Because we are interested in maintaining and revising this list, we solicit your help and ask that you share new and unusual sightings and/or comments on the status of the park's birds. If you do encounter any Rare, Very Rare, Accidental or new species, we'd appreciate a short written description of the field marks used to identify the bird.

Special thanks to Hugh Kingery, Tony Leukering, Mark Peterson, and Nathan Pieplow for their assistance in the compilation of this list.
