## New Business

### Troutdale Ranch Fence Project:

Daniele Garner presented a 1.032 mile fence project on the Troutdale Ranch in Park County. Mrs. Garner is asking the committee for \$7,500 for materials. The existing fence is in disrepair and causing an entanglement hazard for big game and livestock. To reduce further damage and hazards, the old fence will be removed and replaced with a wildlife-friendly design. The Garners will contribute in-kind labor to remove and replace the fence. The property owner will contribute \$3,350.03 for materials and in-kind hours to remove and replace the fence.

**The South Park HPP Committee approved up to \$7,500 in reimbursement for materials to construct 1.032 miles of wildlife-friendly fence. The committee unencumbered money from the voucher programs to cover the total project cost.**
