

DEDICATED TO TODAY
AND TOMORROW

Friends of Barr Lake is
dedicated to making a
difference by aiding Barr Lake
State Park in its mission to
educate, conserve, and provide
recreation for today and
tomorrow. Donate to Friends
and help keep these great
resources around for the
children of the future.

FRIENDS OF BARR LAKE

Friends of Barr Lake is a non-profit organization dedicated to supporting Barr Lake State Park and its endeavors to educate the public in matters of natural history, provide a place to recreate, and conserve the habitats in the park. Friends accomplishes this by providing monetary support for educational programs, interpretive signs, and special events and projects. You can help with these goals by becoming a member of Friends of Barr Lake. Annual memberships are \$25 for an individual and \$35 for the family. Corporate levels are \$250, \$500, and \$1000 per year.

Memberships include a bi-monthly newsletter, a Friends membership pin, invitations to special Friends only events, and 10% off in the Barr Lake Bookstore. Corporate members will be listed in our newsletter.

Education

Friends is dedicated to public education at Barr Lake State Park. We provide necessary materials to make education about the natural world around Barr fun for the young and old.

Recreation

Parks are a fun place for families to go. Friends realizes that recreation is an important source of revenue for the park. We are dedicated to help provide a safe and fun recreational experience to visitors. One way we have done this is by purchasing paddle boats to be used at the park.

Conservation

While education and recreation are important and fun things offered at Barr Lake, none of it would be possible without conservation efforts. Friends is dedicated to using funds to help conserve the natural habitats around Barr. The riparian, prairie, and lake habitats are all essential parts of the beauty that is the "Oasis" of Barr Lake State Park.
