RE: **Chapter P-7 Final Regulations for the November 2021 Parks and Wildlife Commission Meeting**
DATE: **November 5, 2021**

Final regulatory changes for Chapter P-7 are summarized below. If there are questions about the agenda item below, or if additional information is needed, please feel free to contact me at jonathan.boydston@state.co.us or Krista Heiner at krista.heiner@state.co.us.

Agenda Item 33.1: Chapter P-7 - "Passes, Permits and Registrations" 2 CCR 405-7

Changing the replacement fee for an additional Aspen Leaf annual pass to half the cost of the original pass, if proof of eligible replacement need is not provided

Previously, the replacement fee for an additional Aspen Leaf park pass (available to customers purchasing multiple Aspen Leaf passes) and other affixed annual park passes was $5.00. At the September 1, 2021 Parks and Wildlife Commission meeting the Commission adopted regulations increasing the replacement fee for annual affixed passes to half the cost of the original pass if the customer is unable to provide any proof as to why the replacement was necessary. If proof of necessary replacement need is provided the replacement fee is now waived entirely. Waiving the replacement fee for those who can provide proof of necessary replacement is an additional customer benefit to those who legitimately need a replacement, while preventing others from taking advantage of a low replacement cost. Following the September 2021 Commission meeting, Division staff recommended amending regulations for replacement additional Aspen Leaf annual passes to align with the previously adopted regulations related to replacement passes.

Removing previously omitted regulations regarding the cancellation fee for group camping reservations

In September 2021, the Commission made changes to the camping and day-use reservation cancellation and change regulations, including the cancellation fee for group camping reservations. Regulation #704.6 was inadvertently omitted from those changes. This change removes regulation #704.6 to maintain consistency with the changes adopted in September 2021.

VEHICLE PASSES

 # 700 - VEHICLE PASS

1. Except as otherwise provided in these regulations or by Colorado Revised Statutes, no motor vehicle shall be brought onto any state recreation area or state park unless a valid parks pass issued by the Division is properly attached or displayed in the vehicle. Passes that are designed to be affixed to the windshield shall be attached to the extreme lower right-hand corner of the vehicle's windshield in a position so that the pass may be observed and identified. For an annual affixed vehicle pass, including an aspen leaf annual pass to be properly attached to a windshield, it must be permanently affixed. A state parks annual transferable pass must be hung from the rear-view mirror so that the pass may be observed and identified. Any vehicle whereby a pass cannot be secured inside the passenger compartment or hung from a rear-view mirror shall be treated as a special case, but evidence of a pass shall be required on the person or in the vehicle.

c. A state parks annual transferable pass, which can be used for any vehicle except passenger vans and buses operated by a commercial business. State parks annual transferable passes are issued to individuals, not vehicles. Only one vehicle at a time can use an annual transferable pass.

(1) Commercial passenger vans and buses are eligible to purchase daily, but not annual, vehicle passes.

(2) School buses on official school outings, passenger vans and buses operated by a nonprofit corporation or organization as defined in 13-21-115.5 (3), C.R.S., and passenger vans and buses operated by any government agency are eligible for either daily or annual affixed vehicle passes.

(3) An annual transferable pass may be shared with the original pass holder's household. For the purpose of this regulation, "household" is defined as persons living at the same address.

4. Daily vehicle passes are as follows:

a. A fee of $9.00 per vehicle for any vehicle except for:

(1) Passenger vans and buses operated by a commercial business;

(2) A $1.00 per vehicle high-use fee will be added to the cost of daily vehicle passes at Cherry Creek, Chatfield, and Boyd Lake State Recreation Areas, and Castlewood Canyon, Eldorado Canyon, Golden Gate Canyon, Highline Lake, Lake Pueblo, Roxborough and Staunton State Parks.

The fee shall be $10.00 for up to fifteen passengers on-board, $40.00 for sixteen to thirty passengers on-board, and $50.00 for more than thirty passengers on-board.

5. An annual affixed vehicle pass or state parks annual transferable pass shall be issued and, by appropriate language, authorize entrance by motor vehicle to all state recreation areas and state parks during the period beginning on the date of purchase through the last day of the same month in the following year. Such authorization shall apply to the user and all passengers in the motor vehicle to which the pass is affixed or displayed. One pass shall cover all state recreation areas and state parks.

6. Additional affixed annual vehicle passes may be issued to an owner or to the owner's household. Additional annual affixed vehicle passes authorize entrance by motor vehicle to all state recreation areas and state parks during the period beginning on the date of purchase of the additional pass through the expiration date of the associated original full-priced annual affixed pass or state parks annual transferable pass. Owners of school buses, passenger vans and buses owned by a nonprofit corporation or organization as defined in 13-21-115.5 (3), C.R.S., and passenger vans and buses owned by any government agency are limited to purchasing no more than two additional annual affixed vehicle passes at a reduced fee per each annual affixed vehicle pass purchased at the full fee. For the purpose of this regulation, "household" is defined as persons living at the same address. "Owner" is defined as the person whose name appears on the registration of both the original vehicle for which an annual affixed pass was purchased and the additional vehicle, or a person who can provide proof of ownership of the original and the additional vehicle at a designated Division office.

7. If the motor vehicle for which an annual affixed vehicle pass, additional affixed vehicle pass, ~~or~~ Aspen Leaf annual pass, or additional Aspen Leaf annual pass was issued is sold or traded, or if the pass is lost or destroyed during the period in which it is valid, the person to whom the pass was issued may obtain a duplicate thereof, upon signing an affidavit reciting where and by whom it was issued and the circumstances under which it was lost or traded. Customers who provide proof of necessary replacement shall be issued a replacement annual affixed vehicle pass, additional affixed vehicle pass, ~~or~~ Aspen Leaf annual pass, or additional Aspen Leaf annual pass for the remainder of the period that the lost or destroyed pass would have been valid at no cost. Customers without proof of necessary replacement shall be provided a replacement annual affixed vehicle pass, additional affixed vehicle pass, ~~or~~ Aspen Leaf annual pass, or additional Aspen Leaf annual pass effective for the remainder of the period that the lost or destroyed pass would have been valid upon payment of a fee pursuant to regulation #708.1.e..

8. If a state parks annual transferable pass is lost or destroyed during the period for which it is valid, the person whom the pass was issued may obtain a duplicate thereof, upon signing an affidavit where and by whom it was issued and the circumstances under which it was lost or destroyed. Upon payment of a fee of $60.00, a new pass effective for the remainder of the period the lost or

destroyed pass would have been valid may be issued only by the Division to the original owner of such pass. Only one duplicate state parks annual transferable pass will be issued per period for which the original pass was valid.

9. A daily park pass, valid for one day only, shall authorize entrance by motor vehicle to the state recreation areas and state parks by the user and all passengers in the motor vehicle to which the pass is affixed during the day used and until 12:00 P.M. (noon) the following day.

10. A no fee pass shall be issued to any vehicle towed or carried in by a motor home if a camping permit or proof of a campsite reservation is presented at an attended visitor center, office or entrance station. The no fee pass, valid for the same time period as the camping permit or camping reservation, shall authorize entrance by motor vehicle to the state recreation areas and state parks by the user and all passengers in the motor vehicle to which the pass is affixed. For the purpose of this regulation, motor home means a vehicle designed to provide temporary living quarters and which is built into, as an integral part of or a permanent attachment to, a motor vehicle chassis or van.

Basis and Purpose:

Changing the replacement fee for an additional Aspen Leaf annual pass to half the cost of the original pass, if proof of eligible replacement need is not provided

Previously, the replacement fee for an additional Aspen Leaf park pass (available to customers purchasing multiple Aspen Leaf passes) and other affixed annual park passes was $5.00. At the September 1, 2021 Parks and Wildlife Commission meeting the Commission adopted regulations increasing the replacement fee for annual affixed passes to half the cost of the original pass if the customer is unable to provide any proof as to why the replacement was necessary. If proof of necessary replacement need is provided the replacement fee is now waived entirely. Waiving the replacement fee for those who can provide proof of necessary replacement is an additional customer benefit to those who legitimately need a replacement, while preventing others from taking advantage of a low replacement cost. Following the September 2021 Commission meeting, Division staff recommended amending regulations for replacement additional Aspen Leaf annual passes to align with the previously adopted regulations related to replacement passes.

Removing previously omitted regulations regarding the cancellation fee for group camping reservations

In September 2021, the Commission made changes to the camping and day-use reservation cancellation and change regulations, including the cancellation fee for group camping reservations. Regulation #704.6 was inadvertently omitted from those changes. This change removes regulation #704.6 to maintain consistency with the changes adopted in September 2021.

The statements of basis and purpose for these regulations can be obtained from the Colorado Division of Parks and Wildlife, Office of the Regulations Manager by emailing dnr_cpw_planning@state.co.us or by visiting the Division of Parks and Wildlife headquarters at 6060 Broadway, Denver, CO, 80216.

The primary statutory authority for these regulations can be found in § 24-4-103, C.R.S., and the state Parks Act, §§ 33-10-101 to 33-33-113, C.R.S., and specifically including, but not limited to: §§ 33-10-106 and 33-10-107, C.R.S.

EFFECTIVE DATE - THESE REGULATIONS SHALL BECOME EFFECTIVE JANUARY 1, 2022 AND SHALL REMAIN IN FULL FORCE AND EFFECT UNTIL REPEALED, AMENDED OR SUPERSEDED.

APPROVED AND ADOPTED BY THE PARKS AND WILDLIFE COMMISSION OF THE STATE OF COLORADO THIS 18TH DAY OF NOVEMBER, 2021.
