

**CONSERVATION PLAN  
FOR GRASSLAND SPECIES IN COLORADO**

**Table of Contents**

i.	Bibliographic Citation and Acknowledgements	i
I.	Executive Summary	1
II.	Introduction	5
III.	Background	5
	- Colorado's Conservation Effort	5
	- Role of the Black-tailed Prairie Dog in Grassland Ecosystems	8
	- Status of the Black-tailed Prairie Dog and Associated Species	9
IV.	Statements of Broad Policy	9
	- Legislative Direction	9
	- Agency Mission	9
	- Vision for Species Conservation	9
V.	Goal of the Plan	10
VI.	Management Principles	10
	- Multi-state Conservation Plan for the Black-tailed Prairie Dog in the United States	10
	- Policy for Evaluation of Conservation Efforts when Making Listing Decisions (USFWS)	10
	- CDOW Strategic Plan	11
	- Adaptive Management	11
VII.	Objectives and Actions	14
	- Black-tailed Prairie Dog Acreage and Distribution	14
	Objective 1.	14
	- Population Monitoring and Analysis	15
	- Plague Monitoring	19
	- Associated Species Populations	19
	- Associated Species Monitoring and Analysis	19
	Objective 2.	19
	- Management Response	20
	- Habitat Considerations and Engaging Private Landowners	20
	Objective 3.	20
	- Public Outreach and Education	21
	Objective 4.	21
	- Regulatory Considerations	21
	Objective 5.	22
	- Management Tools	22
	Objective 6.	23
	- Research	23
	Objective 7.	23
	- Management on Federal, State and Local Government Lands	24
	Objective 8.	24
	- Management on the Front Range	25
	The Black-tailed Prairie Dog	25
	The Burrowing Owl	26
	The Ferruginous Hawk	26

The Mountain Plover	26
The Swift Fox	26
- Local Governmental Influence on Conservation within the Front Range	26
Objective 9.	27
Objective 10.	27
Objective 11.	27
- Funding Sources	28
Objective 12.	28
- Relevance in Addressing Listing Factors	28
1. Present or threatened destruction, modification or curtailment of a species' habitat or range	29
-Habitat Conservation	29
-Land Management	29
2. Over-utilization for commercial, recreational, scientific or educational purposes	30
3. Disease or predation	30
4. Inadequacy of regulatory mechanisms	31
5. Other natural or man-made factors affecting the species' continued existence	31
VIII. Literature Cited	32

List of Tables:

Table 1: Results of CDOW Aerial Inventory - November 2002	12
Table 2: Potential Habitat for the Black-tailed Prairie Dog in Colorado	15
Table 3: Active Occupied Acreage Zones for the Black-tailed Prairie Dog	16

List of Figures:

Figure 1: Historic Black-tailed Prairie Dog Habitat Defined by Bailey's Ecoregions	13
Figure 2: Modeled Historic and Potentially Suitable Black-tailed Prairie Dog Habitat in Colorado.	17
Figure 3: Black-tailed Prairie Dog Complexes Defined by Prairie Dog Densities of Colonies on Colorado's Eastern Plains.	18

List of Appendices:

Appendix A: Species Account - Black-tailed Prairie Dog	34
Appendix B: Species Account - Swift Fox	47
Appendix C: Species Account - Mountain Plover	57
Appendix D: Species Account - Burrowing Owl	73
Appendix E: Species Account - Ferruginous Hawk	91
Appendix F: Species of Concern for Shortgrass Prairie Birds (RMBO Prairie Partners)	105
Appendix G: Summary of Ongoing Grassland Species Monitoring and Research Projects	107
Appendix H: Grassland Species Working Group Members	110
Appendix I: Draft Sylvatic Plague Monitoring Protocol	112
Appendix J: Implementation Plan	126
Appendix K: Process for Plan Modification	131
Appendix L: Area of Black-tailed Prairie Dog Colonies in E Colorado, White, et al. <i>"In Review"</i>	133
Appendix M: Compilation of Public Comments	149
