FUTURE GENERATIONS ACT PASSED THE 2018 STATE LEGISLATURE: Thank you to all of the hunters and anglers who supported the Future Generations Act and Colorado Parks and Wildlife. This act is a huge step for funding wildlife conservation. You'll see some changes for 2019, including a small fee increase for resident licenses and the Wildlife Education Fund. Find the full 2018/2019 fee comparison chart online: cpw.state.co.us/feechanges

ALL APPLICANTS, INCLUDING YOUTH, MUST PURCHASE A QUALIFYING LICENSE TO APPLY FOR THE BIG GAME DRAW: Qualifying licenses are spring turkey, annual small game, annual resident combination small game/fishing and veteran's lifetime resident combination small game/fishing. Online draw applications will not be accessible until you purchase your qualifying license. Licenses must be valid for the current license year, April 1, 2019–March 31, 2020. All qualifying licenses can be purchased starting March 1. Applicants must purchase a qualifying license even if applying for a preference point as a first-choice option. Go online for more details: cpw.state.co.us/feechanges

APPLICATION FEE INCREASE: The application processing fee will be $7 for residents and $9 for nonresidents in 2019. The fees are based on the cost of processing in-state and out-of-state applications.

Nonresident annual fishing licenses are good through March 31, 2020.

All license fees include a 25-cent search-and-rescue fee and a $1.50 fee for the Wildlife Education Fund. **REMINDER:** If you draw a sheep or goat license, your credit card on file will be charged after the draw. See page 6 and back cover.

RESTRICTIONS

CHILD SUPPORT DELINQUENCY

State law requires a Social Security number to buy a license. It is not displayed on the license but is provided, if requested, to Child Support Enforcement authorities. Hunting and fishing licenses are not issued to those suspended for noncompliance with child support. Any current licenses become invalid if held by an individual who is noncompliant with child support.

WEAPONS RESTRICTIONS

Colorado and federal laws prohibit people convicted of certain crimes, such as domestic violence, from possessing weapons even for hunting. If you’ve been convicted of a crime, check with the appropriate law enforcement authority to find out how the laws apply to you.

THE APPLICATION AND CORRECTION DEADLINE HAS CHANGED: Draw applications and any corrections to the applications must be submitted by 8 P.M. MT on APRIL 2.

ROCKY MOUNTAIN BIGHORN SHEEP, MOUNTAIN GOAT AND MOOSE NOW HAVE A PREFERENCE AND WEIGHTED POINT FEE: Draw applicants who are unsuccessful in drawing their first choice hunt, or who apply for a preference point hunt code as their first choice, will be charged a $50 resident or $100 nonresident preference point fee for Rocky Mountain bighorn sheep, mountain goat and moose. Youth do not have to pay the preference point fee.

Applicants will have the option to OPT IN or OPT OUT of paying the preference point fee while filling out their draw application(s). If they OPT OUT, they will not be charged the fee and will NOT acquire a preference or weighted point for 2019. This includes applicants who apply for a preference point hunt code as their first choice.

All other big-game species no longer have a preference point fee. Youth do not have to pay the preference point fee. See page 6 for more details.

PENALTIES FOR MISSINS THE PAYMENT DEADLINE: If you’re successful in the draw but don’t pay for your license by the payment deadline, your license will be surrendered and you will lose both the license and any preference points you used to draw it. **THE PAYMENT DEADLINE IS FINAL:** May 17

BOUNDARY CHANGES TO UNITS S12 & S78: See pages 12–13 for boundary adjustments.

Unit S12 now encompasses all of the Tenmile Range, and unit S78 now encompasses only lands west of Hwy. 91.

WHAT'S NEW
LICENSING REQUIREMENTS

1. Big horn sheep and mountain goat licenses are limited, available only by drawing for specific units. Licenses expire on the date printed on them and are not transferable.

2. You can apply for one big horn sheep license and one mountain goat license each year. You cannot apply for a Rocky Mountain big horn and desert big horn in the same year. The integrated system will not process more than one big horn sheep license in the same year.

3. BIGHORN SHEEP: If you harvest a Rocky Mountain big horn (must have a half-curl or more), you must wait five years (sixth year after harvest) before applying for another Rocky Mountain big horn license. During the five-year waiting period, hunters may apply for ewe licenses, but cannot accrue preference points. This rule does not apply if you harvest a ram with an auction, raffle or special sheep management license.

4. DESERT BIGHORN SHEEP: If you harvest a desert big horn sheep, you cannot participate in future desert big horn sheep drawings.

5. MOUNTAIN GOAT: If you harvest a mountain goat, you must wait five years (sixth year after harvest) before applying for another mountain goat license. This rule does not apply if you harvest a goat with an auction, raffle or special goat management license.

6. RAFFLE OR AUCTION LICENSES: For information, call 303-297-1192, or see page 3 for details. Licenses are available for any unit open to hunting sheep or goats in the current season. These licenses can be used in addition to sheep or goat licenses obtained in the limited license drawing.

7. YOUTH AGES 12–17 can hunt sheep and goats, but must meet hunter education requirements. Youth may also apply for a sheep or goat license, or preference point at age 11 if they will turn 12 before the end of the season on the license. Youth cannot hunt with the license until they turn 12. If a 17-year-old submits an application and then turns 18 prior to the start of the sheep or goat season for which they applied, they are still considered a youth and qualify for the youth license.

8. Ten percent of limited licenses are allocated to nonresidents.

9. It is illegal to make false statements to obtain a license or alter a license, and doing so voids the license.

10. Lost or destroyed licenses can be replaced by paying a replacement fee at any CPW location or license agent.

SPECIAL LICENSE INFORMATION

RANCHING FOR WILDLIFE
Public Ranching for Wildlife (RFW) licenses are available only to Colorado residents by drawing. This year, there are big horn sheep RFW licenses available on Kiowa Creek Ranch. The hunt codes and details are on page 7. RFW landowners must provide free access to hunters who draw a license for the ranch. By applying for a RFW license, hunters allow CPW to provide applicant information to the ranch. RFW hunting rules are different on each ranch. For ranch rules, maps and ranch contacts, go to cpw.state.co.us/rfw

BIGHORN SHEEP ACCESS PROGRAM
Big horn Sheep Access Program (BSAP) licenses are available only to Colorado residents by drawing. BSAP landowners must provide free access to hunters who draw a sheep license for the ranch. A free guide must also be provided by the ranch to hunters who draw a ram license. This year, there are BSAP licenses available on Culebra Ranch, Layton-Sheep Pen Ranch, Bar NI Ranch and Purgatoire Ranch. The hunt codes and details are on page 7. For ranch rules, maps and ranch contacts, go to cpw.state.co.us/bsap

TURN IN POACHERS (TIPS) PROGRAM
TIPS awards licenses and preference points to eligible persons that report the illegal take, possession or willful destruction of big game or turkey that results in a person being charged for the illegal take, possession or willful destruction of big game or turkey. Advise the charging officer of your interest in a TIPS award. Go to cpw.state.co.us/bg/tips for the criteria to qualify for a preference point or license, or contact CPW for details at 303-297-1192.

DISABLED VETERANS
Colorado residents who are disabled veterans or Purple Heart recipients can get free lifetime combination small-game hunting and fishing licenses.

Veterans must have served on active duty and have been honorably discharged. Proof of required military service is provided by the Department of Veteran Affairs. Contact CPW for details at 303-297-1192.

SPECIAL MANAGEMENT LICENSES
CPW may issue special licenses to prevent the spread of disease and unplanned expansion of sheep and goats. Licenses are offered to unsuccessful applicants from nearby units for the same species. Season dates to be determined. These licenses do not use or generate preference points, and hunters do not lose preference points by accepting them.

BIGHORN SHEEP IDENTIFICATION

- ONE-HALF-CURL RAM:
  Male bighorn with a horn or horns having one or both tips grown at least through half (180 degrees) of a circle. This is measured by first establishing a reference line bisecting the eye and base of the ear. A half-curl ram has one or both horns that have grown at least as far as the reference line in the illustration.

Illustrations © Wayne Lewis, CPW

MOUNTAIN GOAT IDENTIFICATION

- BILLY (MALE):
  Horns have bases that are close together and larger than the eye. Horns are heavy and have more curvature. Males stand and stretch hind legs backwards, with a slight arch in the back, to urinate. The scrotum may be visible from the rear when goats have short summer coats.

- NANNY (FEMALE):
  Horns have bases that are smaller or equal to the eye size. Horns are often thinner and straighter, with a curve at the ends. Females squat to urinate. The dark vulva patch may be visible when the tail is raised.

License holders must personally present sheep with horns and skull intact. A harvest report will be completed at that time. A permanent marker will be attached to the horn of bighorn rams.

2. All licensees (successful or not) must return a completed questionnaire within 30 days after a season ends. Licensees who do not complete the questionnaire become ineligible for future sheep licenses.

3. It is illegal to trade, transfer or sell ram heads, capes, skulls or horns unless CPW inspects and permanently marks the horns. CPW marks only legally taken rams.

MANDATORY MOUNTAIN GOAT CHECK

1. All goats must be inspected by a CPW officer or at a CPW office (listed on inside front cover) during regular business hours within five working days of harvest. License holders must personally present goats with horns and skull intact. A harvest report will be completed by the hunter at that time.

2. All licensees (successful or not) must return a completed questionnaire within 30 days after a season ends. Licensees who do not complete the questionnaire become ineligible for future goat licenses.

HUNTER ORIENTATIONS

UNIT S42 MANDATORY ORIENTATION: All bighorn sheep hunters that hunt in unit S42 near Waterton Canyon must attend a mandatory unit-specific hunter orientation prior to hunting. Other special restrictions may apply for hunting this unit. The S42 orientation will be held Sept. 23 at 9 a.m. in the Denver Metro area. Details on location, time and agenda will be sent to all S42 hunters by mid July.

LAND USE RESTRICTIONS & CLOSURES

It is illegal to hunt on private land without permission of owner or person in charge. It is illegal to hunt or fish on State Land Board properties without permission unless they are leased by CPW; please check your map carefully, as these areas are marked differently than other private properties.

MT. EVANS HIGHWAY (UNITS G4 & S3): Hunting is prohibited on Mt. Evans Summit Lake Cirque and within a half-mile of either side of the centerline of Mt. Evans Hwy. (Colo. 5) while the road is open to vehicle traffic from the intersection with Colo. 103 to the summit. When Mt. Evans Hwy. is closed to vehicle traffic, this hunting closure is lifted, except that the closure will remain in place yearround for ptarmigan hunting.
EVIDENCE OF SEX

1. MALES: head with horns attached, testicle, scrotum or penis.

2. It is illegal to have or transport big game, or a considerable part of it, without evidence of sex naturally attached. Evidence of sex must be attached to carcass until it is cut into processed meat (commercially or otherwise), wrapped and frozen or stored at licensee’s home.

3. Head or intact skull of sheep and goats with horns naturally attached to skull plate must accompany the carcass.

CARRIERS OF DISEASES

Diseases can be transmitted from goats to bighorns, even if your animals appear healthy. Some diseases can cause large-scale die-offs of wild big-horned sheep. To prevent disease transmission, keep domestic goats out of areas occupied by bighorn sheep.

TRANSPORTING GAME MEAT

1. Sheep and goats must have carcass tags properly and securely attached to carcass (not horns), unless it is 20 pounds or less of meat that is accompanied by a donation certificate. If carcass is in pieces, tag must be attached to the piece with evidence of sex naturally attached.

2. Harvested sheep or goats shipped by common carrier must be accompanied by either the license, a photocopy of license or carcass tag and (if less than 20 pounds of meat) a donation certificate.

3. Processed big-game meat must be accompanied by carcass tag or, if donated, a certificate.

4. If you transport someone else’s game, animals must be properly tagged, or you can be cited. The upper part of the license must be kept by whoever took the animal. Carry 1 tag identifying each hunter and animal.

5. Hunters transporting game through other states are encouraged to check with each state for specific carcass transportation regulations.

DONATING GAME MEAT

Donation certificates are required for all donations. Certificates must contain names, addresses and telephone numbers of donor and recipient; donor’s hunting license number; species and amounts donated; date the animal was taken; and donor’s signature. The certificate can be a simple note; no special form is required. Certificate must stay with the meat until the meat is completely consumed. Donor and recipient are subject to all bag and possession limits.

NOTE: A “like license” is a license for exactly the same species, sex, season and method of take as a donor’s license.

1. You can donate to someone WITH OR WITHOUT a like license: a. any amount of processed and packaged game meat, anywhere.

2. You can donate to someone WITHOUT a like license: a. up to 20 pounds of unprocessed meat, anywhere; b. more than 20 pounds of unprocessed meat, only at recipient’s home.

3. You can donate to someone WITH a like license: a. up to 20 pounds of unprocessed meat, anywhere; b. more than 20 pounds of unprocessed meat, anywhere, only if: (1) recipient’s license is unfilled; (2) recipient’s carcass tag is on the meat. This establishes recipient’s claim to their portion of meat and voids their license. Donor’s tag must remain with donor’s portion.

LEGAL HUNTING HOURS

Legal hunting hours for sheep and goat are one-half hour before sunrise to one-half hour after sunset.

The sunrise/sunset chart below lists Denver times. Subtract 1 minute from opening and closing time for each 1/2 miles east of Denver. Add 1 minute to opening and closing time for each 1/2 miles west of Denver. (These changes assume that each degree of longitude equals 50 miles and a change of 1 degree of longitude equals a 4-minute change in sunrise and sunset times.)

Project on National Forest lands can impact access any time of the year. Closures of areas can change quickly and your hunting destination or access route may be affected. CPW is not responsible for Forest Service closures, and license refunds cannot be offered after the start of the season. Learn about closures and plan alternative routes and areas to hunt: www.fs.usda.gov/goto/r2/huntnfs-co

Roads and trails were damaged by the 2013 flood in GMUs 7, 8, 19, and portions of 29, 38 and 191. Motorized and foot access may still be limited. Project work could impact these and additional GMUs in the Arapaho and Roosevelt national forests. For more information, go to: www.fs.usda.gov/goto/arp/hunting

LEAVE YOUR PACK GOATS AT HOME

Diseases can be transmitted from goats to bighorns, even if your animals appear healthy. Some diseases can cause large-scale die-offs of wild bighorn sheep. To prevent disease transmission, keep domestic goats out of areas occupied by bighorn sheep.

HUNTING LAWS

ILLEGAL ACTIVITIES

If convicted of these felony violations, you can face a lifetime license suspension:

1. **FELONY OFFENSE:** To kill and abandon big game. It is illegal to remove only the hide, antlers or other trophy parts and leave the carcass in the field.

2. **FELONY OFFENSE:** To sell, buy or offer to sell or buy big game.

3. **FELONY OFFENSE:** To solicit someone to illegally harvest big game for commercial gain or provide outfitting services without required registration.

IT IS ALSO AGAINST THE LAW TO:

4. Establish a permanent structure or plant vegetation on CPW-owned land or waters. Only

5. Have a loaded (round in the chamber) rifle or shotgun in or on any motor vehicle. Muzzleloaders are considered unloaded if the percussion cap or shotshell primer is removed, or if the powder is removed from the flashpan. It is illegal to have a loaded electronic-ignition muzzleloader in or on a motor vehicle unless the chamber is unloaded or the battery is disconnected and removed from its compartment.

6. Carry firearms (except handguns) on an aircraft during deer, elk, pronghorn and bear seasons, unless they are unloaded in the chamber and magazine. Firearms (except handguns) and bows carried on an OHV must be fully enclosed in a hard or soft case. Scabbards or cases with open ends or sides are prohibited. This does not apply to landowners or their agents who carry a firearm on an OHV to take depredating wildlife on property they own or lease.

7. Hunt carelessly, discharge a firearm or release an arrow with disregard for human life or property.

8. Operate or ride a snowmobile with a firearm unless it’s completely unloaded and cased, or with a bow unless it’s unstrung or cased. Compound bows must be cased, not unstrung.

9. Shoot from or use a motor vehicle, motorcycle, off-highway vehicle, snowmobile or aircraft to hunt, intercept, chase, harass or drive wildlife.

10. Use aircraft to hunt, to direct hunters on the ground or to hunt the same day or day after a flight was made to find wildlife.

11. Hunt under the influence of alcohol or controlled substances.

12. Use artificial light as an aid in hunting wildlife.

13. Use poison, drugs or explosives to hunt or harass wildlife.

14. Fail to extinguish a campfire.

15. Fail to make a reasonable attempt to track and kill animals you wound or may have wounded. It is against the law to pursue wounded wildlife that goes on private property without first obtaining permission from landowner or person in charge.

16. Fail to prepare edible wildlife meat for human consumption. At a minimum, the four quarters, tenderloins and backstraps are edible meat. Internal organs are not.

17. Shoot from, across or on a public road with a firearm, bow or crossbow. People firing a bow, rifle, handgun or shotgun with a single slug must be at least 50 feet from the centerline of the road.

18. Party hunt (harvest someone else’s game or let someone harvest yours).

19. Interfere with hunters. This includes distracting or frightening prey; causing prey to flee by using light or noise; chasing prey on foot or by vehicle; throwing objects; making movements; harassing hunters by using threats or actions; erecting barriers to deny access to hunting areas; intentionally injecting yourself into the line of fire. Violators face prosecution and may have to pay victim’s damages and court costs.

20. Use the Internet or other computer-assisted remote technology while hunting or fishing. This includes unmanned or remote-control drones used to look for wildlife. Must be physically present in the immediate vicinity while hunting and fishing.

21. For two or more people to use electronic equipment on the ground, in a vehicle or on a vessel while violating any wildlife law or regulation.

22. Use smart rifles or any firearm equipped with a target tracking system, electronically controlled, assisted or computer-linked trigger or a ballistics computer. The use of live-action cameras is prohibited for hunting or scouting within a 48-hour period.

23. Hunt big game over bait, whether or not the person hunting over such bait personally placed the bait. Bait means to put, expose, distribute or scatter salt, minerals, grain or other feed as an attraction for big game. Salt or mineral blocks used for normal agricultural purposes are not considered bait.

LEGAL METHODS OF TAKE

1. **HAND-HELD BOW:** a long bow, recurve bow or compound bow on which the string is not drawn mechanically or held mechanically under tension. String or mechanical releases are legal if they are hand-drawn or hand-held with no other attachments or connections to the bow (other than bowstring).
   a. Hand-held bows, including compound bows, must use arrows with a broadhead having an outside diameter or minimum width of 7/8-inch, with a minimum of two steel cutting edges. Each cutting edge must be in same plane for entire length of cutting surface.
   b. Only legal hand-held bows allowed during archery seasons.
   c. Minimum draw weight: 35 pounds; let-off max: 80 percent.
   d. No part of a bow’s riser (handle) or track, trough, channel, arrow rest or other device (excluding cables and bowstring) that attaches to the riser can contact, support and/or guide the arrow from a point rearward of bow’s brace height behind the undrawn string.
   e. Bows can propel only one arrow at a time. No mechanisms that automatically load arrows are allowed.
   f. Scopes and electronic or battery-powered devices cannot be incorporated into or attached to a bow or arrow, with the exception of lighted nocks on arrows. Recording devices such as cameras or video recorders attached to bows may be used as long as they do not cast light towards the target or aid in range finding, sighting or shooting the bow.
   g. Hydraulic or pneumatic technology cannot be used to derive or store energy to propel arrows. Explosive arrows are prohibited.

2. **CROSSBOWS:**
   a. Minimum draw weight: 125 pounds.
   b. Minimum draw length: 14 inches from front of bow to nocking point of drawstring.
   c. Positive mechanical safety device required.
   d. Bolts must be a minimum of 16 inches long, have a broad-head a minimum of 7/8-inch wide and a minimum of two steel cutting edges. Each cutting edge must be in same plane for entire length of cutting surface.
   e. Illegal in archery seasons.

3. **MUZZLELOADING RIFLES AND SMOOTHBORE MUSKETS:**
   a. In-line muzzleloaders are legal.
   b. Must have a single barrel that fires a single round ball or conical projectile.
   c. From .40 to .50 caliber, conical bullets must weigh at least 170 grains. Round-ball bullets must be .50 caliber.
   d. If greater than .50 caliber, bullets must weigh at least 210 grains.
   e. Shotshell primers are legal.

4. **RIFLES:** Must be a minimum .24 caliber (6 mm); have a minimum 16-inch barrel and be at least 26 inches long and fired from the shoulder. Must use expanding bullets that weigh a minimum of 70 grains and have an impact energy (at 100 yards) of 1,000 foot-pounds, as rated by the manufacturer. Semiautomatic rifles cannot hold more than six rounds in the magazine and chamber combined. Fully automatic rifles are prohibited.

5. **SHOTGUNS:** Must be a minimum 20 gauge and must fire a single slug. Barrel length: minimum 18 inches. Overall length: minimum 26 inches.

6. **HANDGUNS:** Use a minimum .24 caliber (6 mm) diameter expanding bullet, with no shoulder stock or attachment. Must use only cartridge or load with a minimum energy of 550 foot-pounds at 50 yards. Barrel length a minimum of 4 inches.

ACCOUNT, APPLICATION & PAYMENT INFORMATION

ALL customers, existing and new, will need to have a UNIQUE IDENTIFIER and PASSWORD to create a profile in the purchasing system. Read the step-by-step guide to creating your profile, or watch the how-to video online at cpw.state.co.us/cpwshop. Your Account Summary page will show your preference point levels, active products and orders.

EXISTING CPW CUSTOMERS: Look up your existing customer record: Go to cpw.state.co.us and click “Buy and Apply.” Do NOT create a new profile or duplicate account. You’ll need a UNIQUE IDENTIFIER, such as your driver’s license or Customer Identification number (CID), and your DATE OF BIRTH to look up your account. The email in your profile will be used by CPW to send you draw results, payment verification and other notifications, so please be sure your contact information is kept current and accurate!

NEW CPW CUSTOMERS: Visit cpw.state.co.us and click “Buy and Apply” to create a new account. You can also call 800-244-5613 or go into any CPW office to get a CID number. You will need to provide your PERSONAL INFORMATION (name and date of birth), an IDENTIFIER (such as your driver’s license or passport number), your CONTACT INFORMATION and your EMAIL ADDRESS, and to create a PASSWORD for your new account. You will then receive your Customer Identification number (CID). As required by law, if you’re planning to go hunting or fishing, you’ll need to enter some additional information, including your social security number. The email in your profile will be used by CPW to send you draw results, payment verification and other notifications, so please be sure your contact information is kept current and accurate!

APPLY FOR THE DRAW: Online: cpw.state.co.us and click “Buy and Apply”: by phone: 800-244-5613. Prior to applying, all applicants will first need to purchase a qualifying license, available starting March 1 (see page 1 and 3). If you are ages 18–64, one 2019 (or lifetime) Habitat Stamp is required and will automatically be added to your qualifying license purchase, if applicable. When you submit your application, you will ONLY be charged the application processing fee per species. Your credit card information will be kept on file and ONLY charged the license fee if you receive a license from the draw. If you opt out to pay the new Rocky Mountain bighorn sheep, mountain goat and moose preference point fee, your credit card will be charged if you are unsuccessful in the draw.

GROUP APPLICATIONS: THE GROUP LEADER MUST APPLY FIRST. All group members must enter the same person as the leader in order to go through the draw as a group. Two is the maximum number of applicants for group sheep or goat hunts. Get the step-by-step group application guide online: cpw.state.co.us/cpwshop

DRAW RESULTS: Posted MAY 3. BEFORE THE DRAW DATE(S), make sure your credit card information is up-to-date in your profile, as well as your contact information.

PAYMENT DEADLINE: The deadline for paying for your sheep or goat license is MAY 17. Your credit card on file will automatically be charged. THE PAYMENT DEADLINE IS FINAL. All successful licenses will be mailed after payment is received. It is your responsibility to check your account and pay for any license you draw.

REJECTED PAYMENT: If we’re unable to charge your credit card for your license, we’ll attempt to notify you via email (be sure to check your spam folder). It is still your responsibility to check your account and pay for any license you draw. To clear a rejected payment: Go online for directions to pay for your license in your profile (cpw.state.co.us, click “Buy and Apply”); call the toll-free purchase line (800-244-5613); or go to any CPW location. If you are successful in the draw and do not pay for your license by the payment deadline, your license will be surrendered and you will lose both the license and any preference points you used to draw it.

REFUNDS, REISSUES & EXCHANGES

Sheep and goat hunters who need to return a license will have to do so AT LEAST 30 DAYS PRIOR TO THE START OF THE SEASON for which the license is valid by turning in their license at a CPW location, or postmarked to CPW Refund Office, 6060 Broadway, Denver, CO 80216. NOTE: If you drew a license you would like to return, payment for the license is still required first. You can then return it for a refund or preference point restoration.

Application fees, the $10 Habitat Stamp fee, qualifying licenses, and moose, Rocky Mountain bighorn sheep and mountain goat preference point fees are nonrefundable.

Licenses that have been returned will be made available on the leftover list (after being offered to the next 5 applicants in line) at cpw.state.co.us/leftover. All license exchanges will be charged a fee of fifty percent of the original license cost, not to exceed $25. Check our website for the most up-to-date information: cpw.state.co.us/refunds

PREFERENCE POINTS

1. One preference point is awarded to those who are unsuccessful in drawing a license for a first-choice hunt code. Hunters can also apply for a preference point as their first-choice hunt code.

NEW 2. PREFERENCE POINT FEE:

If you apply for a preference point hunt code as your first choice or are unsuccessful in drawing your first choice hunt, you’ll now be automatically charged a $50 resident or $100 nonresident preference point fee.

You’ll have the option to OPT IN or OPT OUT of paying the preference point fee while filling out your draw application(s). If you OPT OUT, you will not be charged the fee and will NOT acquire a preference or weighted point for 2019. This includes if you apply for a preference point hunt code as your first choice.

3. If you are issued a first-choice license, all accumulated preference points for that species are void and return to zero.

4. If you fail both to apply for a species and have not purchased a license for that same species during any given 10-year period, all accumulated preference points for that species become void.

5. Second-, third- and fourth-choice hunts don’t use or generate points.

6. The maximum preference points you can accumulate for Rocky Mountain bighorn sheep or mountain goat is three. If you have three points for bighorn sheep or mountain goat and you fail to draw a first-choice license, you will receive weighted preference for that species.

7. WEIGHTED PREFERENCE POINTS increases your probability of drawing. It is calculated by converting your application number into a random draw number, then dividing that new number by the number of weighted points you have, plus one. This generates your draw order number. Applications are sorted by lowest draw order number to highest, with the lowest numbers drawing first. NEW The preference point fee applies to weighted points.

8. Preference points don’t apply to desert bighorn sheep.

9. Preference points are not transferable.

10. Group application priority is based on the member with fewest points.

11. If you are waiting five years to reapply for a bighorn ram license, you can apply for a bighorn ewe license. If you don’t draw a ewe license, you won’t get a point.

12. Your preference point levels and draw results will be listed in your account profile: Go to cpw.state.co.us and click “Buy and Apply” to log on.
ROCKY MOUNTAIN BIGHORN SHEEP

PREFERENCE POINT HUNT CODE

To apply for a Rocky Mountain bighorn sheep point, enter hunt code S-P-999-99-P as your FIRST CHOICE hunt.

NEW You will now be automatically charged a $50 resident or $100 non-resident preference point fee for Rocky Mountain bighorn sheep, mountain goat and moose. You’ll have the option to OPT IN or OPT OUT of paying the preference point fee while filling out your draw application(s). If you OPT OUT, you will not be charged the fee and will NOT acquire a preference or weighted point for 2019. This includes if you apply for a preference point hunt code as your first choice.

► If you apply for a point as your first choice, you can use the second-, third- and fourth-choice hunt code spaces on the application to apply for a license.

GET THE LEAD OUT

SEE THE CDHPE PUBLIC HEALTH STATEMENT: www.colorado.gov/pacific/cdphe/lead-in-wild-game

From the field to the table, ensuring your next harvest is safe for your family is important. Switching from lead bullets may be an option that’s right for you. Science tells us ingesting lead can cause potential health problems over time. Risks are low for most people; however, you can also:

1. Use lead-free shot or bullets.
2. Choose a firearm with lower-velocity bullets, so bullet fragments don’t scatter as far into the wound. Liberally trim and discard meat damaged by the bullet when you process an animal.
3. Clean your meat grinder between each animal. Lead is soft and can go through your grinder, contaminating an entire batch of ground meat. If you don’t grind the meat yourself, speak with your commercial processor about their equipment cleaning process between animals.
4. Avoid eating game meat from animals harvested with lead bullets if you are pregnant. Children younger than 6 should also avoid it.
## MOUNTAIN GOAT

### ARCHERY, RIFLE

It’s difficult to tell the difference between male and female mountain goats. Refresher tutorial and tips, page 3.

### PREFERENCE POINT HUNT CODE

To apply for a mountain goat point, enter hunt code G-P-999-99-P as your first choice.

**NEW** You will now be automatically charged a $50 resident or $100 nonresident preference point fee for Rocky Mountain bighorn sheep, mountain goat and moose. You’ll have the option to OPT IN or OPT OUT of paying the preference point fee while filling out your draw application(s). If you OPT OUT, you will not be charged the fee and will NOT acquire a preference or weighted point for 2019. This includes if you apply for a preference point hunt code as your first choice.

If you apply for a point as your first choice, you can use the second-, third- and fourth-choice hunt code spaces on the application to apply for a license.
