

Update on the 2020 Partners Conference

Colorado Parks and Wildlife is announcing that the Partners in the Outdoors Conference will not be rescheduled for 2020. However, we are working on plans to release limited content via virtual formats. More information to follow. In the meantime, please block your calendars for April 19-21, 2021 when we will host next year's conference in Vail. If this email was forwarded to you, please sign up for our [Partners Newsletter](#) to ensure you stay in the loop on forthcoming updates.

We understand that you may have questions about what this means logistically and financially. Please read the information below about registration refunds, and then feel free to reach out to the Partnership Program staff at dnr_cpwpartners@state.co.us with any further questions.

We will be refunding all registrations, including Hanging Lake Field Trip and Exhibitor registrations. No action is needed on your part to ensure a refund. Your refund will be credited back onto your original payment method. The refund process will begin this week, but due to the high volume of registrations, you may not see your refund posted for a few weeks. Thank you for your patience!

If you are an existing sponsor, we will be reaching out to you individually to discuss options.

Canceling Your Lodging Reservations

The Vail Marriott Reservation Line can be reached at 877-622-3140, or you can follow the cancellation link in your email confirmation to cancel your reservation.
