Keep Colorado Wild Pass
Field Implementation/Enforcement

LIVE LIFE OUTSIDE

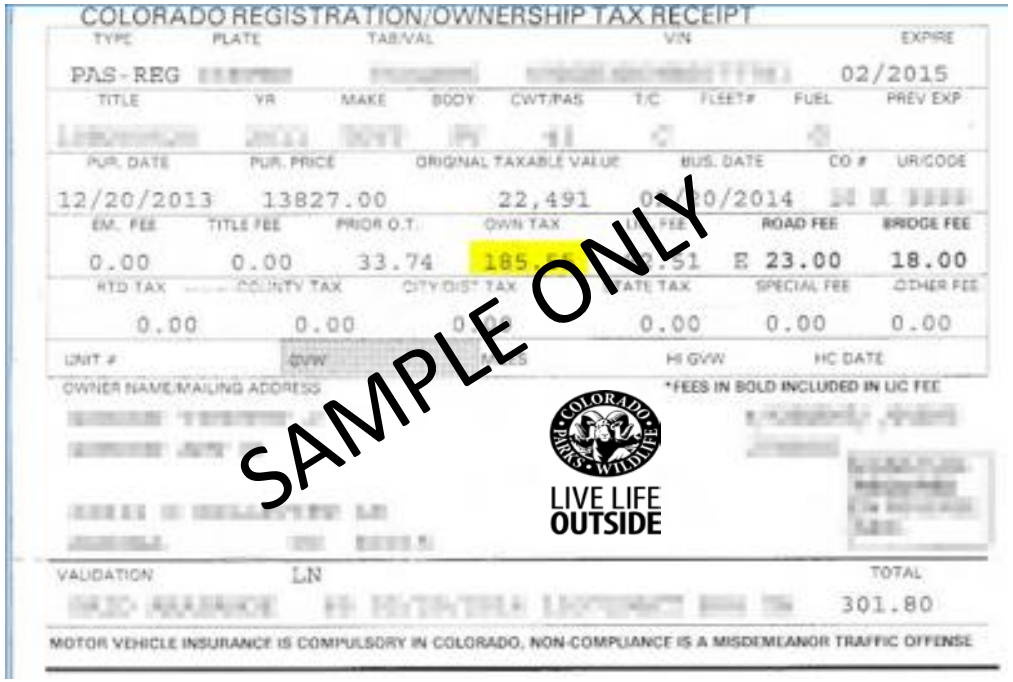
Keep Colorado Wild Pass Field Implementation/Enforcement

No physical pass required for Colorado registered vehicles that opt in on their registration.* All Colorado plated vehicles that opt in are permitted access to all State Parks. Vehicle registration is used to prove compliance as needed or requested.

Keep Colorado Wild Pass Field Implementation/Enforcement

Proof of compliance:

Vehicle Registration with CPW Logo - common placement

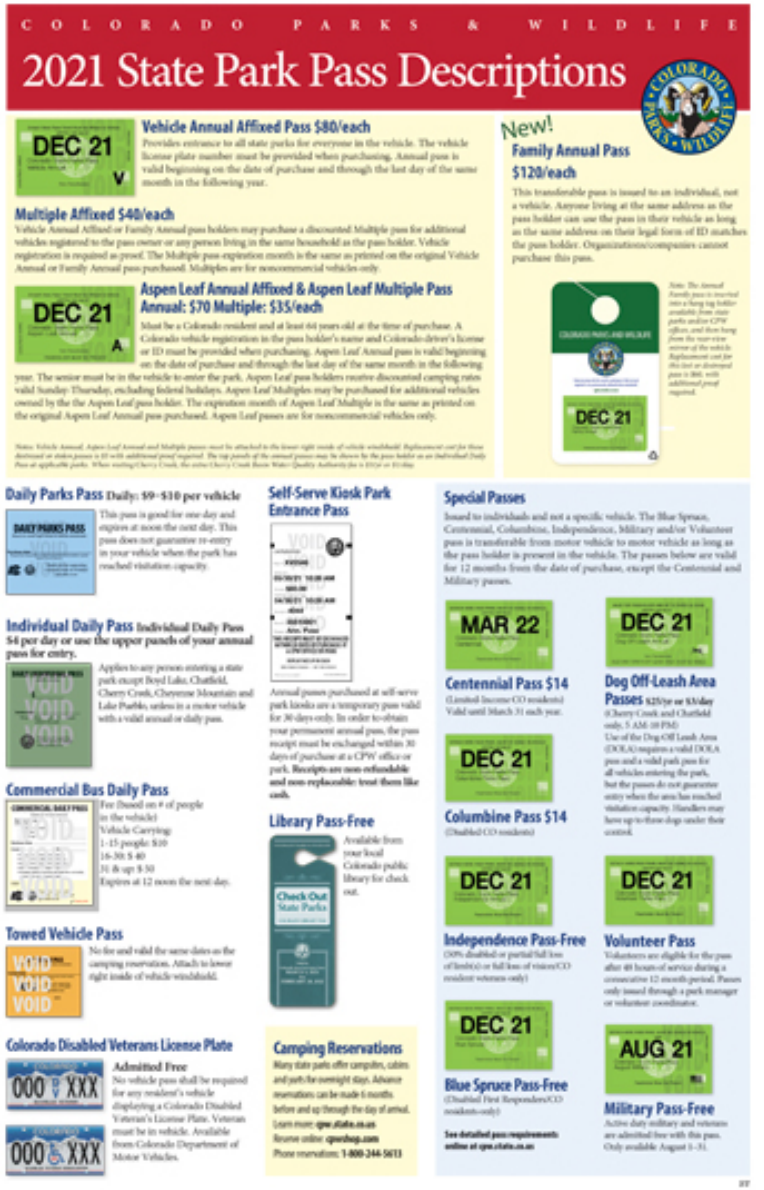


Keep Colorado Wild Pass Field Implementation/Enforcement

Enforcement

- Will vary depending on opt in/out percentages
- License Plate Reader (LPR) used as verification at some locations?
- Mobile LPR device's a possibility
- Use of App on cell phones for compliance purposes?
- CPW app/My Colorado App

Current pass system will remain in place for those that opt out and non resident or non renewed vehicles.

Entrance station checks as needed for compliance and information on the new KCW pass.


Passes issued through IPAWS if opted out or not renewed
