

Justin D. Cutler – MPA

Justin Cutler is the Recreation Services Manager for the City of Westminster, a three-time gold medal winning agency. He and his team oversee 288,000 sqft of recreation facilities and over 1,000 recreation programs. Mr. Cutler has a passion for continuous improvement, leadership, public health integration, and local government, and has presented on these topics at state, regional, and national conference. He has served in roles such as executive director, analyst, and recreation coordinator, in both rural and urban settings. What he enjoys most about his work is building partnership with non-traditional partners, and empowering his team to move beyond their perceived abilities to achieve more than they could imagine. In his spare time with his family he enjoys cycling, skiing, and climbing Colorado's 14'ers.
