### \*NOTICE\*

All ice fishing is done at your own risk. Approximately 80% of the reservoir still has open water. There is approximately 1"-2" of ice near King Fisher and the South Platte River inlet. Ice conditions change quickly, please call the park office for the most up to date information. Ice conditions vary greatly across the reservoir so use extreme caution. Please stay at least 75 feet away from the tower per United State Army Corps of Engineers rules.

### Additional Information:

Please be aware all Bass have to be over 15" and all Walleye over 18"  
\*\*\*PLEASE REPORT ALL SUSPICIOUS FISHING BEHAVIOR TO \*CSP OR 1-877-265-6648\*\*\*
