## *Resolution – 20-02*

### *Regarding Rules to Implement S.B. 19-181 for Protection of Wildlife Resources*

---

**WHEREAS**, on April 16, 2019, Governor Jared S. Polis signed S.B. 19-181 into law, an act concerning additional public welfare protections regarding the conduct of oil and gas operations; and

**WHEREAS**, S.B. 19-181 directs the Colorado Oil and Gas Conservation Commission (COGCC) to regulate the development and production of the natural resources of oil and gas in the State of Colorado in a manner that protects public health, safety, and welfare, including protection of the environment and wildlife resources; and

**WHEREAS**, the COGCC is engaged in ongoing rulemakings to implement regulatory changes necessitated by S.B. 19-181; and

**WHEREAS**, the Colorado Parks and Wildlife Commission's (CPW's) mission is to perpetuate the wildlife resources of the state, to provide a quality state parks system, and to provide enjoyable and sustainable outdoor recreation opportunities that educate and inspire current and future generations to serve as active stewards of Colorado's natural resources; and

**WHEREAS**, CPW and the COGCC have a long history of collaboration and recognize that wildlife and their environment are to be protected, preserved, enhanced, and managed for the use, benefit, and enjoyment of the people of this state and its visitors; and

**THEREFORE, BE IT RESOLVED**, that CPW affirms its appreciation and support for the ongoing efforts of the COGCC, in consultation with CPW, to develop rules implementing S.B. 19-181; and

**BE IT FURTHER RESOLVED**, that CPW urges the COGCC to adopt regulations to protect Colorado's environment and wildlife resources for future generations, including regulations protecting riparian areas, aquatic habitats, and seasonal big game habitat, and migration corridors used by big game and bird species.
