Buck Mountain Ranch Rules

1. All State/Federal Laws and CPW regulations are applicable and enforced. Report violations if you see them. License plate numbers, names of individuals, and/or vehicle/person descriptions are helpful in identifying offending parties.
2. Check-in occurs at Cook residence (garage) Hours and directions are found in the welcome letter.
3. The hunt questionnaire must be returned to the ranch at check-in location or by mailing to PO Box 142 Craig, CO 81626 within two weeks of completion of your hunt.
4. One guest per licensed hunter allowed on the ranch.
5. No camping allowed on the ranch.
6. Access to the ranch varies by tract, with designation of certain areas as walk-in access only, areas additionally permitting use of OHVs only with OHV access restricted to existing two-tracks/ranch roads, and other areas permitting use of all motor vehicles (including OHVs) with access restricted to existing two-tracks/ranch roads. Please see the attached maps showing authorized use and access designations.
7. The ranch will provide retrieval services based on availability and need. Must arrange in advance. OHV retrieval by hunter will be allowed with prior approval on a case by case basis, in areas where OHV use is not allowed.
8. Guide services may be provided based on availability and a fee. Services must be arranged at least 2 weeks prior to hunt dates. If interested in guiding services, please contact Jorgiea @ 970-620-0135 or jorgiearaft@gmail.com.
9. Be courteous to your fellow hunter. This is one of the Ranch's biggest complaints; "another hunter ruined my hunt". With that said, we also get lots of compliments about hunters helping hunters. Be one of the latter please.
10. No road hunting or hunting from vehicles.
11. Absolutely no illegal drugs or alcohol.
12. Please retrieve as much of your harvested animal as possible. Discarded hides can cause bug and other issues with the domestic livestock.
13. Be prepared for all weather conditions. Clothing, food, water, and the right type of vehicle with chains. Hopefully, you won't need them.
14. All hunters must check-in before they hunt and checkout (complete hunt questionnaire) after they are done hunting.

15. The rules are in place to help make the hunt more enjoyable for the entire group of hunters. Please abide by them (most do and thank you for that). Treat all as you would like to be treated and have a good time.
16. Ranch rules must be followed or you may lose your hunting privilege to hunt the ranch.

Thank you, and success to all.
