Colorado Wildlife Council: Partnerships

Purpose: To ensure that Colorado Wildlife Council Partnerships achieve program objectives and produce tangible benefits.

Definition: A relationship where people work together to achieve goals that are meaningful to both of them.

Proposed tangible benefits:

- Follow each other on social media
- Share social posts.
 - 2-4 specific CWC posts
- Attend a partner event
- Have partner attend CWC booth at events as a “guest speaker”
- Feature each other in Newsletters
- Plan an event together
