Budget Report

The budget at the start of the meeting was \$36,152.50

Minutes- The minutes from the March 3, 2025 meeting were approved as written.

Remaining Committee Business

Wolf Mountain Fence #1- Steve Znamenacek presented a fence project on Wolf Mountain Ranch. The project will consist of installing a wildlife friendly 4-wire fence with 3 gates for wildlife movements. Currently this section of fence is an old field fence with a top barbed wire. This 1,410 foot of fence is an interior pasture fence that is in very poor condition that needs replacing. This area holds a large population of elk and is between elk bedding areas and water/foraging areas. The fence is crossed on a daily basis. The committee discussed the use of white wire on top and would like to see it used. The committee approved the project for up to \$4,470.00.

Roundtable

Project Guidelines- The committee would like to discuss setting a price per foot of fence that they will fund going forward for fence projects to keep consistency. They will discuss this at the next meeting.

Upcoming Meeting- The committee scheduled a virtual meeting for April 14, 2025 at 5:00 pm.

Adjourn

The meeting was adjourned at approximately 6:00 pm.
