Southwest Wyoming Off-Road Trails

- Founded by Mark Tesoro
- The vision for Southwest Wyoming Off-road Trails (SWOT) is to connect all of Southwest Wyoming and beyond with a series of off-road motorized trails. Not only will these trails connect National Forest, BLM and other public lands, historic sites, and landmarks along an easily accessible route, it will place thousands of tourists and recreationalists throughout Southwest Wyoming to enhance economic development opportunities in local communities along the route.
- Goal to eventually broaden program throughout states
- Opportunity to bring together SXS community
