Project Application Proposals and Reviews

Cotton Creek Property East Boundary Fence-Jerry Berry, Clayton BonDurant

Jerry is asking the committee for \$4,980 for materials needed to replace 2.5 miles of existing fence with new wildlife friendly fence. The eastern property line has a large amount of elk crossing the fence, and they have been causing damage as well as getting entangled and injured. Jerry would like to replace the old fence with 2.5 miles of wildlife friendly fence. Jerry will provide additional materials, labor to remove the old fence, and will pay a contractor to build the new fence.

The project was approved for \$4,980.

State Council White Wire Order

The HPP state council will be making a bulk order of white vinyl wire to distribute to local committees. Each committee will be given \$5,000 in white vinyl wire (24 rolls). This order will replenish the MBHPP stockpile.
