Inmate Hand thinning project update: seed purchases-Jeff Williams

Jeff is proposing that the committee purchase seed under the Inmate Hand-Thinning Project. The purchased seed will be applied by Tom Grette at the Inmate Hand Thinning project sites. BLM has already purchased 200 lbs of seed, and Jeff is asking HPP to match that.

The committee approved the seed purchase under the "Inmate Hand-Thinning Project" and will add \$1,100 to the project budget to cover the purchase.
