Basis and Purpose:

In support of the Governor's priority for new and expanded state parks, Colorado Parks and Wildlife explored working with land manager partners around Pikes Peak mountain to expand and enhance recreational opportunities. As part of this effort, CPW will have an agreement with Colorado Springs Utilities (CS-U) and US Forest Service (USFS) to provide additional recreational opportunities to the public. The first recreational opportunities will be camping at Rosemont Reservoir and Wye Campground.

Rosemont Reservoir is located in Teller County on the south side of Pikes Peak. This 360 acre property is owned by CS-U who owns the property and the reservoir. The property has been leased to CPW for public access for fishing and wildlife viewing with the lease expiring in 2032. However, this property, with CS-U's consent, is being integrated into the Pikes Peak Recreation Area and will be operated as part of the park once an amended lease is executed. A new lease will be developed between CS-U and CPW to allow Rosemont Reservoir to become part of Pikes Peak Recreation Area. This site will include the development of a new campground for primitive camping, a day use area, fishing access, and recreation for hand-propelled watercraft.

Wye campground is a closed campground on USFS land in Teller County on the south side of Pikes Peak, about ½ mile from Rosemont Reservoir. This campground was previously operated by USFS and has been closed since 2014. There has been no public access to the campground since. CPW will refurbish this campground and offer primitive camping.

The Commission has adopted these emergency regulations pursuant to section 24-4-103(6)(a), C.R.S., which allows state agencies to adopt emergency rules where doing so is “imperatively necessary to comply with a state or federal law or federal regulation or for the preservation of public health, safety, or welfare and compliance with the requirements of this section would be contrary to the public interest and makes such a finding on the record.” The Commission finds that these requirements are satisfied here.

The Commission is required to establish suitable rules governing the use of parks and outdoor recreation lands under its control. § 33-10-106, C.R.S. Such rules must offer the greatest possible variety of outdoor recreational opportunities to the people of this state and its visitors. § 33-10-106, C.R.S. To carry out this policy, the general assembly has directed CPW to continuously acquire, develop, and manage outdoor recreation lands, waters, and facilities. § 33-10-106, C.R.S. Absent the emergency rules, CPW would be unable to maximize the recreational opportunities arising out of its revised agreements with Colorado Springs Utilities. The emergency rules will also reduce or eliminate public confusion regarding the proper use of the properties at issue.

Notice of the proposed emergency rule-making was posted on the CPW website, and at Regional Service Centers and Area Service Centers (area offices) where possible, indicating the Commission would consider the emergency regulations at its meeting on May 6-7, 2026 and that written comments would be accepted prior to that date.

The statements of basis and purpose for these regulations can be obtained from the Colorado Division of Parks and Wildlife, Office of the Regulations Manager, by emailing dnr_cpw_planning@state.co.us or by visiting the Division of Parks and Wildlife headquarters at 6060 Broadway, Denver, CO, 80216.

EFFECTIVE DATE - THESE EMERGENCY REGULATIONS SHALL BECOME EFFECTIVE IMMEDIATELY UPON ADOPTION AND SHALL REMAIN IN EFFECT FOR NO MORE THAN 120 DAYS OR UNTIL PERMANENT REGULATIONS TAKE EFFECT, WHICHEVER OCCURS FIRST, OR THE EMERGENCY REGULATIONS ARE OTHERWISE REPEALED, AMENDED, OR SUPERSEDED.

APPROVED AND ADOPTED BY THE PARKS AND WILDLIFE COMMISSION OF THE STATE OF COLORADO THIS 6TH DAY OF MAY 2026.

Basis and Purpose:

In support of the Governor's priority for new and expanded state parks, Colorado Parks and Wildlife explored working with land manager partners around Pikes Peak mountain to expand and enhance recreational opportunities. As part of this effort, CPW will have an agreement with Colorado Springs Utilities (CS-U) and US Forest Service (USFS) to provide additional recreational opportunities to the public. The first recreational opportunities will be camping at Rosemont Reservoir and Wye Campground.

Rosemont Reservoir is located in Teller County on the south side of Pikes Peak. This 360 acre property is owned by CS-U who owns the property and the reservoir. The property has been leased to CPW for public access for fishing and wildlife viewing with the lease expiring in 2032. However, this property, with CS-U's consent, is being integrated into the Pikes Peak Recreation Area and will be operated as part of the park once an amended lease is executed. A new lease will be developed between CS-U and CPW to allow Rosemont Reservoir to become part of Pikes Peak Recreation Area. This site will include the development of a new campground for primitive camping, a day use area, fishing access, and recreation for hand-propelled watercraft.

Wye campground is a closed campground on USFS land in Teller County on the south side of Pikes Peak, about ½ mile from Rosemont Reservoir. This campground was previously operated by USFS and has been closed since 2014. There has been no public access to the campground since. CPW will refurbish this campground and offer primitive camping.

The Commission has adopted these emergency regulations pursuant to section 24-4-103(6)(a), C.R.S., which allows state agencies to adopt emergency rules where doing so is “imperatively necessary to comply with a state or federal law or federal regulation or for the preservation of public health, safety, or welfare and compliance with the requirements of this section would be contrary to the public interest and makes such a finding on the record.” The Commission finds that these requirements are satisfied here.

The Commission is required to establish suitable rules governing the use of parks and outdoor recreation lands under its control. § 33-10-106, C.R.S. Such rules must offer the greatest possible variety of outdoor recreational opportunities to the people of this state and its visitors. § 33-10-106, C.R.S. To carry out this policy, the general assembly has directed CPW to continuously acquire, develop, and manage outdoor recreation lands, waters, and facilities. § 33-10-106, C.R.S. Absent the emergency rules, CPW would be unable to maximize the recreational opportunities arising out of its revised agreements with Colorado Springs Utilities. The emergency rules will also reduce or eliminate public confusion regarding the proper use of the properties at issue.

Notice of the proposed emergency rule-making was posted on the CPW website, and at Regional Service Centers and Area Service Centers (area offices) where possible, indicating the Commission would consider the emergency regulations at its meeting on May 6-7, 2026 and that written comments would be accepted prior to that date.

The statements of basis and purpose for these regulations can be obtained from the Colorado Division of Parks and Wildlife, Office of the Regulations Manager, by emailing dnr_cpw_planning@state.co.us or by visiting the Division of Parks and Wildlife headquarters at 6060 Broadway, Denver, CO, 80216.

EFFECTIVE DATE - THESE EMERGENCY REGULATIONS SHALL BECOME EFFECTIVE IMMEDIATELY UPON ADOPTION AND SHALL REMAIN IN EFFECT FOR NO MORE THAN 120 DAYS OR UNTIL PERMANENT REGULATIONS TAKE EFFECT, WHICHEVER OCCURS FIRST, OR THE EMERGENCY REGULATIONS ARE OTHERWISE REPEALED, AMENDED, OR SUPERSEDED.

APPROVED AND ADOPTED BY THE PARKS AND WILDLIFE COMMISSION OF THE STATE OF COLORADO THIS 6TH DAY OF MAY 2026.
