(pages 22, 99,  
111- 112)

# Auto Reissue- When Points are Used

- Only a first choice hunt code applied for during the Primary Draw when the license is auto-reissued  
(page 18-19, 111-112)

# Weekly Reissue

Any deer, elk, bear, pronghorn or turkey licenses that are returned ***two weeks or less prior to the start of the season or returned at any time but do not have any eligible applicants to auto-reissue the license to***, will be placed on the weekly reissue list.

- Licenses released at 11:00 am MT on Wednesdays, with a preview list posted the Tuesday prior
- Licenses do not require the use of preference points to purchase

(pages 111-112)

# Manual Reissues

- Any **Rocky Mountain bighorn sheep, desert bighorn sheep, mountain goat or moose** license ***returned two weeks or less prior to the start of the season*** will be manually reissued by CPW staff, once approved by the customer, to the applicant next up in the draw order (by residency based on the next up report)
- All preference points for that species become void when a manual reissue is accepted
- If there are no eligible applicants to manually reissue the license to or if none of the next five applicants in line accept the license, the license becomes available as a part of the next weekly reissue process

(pages 111-112)

# Fail To Pays

- Licenses not paid for by the payment deadline will be removed from the customer's account and auto-reissued to the next applicant in the draw order
- If preference points were used to obtain the license, those preference points are restored to the pre-draw level

(page 113)

**To be Implemented in  
2025 Draws (Not  
including auto-reissue)**
