In order to qualify for an annual low-income Colorado State Wildlife Area Pass, an individual must show photo identification and provide written proof, in the form of a federal or state income tax return from the immediately preceding calendar year, that the federal taxable income of such individual is at or below one hundred percent of the official poverty line for an individual or a family, as appropriate to the applicant, defined by the federal office of management and budget based on federal bureau of the census data. If said tax return is not available, a return for the year immediately preceding such year shall suffice. If a person's income is at a level where such person is not required to file an income tax return, such individual shall sign a statement under penalty of perjury in the second degree to such effect. No such affidavit shall be required to be notarized.

The federal taxable income of such individual cannot be greater than the applicable guideline set forth in the Annual Update of the HHS Poverty Guidelines, 86 Fed. Reg. 7732-01 (February 1, 2021) issued by the U.S. Department of Health and Human Services, Office of the Assistant Secretary for Planning and Evaluation, Room 422F.5, Humphrey Building, Department of Health and Human Services, Washington, DC 20201. This federal guideline, but not later amendments to or editions thereof, has been incorporated by reference. AS APPROVED - 11/18/2021
Basis and Purpose
Chapter W-0 - General Provisions

Basis and Purpose:

Following the passage of the Hunting, Fishing, and Parks for Future Generations Act (SB 18-143), the Colorado Parks and Wildlife Commission has the authority to adjust most wildlife licenses annually with the Consumer Price Index (CPI).

Consumer Price Indices for the Denver-Aurora-Lakewood metropolitan statistical area (successor to the Denver-Boulder-Greeley statistical area) are compiled by the United States Bureau of Labor Statistics. CPI figures are reported bimonthly, in addition to the average CPI for the first half of the calendar year, the average CPI for the second half of the calendar year, and the average CPI for the entire calendar year. The chart below shows the average CPI for the first half of each year.

Consumer Price Index - All Urban Consumers	
Denver-Aurora-Lakewood Metropolitan Area	
First Half 2018	260.790
First Half 2019	264.147
First Half 2020	271.264
First Half 2021	276.290
Annual Percentage Change (2020 Base Year)	1.9%
Cumulative Percentage Change (Rounded) (2018 Base Year)	5.9%

The CPI calculation above yields the following fees as adjusted in regulation. The fees shown in the blue highlighted column are the statutory caps for each license fee. The Parks and Wildlife Commission may reduce these as appropriate through the rule-making process. Those licenses with reduced fees are shown in the yellow highlighted rows. For 2022, the Commission voted to increase all of the 2021 fees by the annual CPI (1.9%), except for the 1-day Colorado State Wildlife Area Pass, which was not increased with the CPI to keep its value (with associated fees) equal to the price of the daily state parks pass (\$9).
