime license will only remain valid as long as the individual maintains their Colorado residency as defined in 33-1-102 (38) (a), C.R.S.
  - a. In order to qualify for a veterans resident lifetime combination license, a resident must provide the following written proof to the Division:
    - i. A letter from the Veterans Administration indicating a 60% or greater overall-combined rating for service connected disability; or
    - ii. A Purple Heart award certificate; or
    - iii. A DD214 Form from the United States Defense Department showing decoration of a Purple Heart.
  - b. Proof of hunter education certification is also required for the small game hunting component of this license. A veterans resident lifetime fishing license alone will be issued in the absence of hunter education certification, until such certification is provided to the Division.
2. **Disabled Resident Lifetime Fishing License** – Any resident of the state who is totally and permanently disabled may obtain, free of charge, a disabled resident lifetime fishing license. The lifetime license will only remain valid as long as the individual maintains their Colorado residency as defined in 33-1-102 (38) (a), C.R.S.
  - a. In order to qualify for a disabled resident lifetime fishing license, a resident must provide the following written proof to the Division:
    - i. A “Final Admission of Liability” form from the Division of Workers Compensation that indicates a total and permanent disability; or
    - ii. A fully completed Division “Physician’s Affidavit” signed by a licensed physician attesting that the resident meets the definition of a total and permanent disability. A “**total and permanent disability**” shall mean any physical or mental impairment which prevents substantial gainful employment, but only if it is reasonably certain that such a disability will continue throughout the lifetime of the disabled person.
3. **First Responder Resident Lifetime License** - Any resident of the state who is a first responder with a permanent occupational disability as defined in state statute 33-4-104.5 (2) may obtain, free of charge, a lifetime resident combination small game hunting and fishing license. The lifetime license will only remain valid as long as the individual maintains their Colorado residency as defined in 33-1-102 (38) (a), C.R.S.
  - a. In order to qualify for a first responder lifetime combination license, a resident must provide the following written proof to the Division:
    - i. The “Initial Disability Administration Decision” form from the Fire and Police Pension Association that specifies a permanent occupational disability; or
    - ii. For residents that are not members of the Fire and Police Pension Association, a fully completed Division “First Responder Affidavit” signed by

the applicant attesting to the fact that their permanent disability or disease was obtained while on active-duty.

- b. Proof of hunter education certification is also required for the small game hunting component of this license. A first responder resident lifetime fishing license alone will be issued in the absence of hunter education certification, until such certification is provided to the Division.

**Basis and Purpose:**

**Creation of a senior combination fishing and small game hunting license**

Previously, residents younger than age 65 could purchase a small game and fishing combination license at a discounted price, but after age 65 they had to purchase two separate licenses. In response to a citizen petition, a senior (age 65 and older) small game and fishing combination license has been created. The Commission has the statutory authority to offer discounted combination licenses (C.R.S. 33-4-102 (1.6)(a)(I)).

**Modifying the definition of license to include electronic licenses**

The Parks and Wildlife Commission has instructed staff to examine utilizing electronic licenses (e-licenses) through an app or other mechanism. To allow for this, the definition of "license" has been updated to include electronic licenses. This change sets the stage for further regulatory changes, as new electronic license types are developed.

**Adding the letter "X" to the list of hunt code manners of take to denote season choice licenses**

Previously, CPW listed Season Choice licenses, which allow hunters to hunt any or all of the major archery, muzzleloader and regular rifle seasons until the license is filled, using hunt codes ending with the letter "R" for the manner of take, but this has been confusing for some hunters. To better differentiate these Season Choice licenses from regular rifle hunts, the letter "X" has been added to the list of manners of take in regulation #001(A)(5) and the corresponding hunt codes have been updated.

**Allowing the use of a TAN (Temporary Authorization Number) as valid documentation of Colorado Waterfowl and Federal Duck Stamp purchase for up to 14 days from the date of purchase**

In 2008, the Commission approved using an electronic stamp and a unique code as proof of purchase of the Federal Duck Stamp for up to 45 days before receiving the physical copy in the mail. In 2017, the Commission approved allowing a TAN be issued for all telephone or internet sales, except for state or federal waterfowl stamps or licenses that require a carcass tag, which allows the license holder to use the license prior to receiving it in the mail. These two regulations were confusing and inconvenient for waterfowl hunters, who previously either had to purchase the Waterfowl stamp early and wait for a physical copy to be delivered or went to a CPW license agent to buy it. Regulations W-0 002.C and related regulations in W-5 503.B have been changed to allow a TAN to be used for both Colorado Waterfowl and Federal Duck Stamps for up to 14 days from the date of purchase, until the purchaser receives the physical license.

**Updating the counties listed for the boundary description of GMUs 20 and 521**

Regulations in W-0 024.B list which counties are associated with each GMU. A recent review revealed the need to add Weld County to Unit 20 and the need to delete Saguache County and add Delta County to Unit 521.

**Modifying the GMU boundaries for S-11, S-13, S-17 and S-26 to follow roads and trails instead of river drainages**

Previously GMU boundaries in this area differed slightly between bighorn sheep (rivers/streams) and mountain goats (trails/roads). To make the boundaries consistent, the bighorn sheep boundaries in S-11, S-13, S-17 and S-26 have been modified to follow the mountain goat boundaries (trails/roads).

**Combining mountain goat units G-3 and G-13 into a single GMU that matches the current boundary for sheep unit S-11 and updating the related hunt codes**

Over the last 10 years, the number of goats in G-3 has been declining and the number of goats in G-13 has been stable or increasing. Given no biological reason the units should be separated, these units have been combined into a single unit (G-3) that overlaps the bighorn sheep unit S-11 and the corresponding hunt codes have been updated.

**FINAL REGULATIONS - CHAPTER W-3 - FURBEARERS and SMALL GAME, EXCEPT MIGRATORY BIRDS**

**ARTICLE I - GENERAL PROVISIONS**

**#300 - Definitions**

- A. **"Canada Lynx Recovery Area"** means the area of the San Juan and Rio Grande National Forests and associated lands above 9,000 feet extending west from a north-south line passing through Del Norte and east from a north-south line passing through Dolores and from the New Mexico state line north to the Gunnison basin (including Taylor Park east to the Collegiate Range). The GMUs included in the area are: 55, 65, 66, 67, 68, 70, 71, 74, 75, 76, 77, 78, 79, 80, 81, 551, 681, 711 and 751.
- B. **"Furbearers"** means those species with fur having commercial value and which provide opportunities for sport harvest including mink, pine marten, badger, red fox, gray fox, swift fox, striped skunk, western spotted skunk, beaver, muskrat, long-tailed weasel, short-tailed weasel, coyote, bobcat, opossum, ring-tailed cat and raccoon.
- C. **"Live Trap (Cage or Box)"** means a mechanical device designed in such a manner that the animal enters the trap through an opening that prevents the animal from exiting.
- D. **"Small game, except migratory birds,"** means:
  - 1. **Game birds**, including dusky grouse, Greater Sage-grouse, Gunnison Sage-grouse, mountain sharp-tailed grouse, white-tailed ptarmigan, pheasant, northern bobwhite, scaled and Gambel's quail, chukar partridge, Greater prairie-chicken and wild turkey; and
  - 2. **Game mammals**, including cottontail rabbit, snowshoe hare, white-tailed and black-tailed jackrabbit, fox squirrel, pine squirrel, marmot, and Abert's squirrel; and
  - 3. **Other small game**, including black-tailed, white-tailed and Gunnison prairie dogs, Wyoming (Richardson's) ground squirrel, prairie rattlesnake, and common snapping turtles.

NOTE: "Migratory Birds" is defined in regulation #500(A).

- E. **"Traps specifically designed not to kill"** means padded, laminated, or off-set steel jawed foothold traps, enclosed foothold, box traps, and cage traps, as conditioned elsewhere in these regulations.

**#301 - LICENSE FEES**

**A. Furbearer License Fee**

**1. Furbearer License Fee Reduction:**

In accordance with the provisions of §33-4-102, C.R.S., the following furbearer license fees shall be reduced to the fee specified herein, from the level set forth in §33-4-102, C.R.S.:

License Type	License Fee
--------------	-------------

Nonresident Furbearer	\$81.03
-----------------------	---------

**B. Resident senior combination fishing and small game hunting license fee**

- 1. Resident senior combination fishing and small game hunting license fee reduction:**  
In accordance with the provisions of §33-4-102, C.R.S., the following combination license shall be created with a reduced fee specified herein, from the level set forth in §33-4-102, C.R.S.:

<b><u>License Type</u></b>	<b><u>License Fee</u></b>
<u>Resident senior combination fishing and small game hunting license</u>	<u>\$28.00</u>

**Basis and Purpose:**

**Creation of a senior combination fishing and small game hunting license**

Previously, residents younger than age 65 could purchase a small game and fishing combination license at a discounted price, but after age 65 they had to purchase two separate licenses. In response to a citizen petition, a senior (age 65 and older) small game and fishing combination license has been created. The Commission has the statutory authority to offer discounted combination licenses (C.R.S. 33-4-102 (1.6)(a)(I)).

**FINAL REGULATIONS - CHAPTER W-5 - MIGRATORY BIRDS**

**ARTICLE I – GENERAL PROVISIONS**

**#500 – DEFINITIONS:**

- A. "Migratory birds" means those migratory birds included in the terms and conventions between the United States and any foreign country for the protection of migratory birds.
- B. "Migratory game birds" means sora, Virginia rail, sandhill crane, Wilson's snipe, mourning dove, white-winged dove, band-tailed pigeon, crows, ducks, coots, and geese.
- C. "Waterfowl" means ducks and geese.
- D. "Dark geese" means Canada geese, white-fronted geese, brant, cackling geese and all other species of geese except light geese.
- E. "Light geese" means snow (including blue) geese, and Ross' geese.
- F. "Manipulation" means the alteration of natural vegetation or agricultural crops by activities that include but are not limited to mowing, shredding, discing, rolling, chopping, trampling, flattening, burning, or herbicide treatments. Manipulation does not include the distributing or scattering of grain, seed, or other feed after removal from or storage on the field where grown.
- G. "Natural vegetation" means any non-agricultural, native, or naturalized plant species that grows at a site in response to planting or from existing seeds or other propagules. Natural vegetation does not include planted millet. However, planted millet that grows on its own in subsequent years after the year of planting is considered natural vegetation.
- H. "Normal agricultural operation" means a normal agricultural planting, harvesting, post-harvest manipulation or agricultural practice that is conducted in accordance with 50 C.F.R. 20.11 (U.S. Fish and Wildlife Service, October 1, 2013).
- I. "Normal agricultural planting, harvesting, or post-harvest manipulation" means a planting or harvesting undertaken for the purpose of producing and gathering a crop, or manipulation after such harvest and removal of grain, that is conducted in accordance with 50 C.F.R. 20.11 (U.S. Fish and Wildlife Service, October 1, 2013).
- J. "Normal soil stabilization practice" means a planting for agricultural soil erosion control or post-mining land reclamation conducted in accordance with 50 C.F.R. 20.11 (U.S. Fish and Wildlife Service, October 1, 2013).
- K. "Non-toxic shot" means any shot type approved for use to take migratory game birds by the US Fish and Wildlife Service in 50 C.F.R. 20.21, November 6, 2017. This federal regulation, but not later amendments to or editions thereof, has been incorporated by reference and can be viewed and copies obtained as set forth in the "Incorporated References" section of Chapter 0 of these regulations.
- L. "Sinkbox" means a raft or any type of low floating device having a depression which affords a hunter a means of concealing himself below the surface of the water.

**#501 – HUNTING HOURS**

- A. One-half (1/2) hour before sunrise to sunset, except as otherwise provided in this chapter.

## **#502 – MANNER OF TAKING**

The following are legal methods of take for game species listed in this chapter. Any method of take not listed herein shall be prohibited, except as otherwise provided by statute or Commission regulation.

- A. Waterfowl and other migratory game birds:
  - 1. Shotgun - Any shotgun not larger than 10 gauge, not firing single slugs and incapable of holding more than three (3) shells in the magazine and chamber combined and fired from the shoulder. Shotguns of any description originally capable of holding more than three (3) shells total capacity shall have the magazine so cut off, altered or plugged with a one-piece filler which is incapable of removal without disassembling the gun, so as to reduce the total gun capacity to hold no more than three (3) shells in the magazine and chamber combined.
  - 2. Hand-held bow - With any hand-held bow provided that the arrow or bowstring is not held or drawn mechanically, except no bows may be used on any firing line designated by the Commission.
  - 3. Blinds - In the open or from a blind or other place of concealment on land or water except a sink box. When camouflaged with vegetation from agricultural crops, such camouflaging must not result in the exposing, depositing, distributing or scattering of grain or other feed.
  - 4. Vessels - From or by means of any vessel (excluding a sinkbox) having a motor or sails attached when the motor has been shut off and/or the sails furled, and its progress therefrom has ceased or from a vessel that is drifting or being propelled by hand, or by the aid of a vessel when used solely as a means of picking up dead or injured birds.
  - 5. Hawking or Falconry - By means of hawking or falconry.
  - 6. Decoys, dogs, and calls - By the aid of a dog, artificial decoys, or with the aid and use of birdcalls except recorded or electrically amplified calls or sounds, unless their use has been authorized elsewhere in this chapter.
- B. Non-toxic shot requirements
  - 1. Shot size - No person shall possess or use non-toxic shot of size larger than size T while taking or attempting to take ducks, geese, or coots anywhere in Colorado.
  - 2. Statewide, including all counties in Colorado in both the Central and Pacific flyways;
    - a. No person shall use or possess shot (either in shot-shells or as loose shot for muzzle-loading) other than non-toxic shot while taking or attempting to take ducks, geese or coots.
  - 3. Non-toxic shot is required on commercial wildlife parks, during field trials, and during dog training activities when taking captive-reared mallards in Colorado.
- C. Prohibition of baiting
  - 1. Migratory game birds and waterfowl may not be taken by the aid of baiting, or on or over any baited area, if the person knows or reasonably should know that the area is a baited

area. It is unlawful to place or direct the placement of bait on or adjacent to an area for the purpose of causing, inducing, or allowing any person to take or attempt to take any migratory game bird by the aid of baiting or on or over the baited area.

2. As used in this sub-paragraph "baiting" means the direct or indirect placing, exposing, depositing, distributing or scattering of salt, grain, or other feed that could serve as a lure or attraction for migratory game birds to, on or over any areas where hunters are attempting to take them. "Baited area" means any area on which salt, grain, or other feed has been placed, exposed, deposited, distributed, or scattered, if that salt, grain, or other feed could serve as a lure or attraction for migratory game birds to, on, or over areas where hunters are attempting to take them. Any such area will remain a baited area for ten days following the complete removal of all such salt, grain, or other feed.
3. Nothing in this regulation shall prohibit the taking of any migratory game bird, including waterfowl, coots, and cranes, on or over the following lands or areas that are not otherwise baited areas:
  - a. Standing crops or flooded standing crops (including aquatics); standing, flooded, or manipulated natural vegetation; flooded harvested croplands; or lands or areas where seeds or grains have been scattered solely as the result of a normal agricultural planting, harvesting, post-harvest manipulation or normal soil stabilization practice; or standing or flooded standing agricultural crops where grain is inadvertently scattered solely as a result of a hunter entering or exiting a hunting area, placing decoys, or retrieving downed birds.
4. Nothing in this regulation shall prohibit the taking of any migratory game bird, except waterfowl, coots, and cranes, on or over the following lands or areas that are not otherwise baited areas:
  - a. Areas where grain or other feed has been distributed or scattered solely as the result of the manipulation of an agricultural crop or other feed on the land where grown, or solely as the result of a normal agricultural operation.

### **#503 – LICENSE AND STAMP REQUIREMENTS**

#### **A. License required**

1. A small game license is required to take all migratory game birds listed in #500(B) for which an open season exists.
2. Each hunter must call 1-866-COLOHIP (1-866-265-6447) or register online ([www.colohip.com](http://www.colohip.com)) prior to their first hunting trip of the season to register their intent to hunt migratory birds, and to obtain permit numbers if hunting sandhill cranes, and to provide harvest information for the previous season. "Season" means the period September 1 through March 15.

#### **B. Federal Migratory Bird Hunting and Conservation Stamp**

Except as otherwise provided in this chapter, no person who has attained the age of sixteen (16) years shall take any migratory waterfowl (ducks, geese and swans) unless at the time of such taking they have on their person an unexpired Federal Migratory Bird Hunting and Conservation Stamp (commonly called duck stamp), ~~validated by their signature written across the face of the stamp in ink, or an~~ an electronic stamp license issued through the Integrated Parks and Wildlife System (IPAWS) Total Licensing System that provides a receipt as proof of purchase. ~~This proof of purchase~~ is ~~contains a unique code~~ given to the purchaser instantly, and constitutes valid proof of purchase of a Federal Migratory Bird Hunting and Conservation Stamp for a period not to exceed 45 days from the date of purchase.

C. Colorado State Waterfowl Hunting Stamp

In addition to the Federal Migratory Bird Hunting and Conservation Stamp, no person who has attained the age of sixteen (16) years shall take any migratory waterfowl (ducks and geese) unless they possess and carry on their person a valid Colorado State Waterfowl Hunting Stamp, validated by their signature ~~on the license written, in ink, across the face of the stamp.~~

1. A Colorado State Waterfowl Stamp may be obtained for collection or personal purposes, but shall not serve as the required state stamp for waterfowl hunting purposes.

D. Band-Tailed Pigeon Permit

Beginning with the 2016 band-tailed pigeon hunting season, no hunter shall take any band-tailed pigeons unless at the time of such taking they have on their person an annual band-tailed pigeon permit in addition to a small game license. An annual band-tailed pigeon permit can be purchased for \$5.00.

**Basis and Purpose:**

**Allowing the use of a TAN (Temporary Authorization Number) as valid documentation of Colorado Waterfowl and Federal Duck Stamp purchase for up to 14 days from the date of purchase**

In 2008, the Commission approved using an electronic stamp and a unique code as proof of purchase of the Federal Duck Stamp for up to 45 days before receiving the physical copy in the mail. In 2017, the Commission approved allowing a TAN be issued for all telephone or internet sales, except for state or federal waterfowl stamps or licenses that require a carcass tag, which allows the license holder to use the license prior to receiving it in the mail. These two regulations were confusing and inconvenient for waterfowl hunters, who previously either had to purchase the Waterfowl stamp early and wait for a physical copy to be delivered or went to a CPW license agent to buy it. Regulations W-0 002.C and related regulations in W-5 503.B have been changed to allow a TAN to be used for both Colorado Waterfowl and Federal Duck Stamps for up to 14 days from the date of purchase, until the purchaser receives the physical license.

The statements of basis and purpose for these regulations can be viewed and copies obtained from the Colorado Division of Parks and Wildlife, Office of the Regulations Manager, Policy and Planning Unit, 1313 Sherman, Room 111, Denver, CO 80203.

**EFFECTIVE DATE - THESE REGULATIONS SHALL BECOME EFFECTIVE MARCH 1, 2020 AND SHALL REMAIN IN FULL FORCE AND EFFECT UNTIL REPEALED, AMENDED OR SUPERSEDED.**

**Basis and Purpose:**

**Combining mountain goat units G-3 and G-13 into a single GMU and updating the related hunt codes**

Over the last 10 years, the number of goats in G-3 has been declining and the number of goats in G-13 has been stable or increasing. Given no biological reason the units should be separated, these units have been combined into a single unit. This eliminates the GEG13O1R and GEG13O2R hunt codes and adds new hunt codes for the combined units, GEG03O1R (season starts the Tuesday after Labor day and includes two weekends) and GEG03O2R (starts after the first season ends and includes three weekends).

**Adding the letter "X" to the list of hunt code manners of take to denote season choice licenses**

Previously, CPW listed Season Choice licenses, which allow hunters to hunt any or all of the major archery, muzzleloader and regular rifle seasons until the license is filled, using hunt codes ending with the letter "R" for the manner of take, but this has been confusing for some hunters. To better differentiate these Season Choice licenses from regular rifle hunts, the letter "X" has been added to the list of manners of take in regulation #001(A)(5) and the corresponding hunt codes have been updated.
