

Kacie Miller, Colorado Parks and Wildlife, Planning Manager

Kacie has made a career of helping people develop their sense of place. As CPW's Planning Manager she supports the agency and its partners in planning for current and future opportunities to provide quality outdoor experiences. She is working with state park staff on park management plans and is the project manager for the Statewide Comprehensive Outdoor Recreation Plan (SCORP). Kacie previously spent 8 years working from Barr Lake State Park as the Education Director and then Deputy Director of Bird Conservancy of the Rockies. She also worked for Indiana Fish and Game in the nongame program and as the statewide aquatic education coordinator.
