

Committee Information

Committee Name: White River

Meeting Schedule: White River HPP meetings are not held on a regular, monthly basis but rather are scheduled throughout the fiscal year as necessary depending upon number of project proposals received for consideration and also depending upon availability of local committee members.

Meeting Times: April-September 7:00PM October-March 5:30PM.

Meeting Location: CPW Area Office, 73485 Hwy 64, Meeker

Project Applications Needed: Yes. Current applications must be used and they can be found at: <http://cpw.state.co.us/hpp>

Photographs Required: Yes. Pre-treatment photos will need to be submitted with your application and post-treatment photos will need to be provided with your evaluation.

Agricultural Status Required for Projects: No

Hunting Access Required: No

Typical Projects Funded: Water improvements, wildlife habitat improvements, weed control, fencing.

Typical Project Match Desired: 25 - 50% cost-share from project applicant.

Applicant Required to Attend Meetings: Yes, unless HPP project proposal has been reviewed by the CPW representative prior to meeting and then in that case the CPW representative may offer to present proposal on behalf of the applicant in certain cases.

Prior CPW Project Involvement/Review Needed: Yes, so that White River HPP meetings can be scheduled as necessary in a timely manner to consider all eligible HPP project proposals that come up throughout the year.
