# Ranch Rules

1. All hunters must check in prior to their hunt. Any hunter not checking in at the predetermined time or who has not made alternative check-in arrangements will not be allowed access to Agner Mountain Ranch.
2. All hunters and non-hunting guests will be required to sign and return the Assumption of Risk Agreement and Release Form (provided in the successful hunt packet you will receive). All hunters and their one (1) non-hunting guest must each sign the Risk Release form. Prior to the hunt, you must submit these waivers from each individual entering Agner Mtn.
3. A hunt survey form will be provided to each hunter at check-in and must be returned to Agner Mtn. after the completion of your hunt, either to the check-in headquarters or by mailing to the address printed on the survey. All surveys must be submitted within two weeks of your hunt's completion. This is mandatory. Wildlife management depends on accurate harvest reporting.
4. Your hunting areas will be determined by Agner Mountain personnel when you arrive at check-in. The hunt areas will be assigned by ranch staff and determined by a number of factors: game concentrations, road conditions, livestock operations, the number of other hunters, and other Agner Mtn. operations. All hunt areas and hunting activities by hunters and their guests will be monitored regularly through the presence of ranch staff working around the ranch. Our goal is to provide the most enjoyable and successful experience possible.
5. Agner Mtn. hunting areas are divided into several large hunting tracts. Each tract will have a limited number of hunters allowed access each day. Tracts will be assigned on a first come, first serve basis at check-in. To avoid overcrowding, **you must hunt within the tract you are assigned for a full two (2) days. You can change tracts based on space availability and with prior approval from Agner Mtn. staff, after the two day period for the following day's hunt.** Allowing additional hunt location flexibility for hunters, Agner Mtn. will designate four (4) specific tracts that hunters may access without prior staff approval. These are available to hunters assigned to a primary tract who also wish to hunt in these additional tracts. This provides extra options while still preventing overcrowding in any single area.
6. Specific/strategic access points and gates (beyond county roads) on each unit will be clearly marked with signage, including parking instructions and gate information. This ensures obvious and straightforward access while minimizing questions.

7. Access to hunting tracts will be walk-in only. You may park at the designated parking areas and walk in from there. Hunters must call and obtain permission from ranch staff to drive into tracts for game retrieval. Unauthorized vehicle entry is prohibited.
8. One non-hunting companion or observer will be allowed. Some exceptions will be made for hunters with disabilities. All youth hunters under the age of 18 are required to have a parent or legal guardian accompany them during their hunt.
9. No smoking is permitted on Agner Mtn. property or in Agner Mtn. vehicles.
10. ATV/OHV use is strictly prohibited on Agner Mountain Ranch.
11. No overnight camping is allowed on Agner Mtn. property. A list of the closest accommodations and phone numbers that can be provided upon request.
12. No pre-hunt scouting will be allowed, and no dogs will be allowed on Agner Mtn. property.
13. You are a welcomed guest, and your successful hunt is an important part of our cooperative wildlife management program. We do not allow hunting for any game animals other than those authorized by your Ranching for Wildlife license.
14. No possession or consumption of alcohol or illegal substances will be allowed on Agner Mtn. property.
15. No littering of any kind: no bones, hides, trash or foreign objects will be left on Agner Mtn.
16. No discharging of firearms is allowed except for the direct harvest of the animal you are licensed to hunt.
17. All hunters must abide by all Agner Mtn. Ranch Rules and Colorado State hunting laws, including but not limited to, trespassing, failing to track, dispatch and attempt recovery of wounded game, failing to immediately dress and reasonably care for edible portions of meat, mistakenly killing wildlife, carrying a loaded firearm in or on a motor vehicle, or shooting from, upon or across a public road.

**Any violation of laws, CPW regulations, and/or Agner Mtn. Ranch Rules will be reported immediately to CPW and may result in expulsion from Agner Mtn., loss of hunting privileges, and possible criminal prosecution. We uphold the highest standards for fair-chase and ethical hunting.**
