

Stagecoach State Park

To make your campground reservations...

In the Denver metro area, call (303) 470-1144. Outside the metro area, call 1-800-678-CAMP (2267). Phone reservations are taken Monday through Friday. Reservations can also be made 24 hours a day, seven days a week via the internet at www.cpw.state.co.us.

Stagecoach State Park sees its busiest camping season from Memorial Day weekend through Labor Day weekend. Reservations are recommended.

A reservation fee is charged *plus the cost of the campsite*, payable by check, VISA or MasterCard.

Reservations can be made a minimum of three days and a maximum of six months in advance. (If you're paying by check, the three day minimum doesn't apply; your reservation must be made a minimum of 14 days in advance.)

Camping fees vary depending on the service offered.

For group camping, please contact the park directly.

Visitors are always welcome to look for campsites at any state park on a first come, first served basis, but reservations are recommended. For information or reservations on the McKindley Group campsite please call the park office.

A Daily pass, an Annual pass or an Aspen Leaf pass is required on all vehicles entering any state park.

Campsites with electrical hookups are available during the winter. Call the park office or visit us at our Web site for current conditions.

Below are some guidelines for all campers to use before purchasing or occupying a campsite.

1. Check the *site marker* at the campsite for a reservation card or camping permit. Do not occupy the site if it has been purchased by someone else already. If there is a reservation card in the site marker, check the beginning date since we do place these markers three days in advance. (You may be able to use the site for a night or two before the campers with a reservation arrive.)
2. If there is *any gear* at all in the campsite, do not occupy the site.

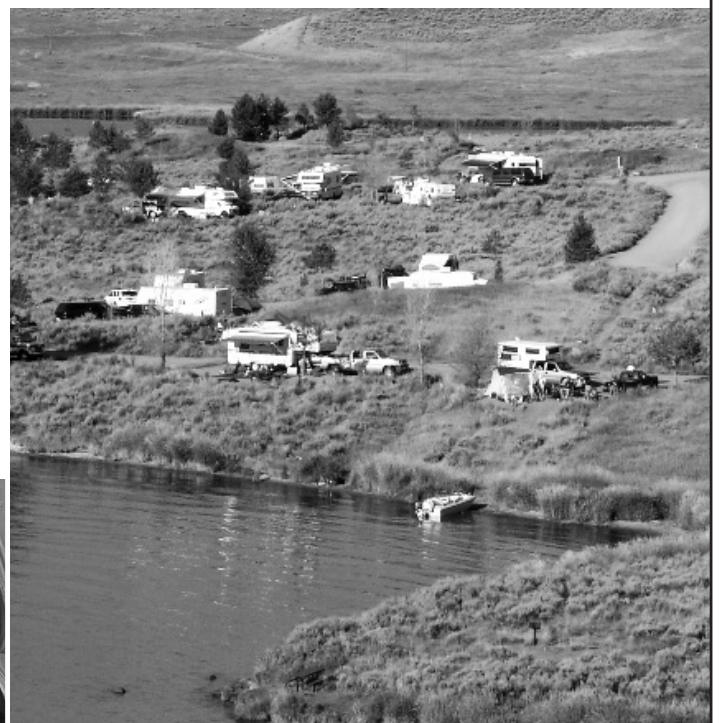

If you have any questions, please contact the gate attendant or a park ranger. Thank you and have a pleasant visit.
