

# GOCO Update

La Plata County

What's New

2020 Strategic Plan Launch

2021 CPW Director's Innovation Fund

To help the people of Colorado preserve, protect, enhance, and manage the state's wildlife, park, river, trails, and open space heritage.

An aerial photograph of a landscape featuring a wide, flat plateau with sparse vegetation, a deep river valley with a winding river, and a rocky cliff edge in the foreground. The sky is blue with light clouds.

La Plata County Investments: \$12,259,537

CPW Investments: \$1,335,973

Vallecito Reservoir

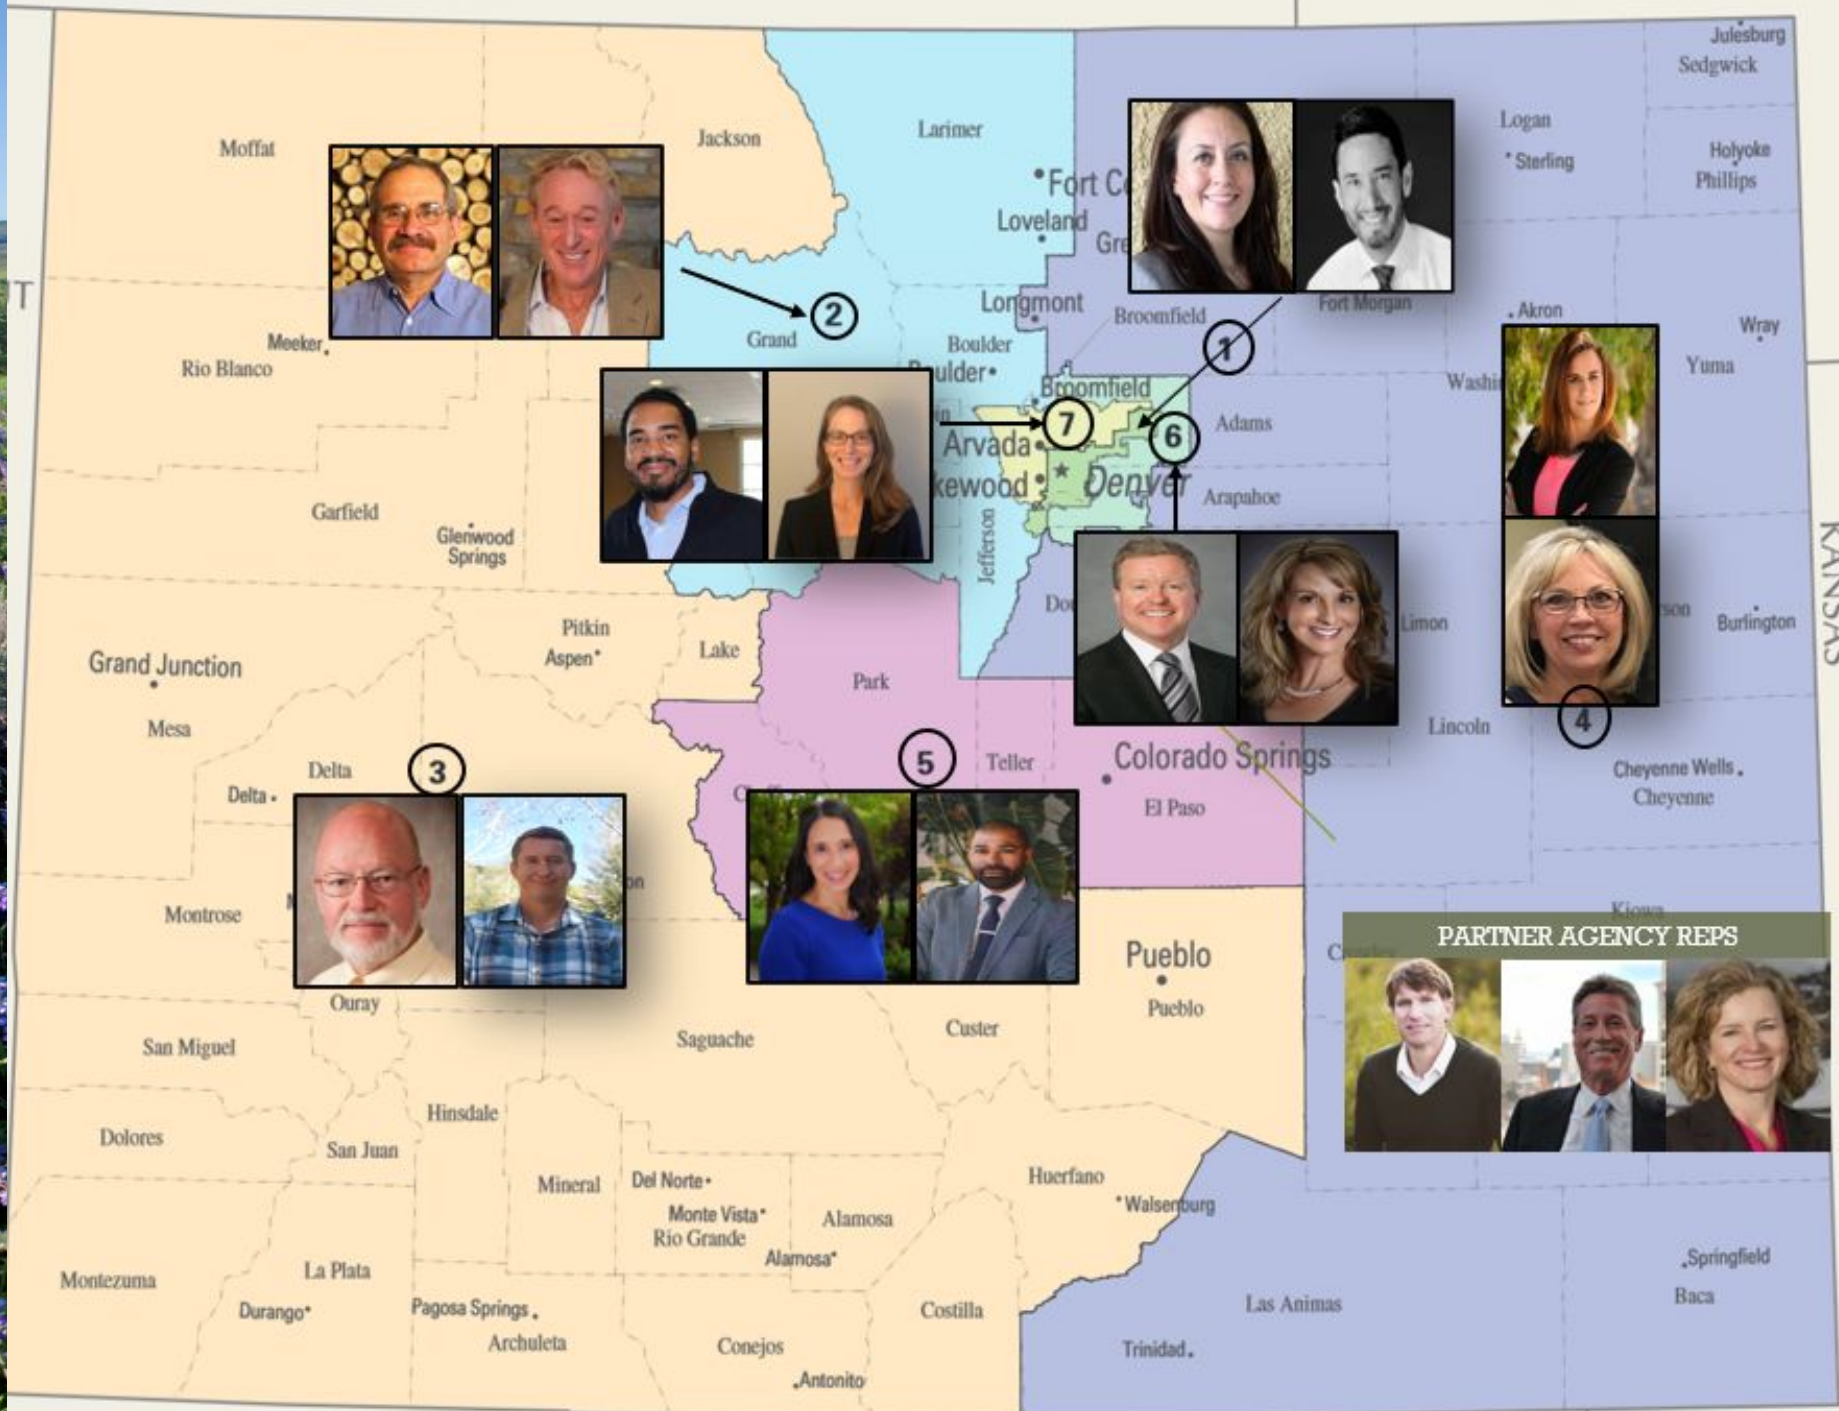

Haviland Lake Dam Rehabilitation

Durango Nature Trail

City of Durango Investments: \$9,149,880

Jacob's Cliff's

Durango Animas River Greenway Trail Connection

# 2020 Strategic Plan: An Informed Future

Evolved approach to grantmaking and engagement

Optimized program portfolio & established program values

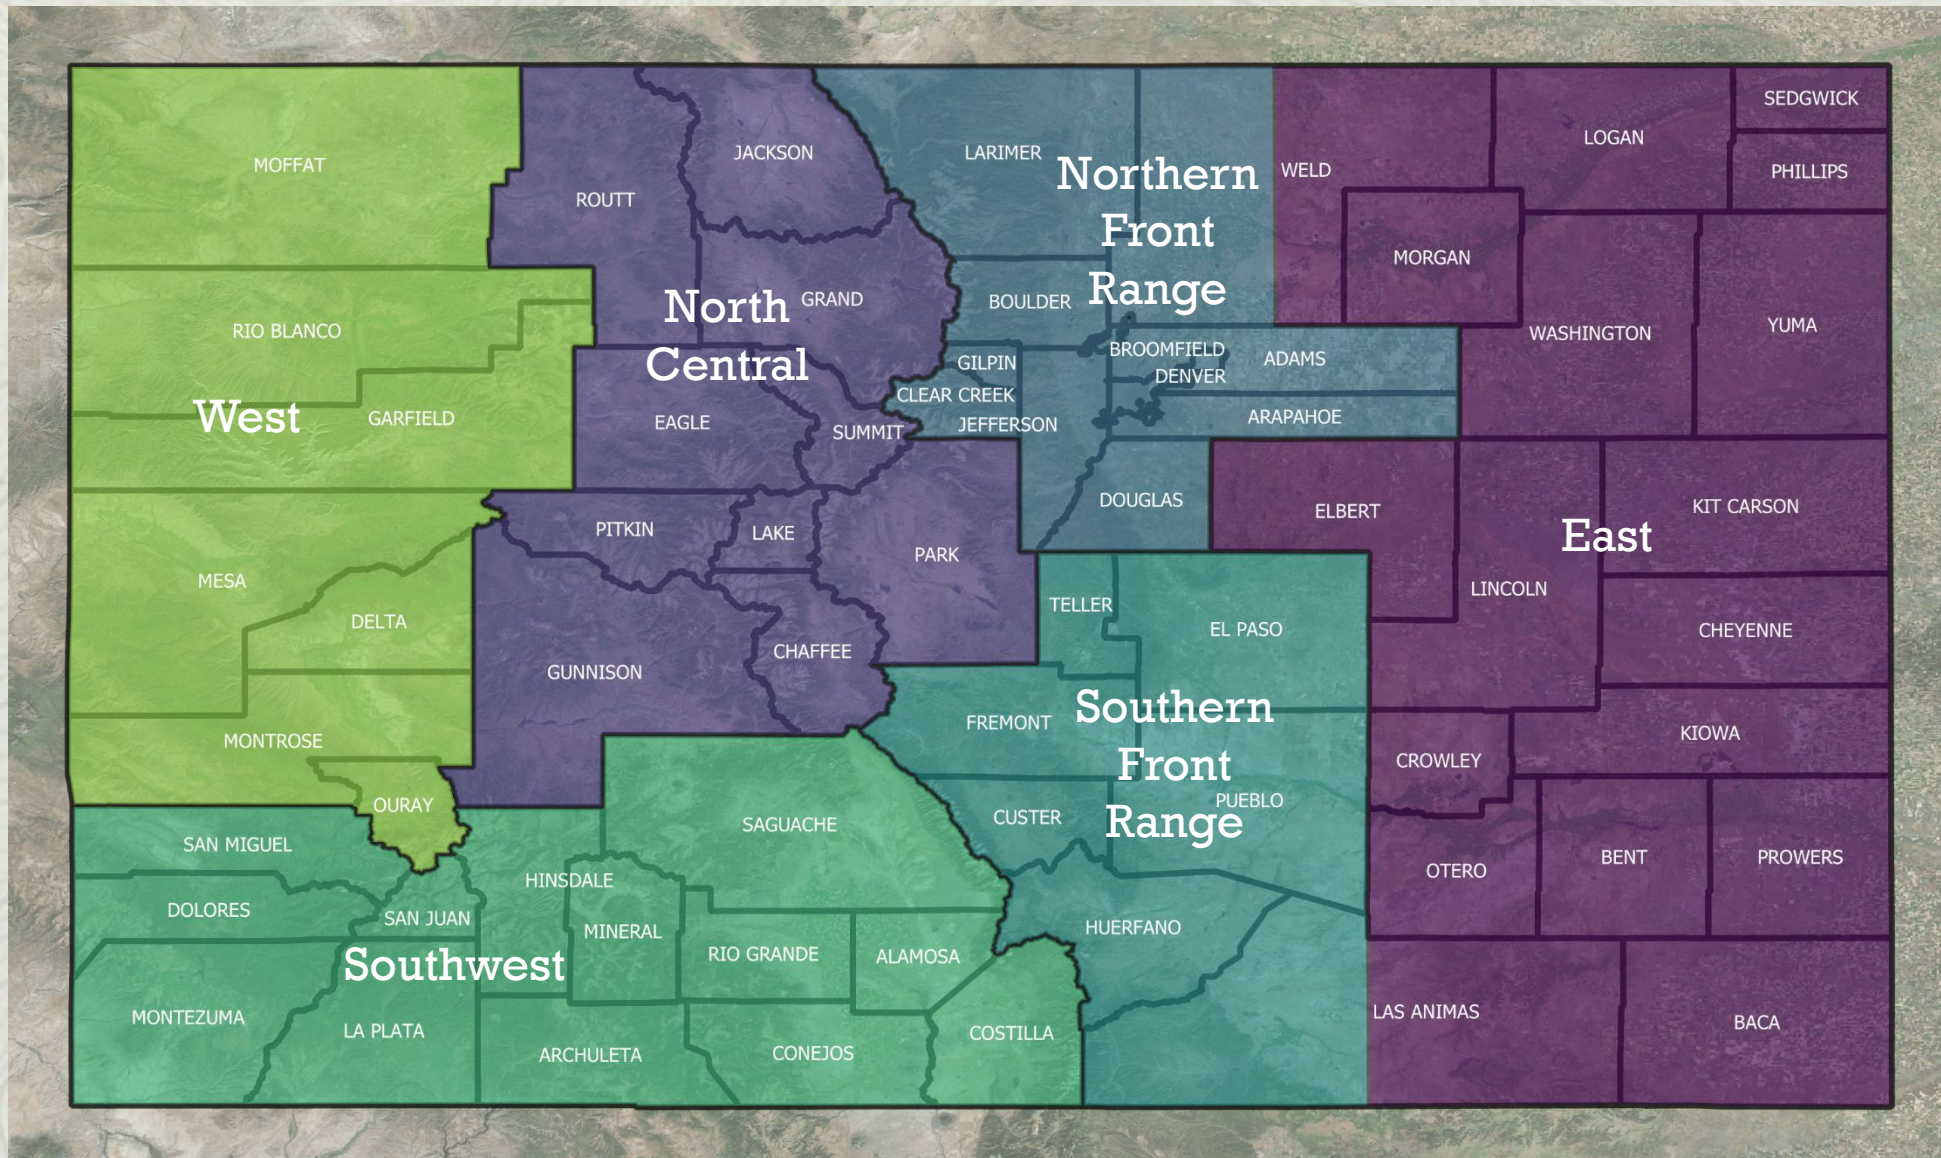

Regional Staffing Model

Responsive to GOCO's Equity Principles:

**Accessibility | Community-centered Approach | Education and Support |  
Communications**

# Regional Approach

# Program Portfolio

Land Conservation Program

Community Impact Program

Planning & Capacity Program

Stewardship Impact Program

RESTORE

Conservation Service Corps

Centennial Program

Generation Wild

Fellowship Program

Colorado Parks & Wildlife

Director's Innovation Fund

# CPW Director's Innovation Fund

Program designed to support and benefit CPW field staff with small grants

Funded projects with high visibility and significant visitor benefit

Unforeseen secondary benefits

GOCO staff and board education, increased understanding of CPW

Project specific impacts

Creates a stronger CPW/GOCO relationship throughout the agency
