BUY IT WHERE YOU BURN IT!

DON'T TRANSPORT FIREWOOD

100 million elm killed by Dutch elm disease

Millions of hardwoods killed by gypsy moth

Over 50 million ash killed by emerald ash borer

Millions of pines threatened by European wood wasp

Transporting firewood can spread insects and diseases that <u>KILL TREES.</u>

It is unlawful to transport pests*

Please...buy firewood where you camp.

If you have firewood from out of state, please BURN IT IMMEDIATELY.
Our forests thank you!
