

SEASONAL HOUSING - Eleven Mile State Park provides outstanding accommodations for seasonal employees with an on-site, two-story house.

The upstairs has a living room, dining area, kitchen, bathroom and two bedrooms. Downstairs are three more bedrooms, a bathroom and a utility room. Outside the kitchen is a spacious deck that provides a beautiful view of the lake and surrounding mountains.

Every bedroom has a closet, dresser and twin-sized set of bunk beds. Each employee will have his or her own room -- unless demand for seasonal housing is unusually high.

The upstairs bathroom contains a sink, walk-in shower, toilet, toiletry storage cabinet and medicine cabinet with mirror. The downstairs bathroom contains all of the same except that it has two walk-in showers.

Residents share the common areas of the house including the living room, dining area, kitchen and utility room. The living room includes a sofa, love seat, armchair, coffee table, desk, entertainment center, television and bookshelf with library. The dining area contains a table and chairs. The kitchen has a two refrigerator/freezers, gas oven and range, microwave, dishwasher, blender, toaster, coffee maker, electric can opener and lots of cabinet space. The laundry room contains a washer, dryer, sink and some storage space.

Rent, which includes utilities, is currently \$41 per month -- deducted automatically on a bi-weekly basis. A \$50 damage/cleaning deposit is required prior to moving in. Residents must furnish their own bedding, linens and kitchen utensils.

Smoking is prohibited inside state housing. Pets are also prohibited. The housing unit is inspected throughout the season for cleanliness of common areas and damage to state property. Any damage and/or cleaning fees will be deducted from the employee's deposit when they move out.
