Subject: West Slope Lion Plan Presentations for the July 16-17 Meeting

At the July 16-17, 2020 Parks and Wildlife Commission meeting, Terrestrial and Regional staff will be presenting the draft West Slope Mountain Lion Management Plan. A copy of the Draft management plan with five appendices is included in the mailing. In preparation for the meeting, we have recorded three "primer" presentations on aspects of the draft West Slope Lion Management Plan for viewing by Commissioners and the public. Each of the 4-9 minute presentations can be viewed individually by clicking on titles below. In addition, we have included the email addresses of the presenters if you have any follow-up questions ahead of the meeting. At the July Commission meeting, staff are scheduled to present more in-depth versions of these presentations as well as being available to address questions or comments from the Commission and the public.
