

## Fish Identification Guide

*Fishing is one of the most popular activities here at St. Vrain State Park. Knowing what species of fish inhabit the ponds is important for a number of reasons including distribution information and general knowledge.*

*Use this brochure as a guide to identifying the fish you catch while enjoying the superb fishing available here at St. Vrain State Park. See if you can catch all of the most common species!*

*Good Luck, and as always, have fun and be safe!*
