

## SWIMMING AT BOYD LAKE

The following rules regarding swimming at Boyd Lake State Park are being implemented by park management to safely meet the recreational requests of our users. Please help this one-year pilot program succeed by observing the following rules in the designated areas.

Park Manager Grey welcomes comments or questions at [eric.grey@state.co.us](mailto:eric.grey@state.co.us) or 970-699-1739

### **EFFECTIVE APRIL 1<sup>st</sup>, 2012**

It is recommended that swimming take place in the official designated swim beach area; however, swimming is also permitted in three designated No Wake areas (see map)

Swimming is permitted in the North No Wake Area, East No Wake Areas 1 and 2 (see map) areas *from sunrise to sunset*.

Swimming is prohibited everywhere else, except the designated Boyd Lake Swim Beach.

Additional safety precautions while swimming such as: wearing life jackets, using a flag to indicate people in the water, use of a "spotter" to watch for hazards or other boats, and staying close to a boat or shoreline are all recommended, but are not required.

All persons under 13 years old must wear a life jacket when on a boat unless the boat is anchored/moored.

Boyd Lake State Park will continue to provide the designated, water tested, roped, and buoyed Swim Beach for those who wish to swim from shore in a "Natural Swim Area".

Most of the shoreline along these areas is private – Do not trespass

**All NO WAKE areas have a 5 MPH Speed Limit - strictly enforced**
