Follow these steps immediately upon kill and initial transaction:
1. Detach Carcass Tag from License at point of kill.
2. SIGN below and match sex, month, day of kill.
3. Attach validated Tag to carcass for transport or salvage.
Once validated, this Tag cannot be used again. Failure to validate kill properly can lead to a substantial penalty.

Process Update Proposal

- Postpone potential regulatory changes into 2023 to allow for:
 - Commission/public education
 - Financial analysis
 - Vetting potential changes with hunters and stakeholder organizations
 - Gathering input from local communities
