

Amy Kemp, Founder of ELEVATE (coworking spaces) + Mountaintop Media

Amy's always on the hunt for fresh powder and fresh ideas. She has one ski planted in the outdoor and adventure world and the other one in the digital and entrepreneurial space. A veteran of Vail Resorts and the journalism/brand journalism world, she's worked on award-winning projects and websites like EpicMix and helped to create Camp 9600, a storytelling "un"conference for the outdoor and travel industries, with the Breckenridge Tourism Office. Her mission through ELEVATE and Mountaintop Media is to help outdoor, travel and tech companies build their communities through business strategy, storytelling, marketing and events.
