Subject: Herd Management Plan for the November 18-19 Meeting

At the November 18-19, 2021 Parks and Wildlife Commission meeting, staff will be presenting a draft Herd Management Plan (HMP) for the RBS-10 Sangre de Cristo bighorn sheep herd. The Sangre de Cristo herd overlaps both the Southeast and Southwest Regions of CPW. A copy of the draft HMP is included in the mailing. Like previous PWC meetings, staff pre-recorded an HMP presentation for viewing by both Commissioners and the public ahead of the Commission meeting. A presentation of the HMP will not be shown during the meeting, but time will be scheduled for the draft HMP to provide a high-level overview of the plan and address questions or comments that Commissioners or the public may have.

If you have questions on the draft HMPs or presentations, it would be helpful to email the Biologist, Allen Vitt (allen.vitt@state.co.us), ahead of the meeting so he can prepare a thorough response.
