*The Director identifies matters where the recommended action follows established policy or precedent, there has been agreement reached or the matter is expected to be uncontested and non-controversial.*

*Regulatory Matters on the Consent Agenda are noticed for hearing at the same time and in the same manner as other Consent Agenda items. If a member of the Commission requests further consideration of an item on the Consent Agenda, that item will be withdrawn from the Consent Agenda and discussed at the end of the meeting or at the next meeting. The Consent Agenda may be voted on without the necessity of reading individual items. Any Commission member may request clarification from the Director of any matter on the Consent Agenda.*

**OTHER AGENDA ITEMS:** The Parks and Wildlife Commission may consider and make policy, program implementation, and other non-regulatory decisions, which may be of public interest at this meeting.
