NEW! Archery and Muzzleloader Add-On Bear licenses are available in unlimited numbers this year. Hunters can ‘add-on’ an over-the-counter bear license for archery or muzzleloader seasons if they hold a deer or elk license for the same method of take and at least one unit overlaps. Look for the paw print in the regulation brochure.

NEW! Hunters do not need to hold a deer/elk license to purchase an over-the-counter rifle bear license.
