

AHRA GUIDE QUALIFICATION DOCUMENTATION NUMBERS

Use this form to document pre-runs and qualification runs required by Special Use Agreement in AHRA specific sections

All guides must have 1,000 Class III or greater river miles of which at least 50% were logged while acting as a qualified guide prior to guiding regulated trips in the Numbers. All guides must take two (2) practice runs while operating a raft without clients (except guide trainees) in the Numbers prior to guiding regulated trips in that section. All guides operating a raft on their first regulated trip with clients in the Numbers must have a Guide Instructor aboard, who is qualified in this section, prior to making any such run without a Guide Instructor. All guides must have operated a raft on five (5) regulated trips in the Numbers or have logged a minimum 1500 river miles while acting as a qualified guide prior to acting as trip leader in that section.
