RANCH RULES FOR ALL PRIVATE AND PUBLIC HUNTERS

(1). All hunters must accept supervision by ranch personnel. Any hunter observed not complying with ranch rules, the laws of Colorado, or displaying unethical hunting practices, will suffer loss of hunting privileges. The decision of the ranch supervisor will be final on site.
(2). All hunters and guests must sign a waiver and agree to release all ranches of any liability associated with the purpose or access. This is simply a matter of liability.
(3). All parties must agree to the rules and regulations of the ranches and sign and acknowledge their agreement to these conditions. Each hunter and guest must check-in at a predetermined area each day and on or before a certain time. The location and times of check-in will be provided to all public hunters in the information package. Any hunter not checking-in before the predetermined time will not be allowed access until the next check-in time. Check-in times are 5:30 a.m. each morning and 12:00 p.m.each afternoon. Any hunter found on the ranch without checking-in will be asked to leave and further access will be denied. Any attempt at further access will be considered trespassing. COURTESY TO YOUR FELLOW HUNTERS AND TO US, PLEASE DO NOT SHOW UP LATE FOR CHECK-IN AND EXPECT TO BE PLACED BEFORE THE NEXT CHECK-IN TIME.
(4). Each hunter must check-out each day. Any hunter not checking-out daily will be denied further access to the ranch.
(5). No camping on the ranch. This is simply a matter of liability.
(6). No campfires. We are just protecting the ranch from fires.
(7). No consumption of alcohol or illegal substances upon the ranch. JUST SAY NO.
(8). For those who couldn't say NO; any person or persons who, at the ranch's discretion, is deemed to be unable to function normally (either mentally or physically) will be asked to leave the ranch for that day's hunt. Further access will be determined on a case by case basis.
(9). Individual roads may be closed due to factors such as weather, personal safety, property destruction, or quality of hunt at the discretion of the ranch.
(10). One non-hunter will be allowed to accompany each licensed hunter. Guests must have the liability form filled out and notarized. Guests are required to stay with Host/hunter at all times. Guests are not allowed to carry firearms.
(11). No dogs are allowed on the ranch.
(12). There will be no discharging of firearms on the ranch for any purpose other than that of direct harvest, i.e. no target practicing or random shooting.
(13). No trash or foreign objects will be left on the ranch by any person or groups. Please help us keep the ranch clean by packing out anything you packed in.
(14). Travel shall be restricted to existing ranch roads only; no cross-country motorized travel will be allowed. We simply prefer that no new roads get established at someone else's discretion.
(15). For safety reasons there shall be no discharging of firearms within a radius of 1 mile of any ranch improvements, unless by specific written permission of ranch owners.
