- Kathy Brodhead - BLM
- Dayle Funka - USFS

Attendees Present:

Alyssa Meier
Alicia Rummel
Bill Wegert
Clayton Bondurant

Administrative Assistant Present:

Kale Watson

Introductions

Committee members and guests were introduced.

Old Business

The minutes from the August 31st meeting were approved as written.

New Business

Wegert White Wire- The committee reviewed a fence project from Bill Wegert. The scope of the project includes installing white vinyl top wire to an existing fence line. The current fence line is heavily traveled in the winter and spring months and is difficult for elk and deer to see the top of the fence. Installing white wire will allow big game to cross more easily and reduce entanglement risks. **The project was approved for 8 rolls of white wire.**

Remaining Committee Business

Big Game Season Structure- The committee had an in-depth conversation about Big Game Season Structure and how they would like to submit a comment letter to the commission.

Meeting Schedule- The next meeting is TBD.

Adjourn

The meeting was adjourned at 1:00 pm.
