

ADD-ON ARCHERY & MUZZLELOADER BEAR: 2021

CAN A HUNTER PURCHASE AN ADD-ON BEAR LICENSE?

updated: 02/21

OVER-THE-COUNTER RIFLE BEAR LICENSES:
Hunters can purchase over-the-counter rifle bear licenses without needing to have a deer or elk license.

! The hunter can purchase an add-on over-the-counter archery or muzzleloader bear license and can hunt bear in any of the units listed on that bear license during the archery or muzzleloader seasons.

The license must be for the same method of take and one unit must overlap:
If the hunter has a deer or elk archery license, they can purchase an add-on bear archery license. If the hunter has a deer or elk muzzleloader license, they can purchase an add-on bear muzzleloader license.

Hunters can only hunt deer or elk in the unit(s) and season specified on their deer or elk license.
