- Kimberly Berscheid, Administrative Assistant

Guests: Clint Norman - Landowner

Meeting called to order at 12:05pm

### Budget Report

The budget report was reviewed.

### New Business

#### Project Application Proposals and Reviews

##### Normal Water Project - Clint Norman

Clint is asking HPP for \$4,753.74 for waterline, fittings, 2 10ft tire tanks, valves, floats, and cement for 2 water developments. Clint will be able to trench pipeline from an existing water source to the 2 tanks. There is a lack of water sources in the area, the additional water developments will mainly benefit wildlife. Due to the rise in costs the committee agreed to pay up to \$4,999 for the materials listed.

**The project was approved for \$4,999.00 for FY2022.**

##### Water Development Materials

The committee would like to purchase water tanks to be used on future water developments in the Area. Tanks are currently \$1,869 each and then vendor will charge \$400.00 for delivery to the Wray Fish Hatchery where they will be stored.

Kimberly Berscheid, HPP Administrative Assistant

Tanks will be provided to landowners developing water sources for wildlife and livestock. Usage will be monitored and reported back to the committee periodically. **The project was approved for \$24,000 for FY2022.**

**The meeting was adjourned at 12:17pm**

**The next meeting will be held on: TBD**
