Guests: Pat Tucker (HPP Coordinator), Mark Lamb (CPW-AWM)

Meeting called to order by John Woodward at 10:00 AM

Budget Report

The budget report was reviewed.

New Business

Shelton Fencing Project Update

This fencing project has been completed, and the fence is well built. However, the committee has recently been made aware that this landowner does not allow hunting. The original application that was approved in July indicated that he does allow hunting, so the committee needs to re-evaluate the project before any reimbursement is paid to the landowner. The committee agrees that if this is true and the landowner does not allow hunting like the application says, then they will not pay out his reimbursement.

The committee will send a letter to the landowner stating that they will not pay the reimbursement based on this new information. The letter will also state that if we are incorrect, Mr. Shelton can provide the committee with a list of names of licensed big game hunters that were allowed on his property during this hunting season. Tyler and Ian will then verify the list and confirm the information with those hunters. If the list proves that he did allow hunting, then the committee will release the reimbursement check to him. If no list is provided, then the reimbursement will not be paid.

Remaining Committee Business/Other Discussion

The next meeting will be a work session for the SPHPP Distribution management plan.

The HPP statewide meeting will be on December 3rd, 4th, and 5th in Grand Junction. If committee members are planning to attend and have not yet registered, they should do so right away.

The meeting was adjourned at 10:40 AM

The next meeting will be held on January 9th at 10:00 AM at the Fairplay Fair Barn.
