- Primitive Camping/Day-Use Site

Hunting is permitted at Navajo State Park during lawful hunting seasons, during lawful hunting hours, with a valid hunting license and only in the areas designated on this hunting map.

*All vehicles must display a valid Colorado State Parks pass.

Hunting at Navajo State Park is permitted ONLY as follows:

- Along the West side of the Reservoir, along the Piedra River: From 100 yards from the northern end of Windsurf Beach Campground parking area, upriver to 100 yards south of the Watchable Wildlife Area, and 100 yards east toward the lake from the Piedra Trail, and 50 feet from the center of any roadway or from any parking lot.
- Along the East side of the Reservoir, along the Piedra River: From the southwestern end of the parking lot at Narrow Gauge Junction Day Use Area to 100 yards north of Arboles Point Campground, and 100 yards west toward the lake from the Piedra Trail, and 50 feet from the center of any roadway or from any parking lot.
- Along the North side of the San Juan River: From 100 yards East of Arboles Point Campground, upriver to the West end of Cottonwood Day Use Area parking lot and 50 feet from the center of any roadway.
- At Sambrito Wetlands Day Use Area, within the boundary fence, and 100 yards from the Sambrito Trail, and 50 feet from the center of any roadway or from any parking lot, with the exception of Mondays - Fridays from September 1 – October 15
- No unlicensed OHV use allowed in the Park. Licensed OHVs allowed on park roads and in parking lots ONLY.
- No hunting or firearm discharge from any moving vessel.
