**Basis and Purpose:**

**Cleanups to Axial Basin State Wildlife Area, Jumping Cow State Trust Land, Table Mountain State Trust Land and removal of Aldrich Gulch State Trust Land**

Cleanup to correct the access roads to Axial Basin State Wildlife Area, and update a Department of Wildlife reference to Colorado Parks and Wildlife in the Jumping Cow State Trust Land. A cleanup to remove the reference to camping at Table Mountain STL as there is no camping allowed at that location. Removal of Aldrich Gulch State Trust Land as it was discovered that the Indemnity Lands transfer from the BLM to the Land Board has not been finalized and there is no known timeline for the transfer to occur.
