

Colorado Outdoor Equity Grant Application

The Outdoor Equity Grant is a first step toward working collaboratively to improve access, representation, meaningful participation, and quality experiences for Colorado's youth and families in the outdoors. This step is just the beginning, and we will live up to our values showing up authentically for our communities now and in the future.

For more information on the grant and requirements please view our Grant Guidelines - <https://cpw.state.co.us/Documents/2022ColoradoOutdoorEquityGrantGuide.pdf>
