Landowner Preference Program (LPP) Designated Land Manager Form

For the purposes of the LPP, Land Manager: means an individual designated in writing by the landowner who is 1) a ranch manager, property manager, business partner, employee, or relative of the landowner who has control of the property or 2) a licensed outfitter or other individual who has entered into a written agreement with the landowner for control of the hunting operations on the property, and who has a working knowledge of the property, including but not limited to, boundaries and access points.

I certify that I am the deeded landowner (or officer if the land is held by a corporation or other legal entity) that is properly and legally registered for the Landowner Preference Program (LPP). I hereby designate the individual identified below as the land manager for the following land registered for the LPP. I attest that I understand the definition for 'Land Manager' as defined above, and that the individual identified below meets those qualifications.

I understand that only one land manager may be designated per LPP registration and that if a different land manager was previously designated, this individual will replace the previously designated land manager.

I understand that the designated land manager may only transfer a LPP voucher and the designated land manager can NOT submit a registration, application, nor leftover choice options.

I understand that the landowner and designated land manager may be disqualified from any and all participation in the LPP for up to five (5) years if either fails to comply with any requirements of the program.

Deeded Landowner (or officer if the property is held by a corporation or other legal entity):
