The Colorado Division of Parks and Wildlife (CPW) receives federal financial assistance from multiple bureaus within the U.S. Department of the Interior. Under Title VI of the 1964 Civil Rights Act (as amended), Section 504 of the Rehabilitation Act of 1973, Title II of the Americans with Disabilities Act of 1990 (as amended), the Age Discrimination Act of 1975 and Title IX of the Education Amendments of 1972, the U.S. Department of the Interior and its bureaus prohibit discrimination on the basis of race, color, religion, national origin, gender, disability or age. In addition, CPW adheres to all antidiscrimination laws of the state of Colorado. WHAT’S NEW: 2021 REGULATION CHANGES & NEW INFORMATION

- Certain Hunt Codes are Guaranteed for Hunters Affected by the 2020 Fires: Certain hunt codes for both sheep and goat have some or all licenses set aside for hunters who were affected by the 2020 fires. You will not be able to apply in the draw this year for those hunt codes with zero quota available. Note that hunt code S-M-S57-01-A (sheep) and hunt code G-F-G15-01-R (goat) do have quota available. The affected hunt codes are shaded orange in the archery and rifle hunt code tables on pages 7–8 and 10. Unless you were contacted directly by CPW about this opportunity, any other 2020 sheep and goat licenses held are not eligible for a guaranteed 2021 license.

- NEW Limited License Reissue Process: We now have a new process for reissuing returned limited licenses. Instead of hunts being randomly released Tues.–Fri. as in the past, a new Reissue Preview List will be posted online every Tues. at 11 a.m., and those hunt codes will be moved to the Leftover List and available for purchase every Wed. starting at 11 a.m. Returned sheep and goat licenses will still be offered to the next 5 applicants in line first. See page 6 and cpw.state.co.us/refunds#reissue for more.

WHAT YOU NEED TO BUY A LICENSE
See page 2 for details

1. PROPER IDENTIFICATION and PROOF of residency (for Colorado residents).
2. HABITAT STAMP: A 2021 or lifetime Habitat Stamp is required prior to buying a license or purchasing a qualifying license to apply for the draw for anyone ages 18–64.
3. QUALIFYING LICENSE: Required for participation in the big-game draw. NOTE: A Social Security number is required for hunters age 12 and older, per federal law.

LICENSE REQUIREMENTS

1. Bighorn sheep and mountain goat license holders are limited, available only by draw for specific units. Licenses expire on the date printed on them and are not transferable.
2. You can apply for one bighorn sheep license and one mountain goat license each year. You cannot apply for a Rocky Mountain bighorn and desert bighorn in the same year. The purchasing system will not process more than one bighorn sheep license in the same year.
3. BIGHORN SHEEP: If you harvest a Rocky Mountain bighorn ram (must have a half-curl or more), you must wait five years (sixth year after harvest) before applying for another Rocky Mountain bighorn ram license. During the five-year waiting period, hunters may apply for ewe licenses, but cannot accrue preference points. This rule does not apply if you harvest a ram with an auction, raffle or special sheep management license.
4. DESERT BIGHORN SHEEP: If you harvest a desert bighorn sheep, you cannot participate in future desert bighorn sheep drawings. It’s once in a lifetime!
5. MOUNTAIN GOAT: If you harvest a mountain goat, you must wait five years (sixth year after harvest) before applying for another mountain goat license. This rule does not apply if you harvest a goat with an auction, raffle or special goat management license.
6. YOUTH AGES 12–17 can hunt sheep and goat, but must meet hunter education requirements. Youth may also apply for a sheep or goat license, or preference point at age 11 if they will turn 12 before the end of the season on the license. Youth cannot hunt with the license until they turn 12. If a 17-year-old submits an application and then turns 18 prior to the start of the sheep or goat season for which they applied, they are still considered a youth and qualify for the youth license.
7. Under 16 must hunt with a mentor. Mentors must be 18 or older and have a hunting education card, if born on or after Jan. 1, 1949. Mentors do not have to hunt. Youth and mentors must be able to see and hear each other without binoculars, radios, other devices or aids while hunting.
8. Ten percent of limited licenses are allocated to nonresidents.
9. It is illegal to make false statements to obtain a license or alter a license, and doing so voids the license.
10. Lost or destroyed licenses can be replaced by paying a replacement fee at any CPW location or sales agent.
RESIDENCY REQUIREMENTS

The physical residence address you give to buy or apply for a license must be the same as the address given for Colorado state income tax purposes.

You terminate your Colorado residency if you apply for, buy or accept a resident hunting, fishing or trapping license issued by another state or foreign country, register to vote outside Colorado or accept a driver’s license that shows an address other than in Colorado.

Go online for more information: cpw.state.co.us/prooffresidency

RESIDENCY TYPES

1. STANDARD COLORADO RESIDENT
   a. Requirements: You must live in Colorado for at least 6 consecutive months prior to buying or applying for any resident CPW product, have your primary residence in Colorado and have not applied for or purchased a resident license or pass outside of Colorado in the last 6 months.
   b. Proof: Current and valid Colorado driver’s license/ID with a Colorado address issued 6 or more months prior. If the Colorado driver’s license/ID is not 6 months old, you must provide at least two forms of additional residency proof, as outlined in “Additional Residency Proofs” below.

2. STUDENT: ATTENDING SCHOOL FULL-TIME IN COLORADO
   a. Requirements: You must be attending school full time at an accredited Colorado school starting at least 6 months prior to buying or applying for any resident CPW product.
   b. Proof: Student ID, name of institution, date you became a full-time student, school transcript showing full-time status.

3. STUDENT: ATTENDING SCHOOL FULL-TIME OUTSIDE OF COLORADO
   a. Requirements: You must meet Colorado residency requirements and be attending an accredited school outside of Colorado, paying nonresident tuition.
   b. Proof: Student ID, name of institution, date you became a full-time student, proof of out-of-state tuition payment.

4. MILITARY: STATIONED IN COLORADO
   a. Requirements: You must be active-duty military stationed in Colorado (including your spouse/dependents). Residency begins the date the orders begin.
   b. Proof: Military ID and orders.

5. MILITARY: COLORADO HOME OF RECORD
   a. Requirements: You must be active-duty military stationed outside of Colorado, but with Colorado as your home of record, paying income tax as a Colorado resident (including your spouse/dependents).
   b. Proof: Military ID and orders.

6. YOUTH
   Children under the age of 18 have the same residency status as their parent, legal guardian or person with whom they live the majority of the time per court order.

OTHER RESIDENCY INFORMATION

1. ADDITIONAL RESIDENCY PROOFS
   If you otherwise meet residency requirements but your Colorado driver’s license or ID was issued or renewed less than 6 months ago, or you have a CPW-approved religious exemption to photo identification on your record, you must provide at least two additional proofs of residency showing 6 consecutive months of Colorado residency immediately prior to buying or applying for a license.
   Those proofs include: income sources (pay stubs), utility bills, state income tax documents (as a full-time resident), lease agreements/rent receipts, motor vehicle registration, voter registration.

2. MULTIPLE HOMES
   If you have a home in Colorado and another location, call 303-297-1192 to make sure you comply with Colorado residency requirements before obtaining a CPW license or state park pass.

HUNTER EDUCATION

HUNTER EDUCATION (SAFETY) REQUIREMENTS

1. Anyone born on or after January 1, 1949, must have a hunter education card to hunt in Colorado.
2. A hunter education card is needed to apply for/buy a license.
3. Your hunter education card must be carried while hunting, unless it is verified and your license is marked with a “V.” To get your hunter education card verified, take your hunter education card to a CPW office (see inside front cover) or state park.
4. CPW honors hunter education cards from other states, provinces and countries.

HUNTER EDUCATION EXEMPTIONS

1. Individuals over age 50 or active duty U.S. military and veterans can obtain a hunter education certificate by testing out of hunter education: cpw.state.co.us/HunterEdTestOut
2. An apprentice certificate can be obtained for hunters who are at least 10 years old (age 12 for big game) and who must be accompanied by a mentor in the field. This hunter education waiver can be obtained twice in a lifetime: cpw.state.co.us/apprenticecertificate

Go online for more information: cpw.state.co.us/HunterEd

HABITAT STAMPS

A Habitat Stamp is REQUIRED for hunters and cost $10.40; only one is required per person, per year for anyone ages 18–64. Habitat Stamps are now valid March 1–March 31 of the following year (13 months).

A lifetime stamp is also available for $312.30.

One 2021 Habitat Stamp will automatically be added to your first hunting or fishing license purchase of each license year, if applicable, including qualifying licenses. Habitat Stamps are nonrefundable, even if you are unsuccessful in the draw.

Anyone who holds one type of the free lifetime disability licenses or is an approved Big Game Mobility Impaired Program member is exempt from the Habitat Stamp requirement. See cpw.state.co.us/accessibility

For more information, go to: cpw.state.co.us/habitatstamp

QUALIFYING LICENSES

A current-year qualifying license is required in order to apply for the big-game draw. Qualifying licenses for the primary draw are:

- annual resident and nonresident small game
- annual resident combo small game/fishing
- annual resident senior combo small game/fishing
- resident and nonresident spring turkey
- resident veteran lifetime combo small game/fishing
- resident first responder lifetime combo small game/fishing
- NEW annual small-game license for resident senior lifetime fishing license holders

For more information: cpw.state.co.us/qualifyinglicenses

RESTRICTIONS

CHILD SUPPORT DELINQUENCY: State law requires a Social Security number to buy a license. It is not displayed on the license but is provided, if requested, to Child Support Enforcement authorities. Hunting and fishing licenses are not issued to those suspended for noncompliance with child support.

Current any licenses become invalid if held by an individual who is noncompliant with child support.

WEAPONS RESTRICTIONS: Colorado and federal laws prohibit people convicted of certain crimes, including felony offenses and domestic violence-related offenses, from possessing weapons even for hunting. If you’ve been convicted of a crime, check with the appropriate Colorado and federal law enforcement authority to find out how these laws apply to you.
**GENERAL INFORMATION**

**IDENTIFICATION**

**BIGHORN SHEEP IDENTIFICATION**

- **ONE-HALF-CURL RAM:**
  Male bighorn with a horn or horns having one or both tips grown at least through half (180 degrees) of a circle. This is measured by first establishing a reference line bisecting the eye and base of the ear. A half-curl ram has one or both horns that have grown at least as far as the reference line in the illustration.

- **5 INCHES**
  A female sheep with a horn or horns at least 5 inches long, measured on the outside curve.

**MOUNTAIN GOAT IDENTIFICATION**

- **BILLY (MALE):**
  Horns have bases that are close together and larger than the eye. Horns are heavy and have more curvature. Males stand and stretch hind legs backwards, with a slight arch in the back, to urinate. The scrotum may be visible from the rear when goats have short summer coats.

- **NANNY (FEMALE):**
  Horns have bases that are smaller or equal to the eye size. Horns are often thinner and straighter, with a curve at the ends. Females squat to urinate. The dark vulva patch may be visible when the tail is raised.

For more go to the goat ID and quiz online at: cpw.state.co.us/outreach-sheepgoat-resources

**SPECIAL LICENSE INFORMATION**

**RANCHING FOR WILDLIFE**

Public Ranching for Wildlife (RFW) licenses are available only to Colorado residents by draw. RFW landowners must provide free access to hunters who draw a license for the ranch. For more information, go to: cpw.state.co.us/rgw

**BIGHORN SHEEP ACCESS PROGRAM**

Bighorn Sheep Access Program (BSAP) licenses are available only to Colorado residents by draw. BSAP landowners must provide free access to hunters who draw a sheep license for the ranch. For more information, see the hunt code table on page 7 and go to: cpw.state.co.us/bsap

**TURN IN POACHERS (TIPS) PROGRAM**

TIPS awards licenses and preference points to eligible persons that report the illegal take, possession or willful destruction of big game or turkey that results in a person being charged for the illegal take, possession or willful destruction of big game or turkey. Go to cpw.state.co.us/bg/tips or call 303-297-1192 for details.

**SPECIAL MANAGEMENT LICENSES**

CPW may issue special licenses to prevent the spread of disease and unplanned expansion of sheep and goats. Licenses are offered to unsuccessful applicants from nearby units for the same species. Season dates to be determined. These licenses do not use or generate preference points, and hunters do not lose preference points.

CPW offers several programs for hunters and anglers with disabilities. Go to cpw.state.co.us/accessibility for more program information and how to apply. These programs require advance legal paperwork submissions: Please apply AT LEAST 30 days prior to when you wish to use the permit or license. Due to volume, applications cannot be expedited.

**HUNTERS WITH DISABILITIES**

Accommodation permits are available to hunters with disabilities. Hunters must have a temporary or permanent disability that significantly impairs major daily life functions and the ability to hunt.

**RESIDENT VETERAN LIFETIME PROGRAM**

Military veterans who are disabled, residents of Colorado and have proof of a service-connected disability (with an overall combined rating of 60% or more by the Dept. of Veteran’s Affairs) can obtain a lifetime combo small game/fishing license.

**RESIDENT FIRST RESPONDER LIFETIME PROGRAM**

Colorado residents who are disabled first responders and have proof of a permanent occupational disability can obtain a lifetime combo small game/fishing license.

---

**AUCTION & RAFFLE LICENSES**

**WIN THE HUNT OF A LIFETIME!**

Special auction and raffle licenses are available for deer, elk, pronghorn, moose, Rocky Mountain bighorn sheep and mountain goat. A total of 18 auction and raffle licenses allow one to hunt during extended seasons in any unit open to hunting a certain species. These licenses are offered by participating wildlife conservation organizations that return at least 75 percent of the proceeds to CPW for research, management and education. For information on purchasing raffle tickets for licenses or participating in auctions, visit any of the following websites, or visit: cpw.state.co.us/bg/auction

**LAND USE RESTRICTIONS & CLOSURES**

It's illegal to hunt on private land without permission of owner/person in charge. It's illegal to hunt or fish on State Land Board properties without permission unless they are leased by CPW; please check your map carefully, as these areas are marked differently than other private properties.

**MT. EVANS HIGHWAY (UNITS S3 & G4):**
Hunting is prohibited on Mt. Evans Summit Lake Cirque and within a half-mile of either side of the centerline of Mt. Evans Hwy. (Colo. 5) while the road is open to vehicle traffic from the intersection with Colo. 103 to the summit. When Mt. Evans Hwy. is closed to vehicle traffic, this hunting closure is lifted, except that the closure will remain in place year-round for ptarmigan hunting.

**NEW KENOSHA PASS & GUANELLA PASS RD. (UNITS S4, S23, S39, G4 & G16):**
Hunting is prohibited year-round along Kenoasha Pass within 1/4 mile of Hwy. 285, between mile markers 203 and 206 in Park Co., excluding private lands.
Hunting is also prohibited within 1/4 mile of Guanella Pass Rd. (Clear Creek CR 381 and Park CR 62) when the road is open to motor-vehicle traffic, from mile markers 12.5 to 19 (located at the intersection of Guanella Pass Rd. and the Clear Lake picnic area). Hunting is also prohibited within 1/4 mile around and including Deadman's Lake (E of Guanella Pass Rd., N of Mt. Bierstadt Trail (USFS trail 711)), excluding private lands. When Guanella Pass Rd. is closed to motor-vehicle traffic, the hunting closure is lifted.

**CHECK FOREST CLOSURES**

Projects on National Forest lands can impact access any time of the year. Closures of areas can change quickly and your hunting destination or access route may be affected. CPW is not responsible for Forest Service closures, and license refunds cannot be offered after the start of the season. Learn about closures and plan alternative routes and areas to hunt: Go to [www.fs.usda.gov/about-agency/contact-us](http://www.fs.usda.gov/about-agency/contact-us) (to find regional offices) or to the main website: [www.fs.usda.gov/goto/arco/2/huntfs-co](http://www.fs.usda.gov/goto/arco/2/huntfs-co)

For more information on roads and trails damaged by the 2013 flood in GMUs 7, 8, 19, 20 and portions of 29, 38 and 191, go to: [www.fs.usda.gov/goto/arp/hunting](http://www.fs.usda.gov/goto/arp/hunting)

**LEAVE YOUR PACK GOATS AT HOME**

Diseases can be transmitted from goats to bighorns, even if your animals appear healthy. Some diseases can cause large-scale die-offs of wild bighorns. To prevent disease transmission, keep domestic goats out of areas occupied by bighorn sheep.

**EVIDENCE OF SEX**

1. MALES: head with horns attached, testicle, scrotum or penis.
FEMALES: head, udder (mammary) or vulva.
2. It is illegal to have or transport big game, or a considerable part of it, without evidence of sex naturally attached. Evidence of sex must be attached to carcass until it is cut into processed meat (commercially or otherwise), wrapped and frozen or stored at licensee's home.
3. Head or intact skull of sheep and goats with horns naturally attached to skull plate must accompany the carcass.

**CARCASS TAGS**

You must attach a carcass tag to animals you take per instructions on the tag. The tag must stay on the carcass until the meat is processed, and it must remain with the meat until consumed. It is illegal to sign or tear the tag before take. If you lose, accidentally destroy or detach the tag, you must get a duplicate from a CPW location before hunting and prove the loss, detachment or destruction was accidental. Do not remove other parts of a license except the carcass tag after take. Doing so voids the license and you must buy a duplicate.

**HUNTER ORIENTATIONS**

1. **ALL SHEEP AND GOAT HUNTERS:** All hunter orientation information for successful sheep and goat applicants can now be found online at [cpw.state.co.us/outreach-sheepgoat-resources](http://cpw.state.co.us/outreach-sheepgoat-resources). Learn about hunting techniques, game care and how to identify the sex of the animal through videos and other resources.
2. **UNIT S42 MANDATORY ORIENTATION:** All bighorn sheep hunters that hunt in unit S42 near Waterton Canyon must attend a mandatory unit-specific hunter orientation prior to hunting. Other special restrictions may apply for hunting this unit. The S42 orientation will be held Sept. 20 at 9 a.m. in the Denver Metro area. Details on location and agenda will be sent to all S42 hunters by mid July.

**LEGAL HUNTING HOURS**

Legal hunting hours for sheep and goat are one-half hour before sunrise to one-half hour after sunset. Go to [cpw.state.co.us/huntingresources](http://cpw.state.co.us/huntingresources) for a link to sunrise/sunset tables and more information.

**TRANSPORTING GAME MEAT**

1. Sheep and goats must have carcass tags properly and securely attached to carcass (not horns), unless it is 20 pounds or less of meat that is accompanied by a donation certificate. If carcass is in pieces, tag must be attached to the piece with evidence of sex naturally attached.
2. Harvested sheep or goats shipped by common carrier must be accompanied by either the license, a photocopy of license or carcass tag and (if less than 20 pounds of meat) a donation certificate.
3. Processed big-game meat must be accompanied by carcass tag or, if donated, a certificate.
4. If you transport someone else's game, animals must be properly tagged, or you can be cited. The upper part of the license must be kept by whoever took the animal. Carry a list identifying each hunter and animal.
5. Hunters transporting game through other states are encouraged to check with each state for specific carcass transportation regulations.

**DONATING GAME MEAT**

Donation certificates are required for all donations. Certificates must contain names, addresses and telephone numbers of donor and recipient; donor's hunting license number; species and amounts donated; date the animal was taken; and donor's signature. The certificate can be a simple note; no special form is required. Certificate must stay with the meat until the meat is completely consumed. Donor and recipient are subject to all bag and possession limits.

**MANDATORY SHEEP & GOAT CHECKS**

**BIGHORN SHEEP**
1. All bighorns, including eves and desert bighorns, must be inspected by a CPW officer or at a CPW office (listed on inside front cover) during regular business hours within five working days of harvest. License holders must personally present sheep with horns and skull intact. A harvest report will be completed at that time. A permanent plug will be inserted into the horn of bighorn rams.
2. All licenses (successful or not) must return a completed questionnaire within 30 days after a season ends. Licensees who do not complete the questionnaire become ineligible for future sheep licenses.
3. It is illegal to trade, transfer or sell ram heads, capes, skulls or horns unless CPW inspects and permanently plugs the horns. CPW permanently plugs only legally taken rams.

**MOUNTAIN GOAT**
1. All goats must be inspected by a CPW officer or at a CPW office (listed on inside front cover) during regular business hours within five working days of harvest. License holders must personally present goats with horns and skull intact. A harvest report will be completed by the hunter at that time.
2. All licenses (successful or not) must return a completed questionnaire within 30 days after a season ends. Licensees who do not complete the questionnaire become ineligible for future goat licenses.
THE TOP 10 MOST COMMON HUNTING VIOLATIONS IN COLORADO:

1. IMPROPERLY VOIDING AND/OR ATTACHING A CARCASS TAG.
2. HUNTING WITHOUT A PROPER LICENSE.
3. FAILING TO REASONABLY DRESS, CARE FOR AND PREPARE EDIBLE WILDLIFE.
4. USING AIRCRAFT TO HUNT, TO DIRECT HUNTERS ON THE GROUND OR TO TRANSPORT WOUNDED WILDLIFE.
5. MISTAKENLY KILLING WILDLIFE.
6. CARRYING LOADED FIREARMS WHILE IN OR ON ANY MOTOR VEHICLE.
7. CARRYING LOADED FIREARMS IN AN OFF-HIGHWAY VEHICLE.
8. CARRYING LOADED FIREARMS AND OFF-HIGHWAY VEHICLES.
9. IMPROPERLY VOIDING AND/OR ATTACHING A CARCASS TAG.
10. USE OF LIVE-ACTION GAME CAMERAS.

IT IS ALSO AGAINST THE LAW TO:

- Hunt carelessly or discharge a firearm or release an arrow disregarding human life or property.
- Hunt outside of legal hunting hours (one-half hour before sunrise to one-half hour after sunset).
- Interfer with hunters. This includes distracting or frightening prey; causing prey to flee by using light or noise; chasing prey on foot or by vehicle; throwing objects; making noise;入门 harassing humans using firearms or threats or actions; erecting barriers to deny access to hunting areas; intentionally injecting yourself into the line of fire. Violators face prosecution and may have to pay victim's damages and court costs.
- Hunt under the influence of alcohol or controlled substances.
- Operate or ride a snowmobile with a firearm unless it's completely unloaded and cased, or with a bow unless it's unstrung or cased. Compound bows must be cased, not unstrung.
- Shoot from or use a motor vehicle, motorcycle, fixed-wing aircraft, or boat to hunt, to direct hunters on the ground or to hunt the same day or day after a flight was made to hunt.
- For two or more people on the ground, in a vehicle or vessel to use electronic devices to communicate information that violates any wildlife law or regulation.
- Use computer-assisted remote technology (any device, equipment or software used to remotely control a weapon, including the Internet) to hunt or fish. Hunters and anglers must be physically present in the immediate vicinity while hunting or fishing.
- Use unmanned or remote-control drones to look for, scout or detect wildlife.
- Use live-action game cameras to locate, surveil, or aid in locating and recovering wounded big-game animals, except for take/try to take wildlife during the same or following day. “Live-action game camera” is any device capable of recording and transmitting photographic/video data wirelessly to a remote device (such as a computer or smart phone). This doesn’t include game cameras that record photographic/video data and store such data for later use, as long as the device cannot transmit data wirelessly.
- Use artificial light as an aid in hunting.
- Use poison, drugs or explosives to hunt or harass wildlife.
- Fail to extinguish a campfire completely.
- Party hunt (i.e. harvest someone else’s game or let someone harvest yours).
- Use dogs. A leashed dog may be used as an aid in locating/recovering wounded big-game animals, except for black bears, with purchase of annual tracking permit.
- Hunt big game over bait, whether or not the person hunting personally placed the bait. Bait means to put, expose, distribute or scatter salt, minerals, grain, animal parts or other food item to attract big game. Salt or mineral blocks used for normal agricultural purposes are not considered bait. Scent sticks that smell like food are illegal for bears.
- Post, sign or indicate that public lands, not under an exclusive-control lease, are private.
- Establish a permanent structure or plant vegetation on CPW-owned land or waters. Only portable blinds and small objects for blind attraction for big game. Salt or mineral blocks used for normal agricultural purposes are not considered bait. Scent sticks that smell like food are illegal for bears.
- Shoot or wound or may have wounded.
- Hunt with rifles, handguns or shotguns firing a single slug, or archery equipment within an area 50 feet on each side of the line of fire. Violators face prosecution and may have to pay victim's damages and court costs.
- Use a bow without a proper license. Anyone who hunts wild animals unintentionally killed, due to carelessness or negligence, to a CPW office (inside front cover) — or the local Sheriff’s office after CPW regular hours — before continuing to hunt and as soon as practical. Before contacting CPW, field dress the animal. CPW evaluates the circumstances, including shots fired, species and number of animals present, firearms, ammunition, etc. Big game accidently killed does not count toward annual bag limits.
- Not showing evidence of sex. Be sure to leave evidence of sex naturally attached to the carcass. Evidence includes the head, the vulva or the scrotum.
- Scopes and electronic or battery-powered devices cannot be incorporated into or attached to a bow or arrow, with the exception of lighted nocks on arrows. Recording devices such as cameras or video recorders attached to bows may be used as long as they do not cast light towards the target or aid in range finding, sighting or shooting the bow.
- Illegal in archery seasons.

LEGAL METHODS OF TAKE

1. HAND-HELD BOW: a longbow, recurve bow or compound bow on which the string is not drawn mechanically or held mechanically under tension. String or mechanical releases are legal if they are hand-drawn or hand-held with no other attachments or connections to the bow (other than bowsight and peep sight).
- A. Hand-held bows, including compound bows, must use arrows with a broadhead having an outside diameter or minimum width of 7/8-inch, with a minimum of two steel cutting edges. Each cutting edge must be in same plane for entire length of cutting surface.
- B. Only legal hand-held bows allowed during archery seasons.
- C. Minimum draw weight: 35 pounds; let-off max: 80 percent.
- D. No part of a bow’s riser (handle) or track, trough, channel, arrow rest or other device (excluding cables and safety string) that attaches to the riser can contact, support and/or guide the arrow from a point rearward of bow’s brace height behind the undrawn string.
- E. Bows can propel only one arrow at a time. No mechanisms that automatically load arrows are allowed.
- F. Scopes and electronic or battery-powered devices cannot be incorporated into or attached to a bow or arrow, with the exception of lighted nocks on arrows. Recording devices such as cameras or video recorders attached to bows may be used as long as they do not cast light towards the target or aid in range finding, sighting or shooting the bow.
- G. Hydraulic or pneumatic technology cannot be used to derive or store energy to propel arrows. Explosive arrows are prohibited.

2. CROSSBOWS:
- Minimum draw weight: 125 pounds.
- Minimum draw length: 14 inches from front of bow to nocking point of drawstring.
- Crossbow mechanical safety devices required.
- Bolts must be a minimum of 16 inches long, have a broadhead of a minimum of 7/8-inch wide and a minimum of two steel cutting edges. Each cutting edge must be in same plane for entire length of cutting surface.
- Illegal in archery seasons.

3. MUZZLELOADING RIFLES AND SMOOTHBORE MUSKETS:
- A. In-line muzzleloaders are legal.
- B. Must have a single barrel and may fire a single round ball or conical projectile.
- C. From .40 to .50 caliber, conical bullets must weigh at least 170 grains. Round-ball bullets must be .50 caliber.
- D. If greater than .50 caliber, bullets must weigh at least 210 grains.
- E. Shotshell primers are legal.

4. RIFLES:
- Muzzleloaders must have a minimum 16-inch barrel and be at least 26 inches long and fired from the shoulder. Must use expanding bullets that weigh a minimum of 70 grains and have an impact energy (at 100 yards) of 1,000 foot-pounds, as rated by the manufacturer. Semiautomatic rifles cannot hold more than six rounds in the magazine and chamber combined. Fully automatic rifles are prohibited.

5. SHOTGUNS:
- Must be a minimum 20 gauge and must fire a single slug. Maximum weight: minimum 18 inches. Overall length: minimum 26 inches.
- Handguns: Must use a minimum 24 caliber (6 mm) diameter expanding bullet, with no shoulder stock or attachment. Must use only cartridge or load with a minimum energy of 550 foot-pounds at 50 yards. Barrel length a minimum of 4 inches.

THE PAYMENT DEADLINE IS FINAL.

Plan ahead: Log in to your account before the draw and make sure your credit card NEW or CPW gift certificate information is accurate.

If we are unable to charge the credit card or CPW gift certificate on file in your account, your license will be surrendered, and you will lose both the license and any preference points you used to draw it.

PREFERENCE POINTS

1. ONE PREFERENCE POINT IS AWARDED PER SPECIES APPLIED FOR to hunters who apply properly and are unsuccessful in drawing a license for a first-choice hunt code for Rocky Mountain bighorn sheep and mountain goat in the draw. Note that preference points don’t apply to desert bighorn sheep.

2. YOUTH AGES 12–17 can apply for a point. Youth age 11 can also apply for a point provided they turn 12 in 2021.

3. PREFERENCE POINT HUNT CODE: You can gain a preference point as a first choice on your application to use another year; specific preference-point hunt codes are listed on pages 7 and 10. You can also choose other hunt codes as your second, third or fourth choices. Do not submit a separate application for preference points, or both applications will be disqualified.

4. PREFERENCE POINT FEE:
   - If you apply for a preference point hunt code as your first choice or are unsuccessful in drawing your first choice hunt, you’ll be charged a $50 resident or $100 nonresident preference point fee for Rocky Mountain bighorn sheep and mountain goat.
   - You’ll have the option to OPT IN or OPT OUT of paying the preference point fee while filling out your draw application(s). If you OPT OUT, you will not be charged the fee and will NOT acquire a preference or weighted point for 2021. This includes if you apply for a preference point hunt code as your first choice.
   - The fee is waived for youth and resident lifetime license holders. Residents who are in the military on active duty outside Colorado can request a preference point fee refund.

5. IF YOU ARE ISSUED A FIRST-CHOICE LICENSE, all accumulated preference points for that species become void and return to zero.

6. ALL ACCUMULATED PREFERENCE POINTS FOR A SPECIES BECOME VOID if you fail both to apply for that species and have not purchased a license for that species during any given 10-year period.

7. SECOND-, THIRD- AND FOURTH-CHOICE HUNTS don’t use or generate points.

8. THE MAXIMUM PREFERENCE POINTS YOU CAN ACCUMULATE for Rocky Mountain bighorn sheep or mountain goat is three. If you have three points for Rocky Mountain bighorn sheep or mountain goat, and you fail to draw a first-choice license, you will receive weighted preference for that species.

9. WEIGHTED PREFERENCE POINTS: See above right.

10. PREFERENCE POINTS ARE NOT TRANSFERABLE BETWEEN HUNTERS. Points are awarded for specific species, not for hunt codes, sex, unit(s), season(s) or method of take.

11. GROUP APPLICATION PRIORITY IS BASED ON THE MEMBER WITH FEWEST POINTS. See “Apply as a Group” at cpw.state.co.us/bg/planyourhunt.

12. YOU CAN APPLY FOR A BIGHORN EWE LICENSE if you are waiting the five years to reapply for a bighorn ram license (sixth year after harvest), but you cannot accrue preference points.

WEIGHTED PREFERENCE POINTS

Rocky Mountain bighorn sheep, mountain goat and moose are the three species of big-game animals that use the weighted preference point system to award licenses in Colorado:

- Weighted preference increases your probability of drawing and applies to both male and female licenses.
- You can only accumulate up to three points for each of these three species. If you have three preference points and you fail to draw a first-choice license, you will receive weighted preference.
- Weighted preference is calculated by converting your application number into a different, random application number, then dividing that new application number by the number of weighted points you have, plus one. Individuals with three preference points and no weighted preference will have their application number divided by one.
- This generates a new application number. Applications are sorted by this new number from lowest to highest, and low numbers for each hunt code are awarded licenses.

NOTE: The preference point fee for Rocky Mountain bighorn sheep, mountain goat and moose applies to preference points AND weighted preference points. Go to cpw.state.co.us/weightedpreference for more details.

REFUNDS, REISSUES & EXCHANGES cpw.state.co.us/refunds

- Sheep and goat hunters who need to return a license will have to do so AT LEAST 30 DAYS PRIOR TO THE START OF THE SEASON for which the license is valid by turning in their license at a CPW Refund Office, 6060 Broadway, Denver, CO 80216. NOTE: If you drew a license you would like to return, payment for the license is still required first. You can then return it for a refund or preference point restoration.
- Application fees, the $10.40 Habitat Stamp fee, qualifying licenses, and the preference point and weighted preference point fees are nonrefundable.
- CPW has a new process for reissuing returned limited licenses. Instead of hunts being randomly released Tues.–Fri. as in the past, a new REISSUE PREVIEW LIST will be posted online every Tues. at 11 a.m., and those hunt codes will be moved to the Leftover List and available for purchase every Wed. starting at 11 a.m. Returned sheep and goat licenses will still be offered to the next 5 applicants in line first. See cpw.state.co.us/refunds/reissue for more details.
- All license exchanges will be charged a fee of fifty percent of the cost of the original license, not to exceed $25.
- No refunds or preference point restorations are available on exchanged licenses.
- Exchanges can be completed at a CPW office or park up until the day before the season starts on the original license. Once a season starts, an exchange is no longer available.
- Exchanges cannot be completed until leftover licenses and OTC licenses go on sale.

ROCKY MOUNTAIN BIGHORN SHEEP

LIMITED LICENSES ONLY

Rams must have a half-curl or longer to be harvested. See page 3.

REMEMBER: You cannot apply for a Rocky Mountain bighorn and desert bighorn in the same year.

PREFERENCE POINT HUNT CODE

To apply for a Rocky Mountain bighorn sheep preference point, enter hunt code S-P-999-99-P as your FIRST CHOICE hunt.

You’ll have the option to OPT IN or OPT OUT of paying the preference point fee while filling out your draw application. If you OPT OUT, you will not be charged the fee and will NOT acquire a preference or weighted point for the year. If you OPT IN, you will be charged the $50 resident or $100 nonresident preference point fee and acquire a point for the year.

If you apply for a point as your first choice, you can use the second-, third- and fourth-choice hunt code spaces on the application to apply for a license.

BIGHORN SHEEP ACCESS PROGRAM (BSAP) — RESIDENT

Bighorn Sheep Access Program (BSAP) licenses are available only to Colorado residents by draw. BSAP landowners must provide free access to hunters who draw a sheep license for the ranch. A free guide must also be provided by the ranch to hunters who draw a ram license. Read ranch rules first, and see the maps and ranch contacts at: cpw.state.co.us/bsap

CHANCELLOR RANCH — RESIDENT

Bighorn sheep hunting is available on Chancellor Ranch (on State Land Board property) for Colorado residents only. Get detailed information and find ranch contacts at: cpw.state.co.us/chancellor-ranch

RIFLE — RESIDENT LICENSES

Be aware that hunt codes shaded orange in the tables below have some or all licenses set aside for hunters who were affected by the 2020 fires. You will NOT be able to apply in the draw for those hunt codes with zero quota available. Note that hunt code S-M-SS7-O1-A does have quota available. See the “Licenses Guaranteed for 2020 Hunters” table on the next page for details.

**Get the Lead Out**

**See the CDPHE Public Health Statement:** cdphe.colorado.gov/lead-wild-game

From the field to the table, ensuring your next harvest is safe for your family is important. Switching from lead bullets may be an option that’s right for you. Science tells us ingesting lead can cause potential health problems over time. Risks are low for most people; however, you can also:

1. Use lead-free shot or bullets.
2. Choose a firearm with lower-velocity bullets, so bullet fragments don’t scatter as far into the wound. Liberally trim and discard meat damaged by the bullet when you process an animal.
3. Clean your meat grinder between each animal. Lead is soft and can go through your grinder, contaminating an entire batch of ground meat. If you don’t grind the meat yourself, speak with your commercial processor about their equipment cleaning process between animals.
4. Avoid eating game meat from animals harvested with lead bullets if you are pregnant. Children younger than 6 should also avoid it.
## Mountain Goat

### Limited Licenses Only

#### Preference Point Hunt Code

To apply for a mountain goat preference point, enter hunt code G-P-999-99-P as your first choice hunt.

- You have the option to **opt in** or **opt out** of paying the preference point fee while filling out your draw application. If you **opt out**, you will not be charged the fee and will **not** acquire a preference or weighted point for the year. If you **opt in**, you will be charged the $25 resident or $100 nonresident preference point fee and acquire a point for the year.
- If you apply for a point as your first choice, you can use the second-, third-, and fourth-choice hunt code spaces on the application to apply for a license.
